Starfist: Technokill David Sherman, Dan Cragg, 2000-08-01 A terrifying secret an evil coterie of ruthless masterminds a murderous battle of cunning and deadly skill it s time to send in the Marines After the Confederation makes a shocking discovery on an alien world a nefarious band of opportunists from the highest echelons of power plot to steal the vast riches for themselves Along with the ability to crush any resistance these moguls possess spacecraft unlimited resources and a deadly arsenal of cutting edge weapons The only one without a price tag is the Confederation president Now she is sending Gunnery Sergeant Bass the men of third platoon and a single special agent to expose the shadowy figures behind the corruption And so on an obscure planet home to unimaginable treasure and an unsettling species the toughest fighters in Human Space confront their fiercest battle For there will be no losers in this war only the triumphant the dead and the vanished

Starfist: First/School of Fire David Sherman, Dan Cragg, 2002-01-15 First to Fight Stranded in a hellish alien desert stripped of their strategic systems quick reaction force and supporting arms and carrying only a day s water ration Marine Staff Sergeant Charlie Bass and his seven man team faced a grim future seventy five light years from home The only thing between his Marines and safety was eighty five miles of uncharted waterless terrain and two thousand bloodthirsty savages with state of the art weapons in their hands and murder on their minds School of Fire Deployed to assist the oligarchs of Wanderjahr in putting down a rebellion that threatens the planet s political and economic stability the Marines must fight two wars at the same time one against the resourceful well led guerrillas and another with the entrenched police bureaucracy

Starfist: Flashfire David Sherman, Dan Cragg, 2007-03-27 Packed with hard core action written by battle savvy combat veterans the explosive Starfist series has become hugely popular across America Now the saga of the courageous Marines continues in Flashfire as the 34th Fleet Initial Strike Team FIST ventures to the edge of Human Space to fight a number of enemies some on their own side Tensions erupt between the Confederation and several frontier worlds when civilians are shot dead at an army base on the planet Ravenette Enraged the Ravenette government and nine neighboring planets form a coalition and their first act of secession is to overrun Ravenette s Confederation garrison With the

armed forces of ten worlds seizing the brutal upper hand the embattled troops need help now and they need it bad Enter the Marines of the 34th FIST As the nearest ready to deploy unit the team is sent to Ravenette with orders to hold the line until reinforcements arrive The upcoming operation promises to be no picnic for while sophisticates may ridicule the backward ways of the uncouth frontier folk no one scoffs at their fighting ability Charlie Bass doesn't mince words for his men in Company L's third platoon Two army divisions perhaps thirty thousand soldiers are being overwhelmed and somebody expects a thousand Marines to save the day As pompous Confederation generals wreak even more havoc than the enemy there are those who call the mission suicide but not the Marines Of course it sounds hopeless but for Marines like Charlie Bass and the rest of the 34th FIST accomplishing the impossible comes with the territory

Starfist: Firestorm David Sherman, Dan Cragg, 2008-04-29 Combat vets David Sherman and Dan Cragg know firsthand the courage sacrifice and hell of war and their experiences have made the popular Starfist novels thrill rides of the highest order Now the explosive action continues on the remote planet Ravenette where the Marines of the Confederation's 34th Fleet Initial Strike Team FIST find themselves up against a full fledged rebellion and a lethally loose cannon of a commanding officer Desperate to thwart unrelenting aliens and their quest to obliterate humankind The Confederation has beefed up its defenses But to the citizens on the outer edges of Human Space around Ravenette unaware that a deadly enemy even exists the government's move seems oppressive and ten planets have responded with a war of secession In touch and go battles with the seceding planets the 34th FIST has emerged battered but unbowed refusing to give up even while under the command of a fanatical general The enemy determined to strike a new mission must be carried out though the troops will likely return in body bags Should Ensign Charlie Bass and his Marines somehow survive the nightmarishly difficult amphibious landing they can expect to be outmanned outgunned and out armored in a fierce duel against fresh soldiers But like any Marine worth his salt Bass knows there's only one way to go when facing impossible odds on the offense with all guns firing There's no other choice because if life was easy there'd be no need to send in the Marines

