

The background of the cover is a vibrant, magical forest scene at night. A full moon is visible in the upper center, surrounded by a soft glow. The sky is a deep blue, filled with numerous bright, multi-pointed stars. A large, ethereal rainbow arches across the upper half of the image. In the foreground, a white unicorn with a long, flowing mane and a single, multi-colored horn is depicted in profile, facing right. The unicorn's body is partially obscured by a bright, glowing aura. The overall atmosphere is dreamlike and enchanting.

Under Arms Rolf Boldrewood,2006 The quintessential bushranging adventure taleRobbery Under Arms has been an

Australian classic virtually since it first appeared in book form in 1888 and its continuing appeal and popularity has seen the tale frequently adapted for stage radio film and television However over this time the novel s text has changed considerably It lost some material in early editions and these omissions were never repaired It was later abridged by its author but the publisher botched the job And as with any much reprinted work thousands of small changes gradually crept into the text This Academy Edition is the first full scale critical edition of the novel and is particularly vital given the instability of the text It presents the original text including some 29 000 words cut from later editions It allows contemporary readers and scholars for the first time to appreciate how the special qualities of the novel were partially flattened over time and to know exactly what material was omitted
