Teaching Esl Writing:

Teaching ESL Writing Joy M. Reid, 1993 Written specifically for graduate students studying to become teachers of composition this text provides well documented specific information about planning curricula developing syllabi for each level of language proficiency in an ESL writing program and day to day lesson plans for all levels of ESL writing classes

Teaching ESL Composition Dana R. Ferris, John Hedgcock, John S. Hedgcock, 2004-09-15 Presents pedagogical approaches to the teaching of ESL composition in the framework of current theoretical perspectives on second language writing processes practises and writers

Teaching Academic ESL Writing Eli Hinkel, 2003-10-17 Teaching Academic ESL Writing Practical Techniques in Vocabulary and Grammar fills an important gap in teacher professional preparation by focusing on the grammatical and lexical features that are essential for all ESL writing teachers and student writers to know The fundamental assumption is that before students of English for academic purposes can begin to successfully produce academic writing they must have the foundations of language in place the language tools grammar and vocabulary they need to build a text This text offers a compendium of techniques for teaching writing grammar and lexis to second language learners that will help teachers effectively target specific problem areas of students writing Based on the findings of current research including a large scale study of close to 1 500 non native speakers essays this book works with several sets of simple rules that collectively can make a noticeable and important difference in the quality of ESL students writing The teaching strategies and techniques are based on a highly practical principle for efficiently and successfully maximizing learners language gains Part I provides the background for the text and a sample of course curriculum guidelines to meet the learning needs of second language teachers of writing and second language writers Parts II and III include the key elements of classroom teaching what to teach and why possible ways to teach the material in the classroom common errors found in student prose and ways to teach students to avoid them teaching activities and suggestions and questions for discussion in a teacher training course Appendices to chapters provide supplementary word and phrase lists collocations sentence chunks and diagrams that teachers can use as needed The book is designed as a text for courses that prepare teachers to work with post secondary EAP students and as a professional resource for teachers of students in EAP courses

Teaching ESL/EFL Reading and Writing I.S.P. Nation, 2008-10-15 Using a framework based on principles of teaching and learning this guide for teachers and teacher trainees provides a wealth of suggestions for helping learners at all levels of proficiency develop their reading and writing skills and fluency By following these suggestions which are organized around four strands meaning focused input meaning focused output language focused learning and fluency development teachers will be able to design and present a balanced program for their students Teaching ESL EFL Reading and Writing and its companion text Teaching ESL EFL Listening and Speaking are similar in format and the kinds of topics covered but do not need to be used together Drawing on research and theory in applied linguistics their focus is strongly hands on featuring easily applied principles a

large number of useful teaching techniques and guidelines for testing and monitoring All Certificate Diploma Masters and Doctoral courses for teachers of English as a second or foreign language include a teaching methods component The texts are designed for and have been field tested in such programs

Fifty Ways to Teach Writing Maggie Sokolik, 2016-05-18 Writing ought to be the easiest of the four skills for students of English as a Second or Foreign Language Unlike listening and reading the students control all the words Unlike speaking the students can go back check their work revise it and resubmit it It should then follow that writing would be one of the most popular courses to teach Yet teachers never say I can't wait till I get tenure so I can teach some of those composition classes of 35 students However writing classes also offer the opportunity to see growth to share important ideas and to develop a sense of community The tips in Fifty Ways to Teach Writing are chosen with that goal in mind to make it easier for students to succeed at becoming better writers and for instructors to enjoy the teaching of writing This book is divided into three categories which represent the stages of process writing a Pre writing and planning b Writing topics and strategies c Editing and revising The Fifty Ways to Teach series gives you a variety of drills games techniques methods and ideas to help your students master English Most of the ideas can be used for both beginning and advanced classes Many require little to no preparation or special materials The ideas can be used with any textbook or without a textbook at all These short practical guides aim to make your teaching life easier and your students' lives more rewarding and successful