Starfist: Hangfire David Sherman, Dan Cragg, 2010-01-20 Six agents have died hideously trying to penetrate the crime families behind a vast empire of pleasure and debauchery Now it's up to the Marines to break the circle Most people will visit Havanagas only in their dreams for few can afford the exclusive resort planet that recreates ancient worlds and caters to every taste Witches are burned at the stake in medieval towns while riotous hordes fill Rome's Coliseum to watch gladiators battle Even the basest of human lusts are satiated by deadly sex acts and a thriving slave trade The crime bosses control of Havanagas and its people is brutally effective Now three Marines from Co L's 3rd Platoon masquerading as discharged military buddies on holiday are going in to break the kingpins' bloody stranglehold From bordellos and rebellious enclaves to the very pit of the Coliseum filled with deadly beasts Corporal Pasquin and Lance Corporals Claypoole and Dean face certain death with only their wits and skills as weapons But they're Marines built to survive

Starfist: Double Jeopardy David Sherman, Dan Cragg, 2010-10-26 It may be the twenty fifth

century but the Marines are still looking for a few good men The Confederation has finally disclosed the existence of Skinks fierce aliens bent on wiping out humankind While the rest of the universe grapples with the news the Skink savvy Marines of the Confederation s Thirty fourth Fleet Initial Strike Team FIST have their own worries they ve just learned they can t transfer out of the unit Who else has the skills to fight the Skinks on their home turf when the time comes Morale isn t improved by a report of Skinks on the uncolonized world of Ishtar which means that FIST must turn around and head right back into the jaws of hell with no downtime But none of that matters to Lieutenant Charlie Bass and the third platoon of Company L They re Marines they re the best and they ve got a job to do

Starfist: Wings of Hell David Sherman,Dan Cragg,2008-12-30 Planet Haulover has been invaded by Skinks Until now the aliens existence has been hushed up But Force Recon s shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction Meanwhile back home the Confederation s president is being denounced as a warmonger out to exterminate harmless aliens If she loses the upcoming elections the Confederation will have a lot more Skinks to worry about than the ones on Haulover Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns such as staying alive But what would be a suicide mission for most whether it s raiding a hidden Skinks base or destroying the enemy s most lethal weapons during a desperate firefight is just another job for the Thirty fourth FIST

Starfist: Force Recon: Pointblank David Sherman,Dan Cragg,2006-08-29 A bold new contingent Force Recon joins the explosive Starfist space epic of marines at war A Confederation army is besieged on the planet Ravenette cut off by and facing destruction at the hands of a dozen Secessionist Coalition worlds arrayed against it The outnumbered and outgunned forces cling precariously to their foothold dubbed Bataan by the desperate men in their fighting bunkers Reinforcements are on the way but will they arrive in time And even if they do can they match the well led highly motivated enemy determined to destroy them in battle But the Confederation commander holds a wild card an elite force armed only with what they carry on their backs and in their heads a small detachment of Marines who lightly go where others fear to tread the Fourth Force Recon Company For anyone else this mission would be suicide but for these Marines it s just another day in the maelstrom

Starfist: Force Recon: Backshot David Sherman,Dan Cragg,2005-07-26 An exciting new special ops adventure from the battle tested vets who created the popular Starfist series Jorge Lavager charismatic leader of the mysterious Union of Margelan ferociously guards an agricultural research facility on the planet Atlas What that facility conceals will prove whether Lavager is an idealist seeking to unify Atlas under a banner of freedom and prosperity or a tyrant aiming to control all of Human Space The Marines of Fourth Force Recon s second platoon are dispatched to Atlas to uncover the truth They will have to sneak past state of the art surveillance equipment barring unlawful entry to the planet and land in a desolate area miles from their target And if they discover lethal new weapons instead of legitimate research the thirty six Marines are to seize the compound guarded by merciless armed to the teeth soldiers and destroy it But what the recon team finds on

Atlas sets off a chain of events that will force some hard decisions on the Marines and end in a deadly surprise
