Ullrich, Berry Craig, 2018-02-12 When General E A Paine assumed command of the U S Army's District of Western Kentucky at Paducah in the summer of 1864 he faced a defiant populace a thriving black market and undisciplined troops plagued by low morale Guerrillas pillaged towns and murdered the vocal few that supported the Union Paine's task was to enforce discipline and mollify the secessionist majority in a 2 300 square mile district In less than two months he succeeded where others had failed For secessionists his tenure was a reign of terror for the Unionist minority a happy and jubilant time An abolitionist Paine encouraged the enlistment of black troops and fair wages for former slaves Yet his principled views led to his downfall Critics and enemies falsified reports leading to his removal from command and a court martial He was exonerated on all but one minor charge yet historians have perpetuated the Paine the monster myth This book tells the complete story **The Nostradamus Mission** Dan Berghoff, 2012-08-15 Nostradamus Descendant Pierre Damus discovers a global order conspiracy that has the human race on the precipice of World War III To save mankind he embarks on a mission to expose the sources behind a economic battle between two rival secret societies on a collision course with a U S military alien force whose beginnings are traced to a place in southern Nevada called Area 51
