The Trouble with Men Phil Powrie, Ann Davies, Bruce Babington, 2004 A collection of original essays focusing on masculinity and film particularly the representation of European masculinity Spilt into four sections stars class and race fathers and bodies areas covered include the Carmen films Yiddish cinema romantic comedy and beur cinema Armed Forces Robert Eberwein, 2007-06-13 In war films the portrayal of deep friendships between men is commonplace Given the sexually anxious nature of the American imagination such bonds are often interpreted as carrying a homoerotic subtext In Armed Forces Robert Eberwein argues that an expanded conception of masculinity and sexuality is necessary in order to understand more fully the intricacy of these intense and emotional human relationships Drawing on a range of examples from silent films such as *What Price Glory* and *Wings* to sound era works like *The Deer Hunter* *Platoon* *Three Kings* and *Pearl Harbor* he shows how close readings of war films particularly in relation to their cultural contexts demonstrate that depictions of heterosexual love including those in romantic triangles actually help to define and clarify the nonsexual nature of male love The book also explores the problematic aspects of masculinity and sexuality when threatened by wounds as in *The Best Years of Our Lives* and considers the complex and persistent analogy between weapons and the male body as in *Full Metal Jacket* and *Saving Private Ryan* **Don't Ask, Don't Tell** Aaron Belkin, Geoffrey Bateman, 2003 Conservatives and liberals agree that President Bill Clinton's effort to lift the military's gay ban was perhaps one of the greatest blunders of his tenure in office In this text experts of both persuasions come together to debate the critical aspects of the gays in the military issue *The Sound of Musicals* Steven Cohan, 2019-07-25 Despite having had its obituary written many times the movie musical remains a flourishing twenty first century form and as this volume demonstrates one that exists far beyond the confines of Broadway and Hollywood *The Sound of Musicals* examines the film stars issues and traditions of the genre from the 1930s to the present day Featuring sixteen original essays by leading international scholars this illuminating collection addresses the complex history and global variety of the movie musical and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world The contributors address key issues for understanding the movie musical questions of genre and generic traditions questions of history bringing fresh perspectives to a consideration of Classical Hollywood musicals and the musical beyond Hollywood looking at alternatives to the Hollywood model from the New Hollywood and American independent cinema to Bollywood and other national musical traditions Individual chapters consider key musical stars such as Frank Sinatra Julie Andrews and Barbra Streisand film makers including Robert Altman

and Christophe Honor and classic musicals such as *South Pacific* 1958 and *Hairspray* 1988 In his introduction to the volume Steven Cohan addresses the significance and enduring appeal of this multi faceted genre and considers its recent renaissance with movies such as the *High School Musical* franchise and the success of the television series *Glee*

Incongruous Entertainment Steven Cohan, 2005-10-20 A look at the camp cult appeal of MGM musicals of the 1940s and 50s to gay men today along with an historical analysis of the films production histories **Off Shore** Birgit Braasch, Claudia Müller, 2020 The book highlights facets of people s experiences since the 19th century with Atlantic space and the design of their stay on board ships The contributions range from the perspective of pleasure seeking tourists who used ships as a temporary luxurious homes to the perspective of military personnel who perceived the Atlantic Passage as a transition between homeland security and potentially dangerous professional operations the risks of sea voyages even on technically sophisticated ocean liners whose interiors and services often include grand hotels in the metropolises of the late 19th and 20th century were discreetly ignored by the passengers The charm of the Atlantic and the ship unthinkable in earlier times should not be decimated in any way
