Teaching The Art Of Literature:

Teaching the Art of Literature Bruce E. Miller, 1980 Working on the assumptions that literature should be presented to students in ways that will help them to experience the literary work rather than merely to think about it and that the teaching of literature ought to grow out of the teacher's and student's reading of it this book is divided into two sections The first section describes the nature of literary experience and the kinds of approaches that different readers take to literature in order to attain that experience and the second section applies this background to the teaching of specific works Chapters in the first section examine literature as an event an object and a message what constitutes good reading and teaching methods that should be used to present literature aesthetically Specific works discussed in the second section include Keats's *Autumn* Cather's *Paul's Case* Twain's *Huckleberry Finn* and Shakespeare's *Othello* HOD Teaching Art with Books Kids Love Darcie Clark Frohardt, 1999 Easy to use art lessons with award winning books Literature-Based Teaching in the Content Areas Carole Cox, 2011-01-12 Forty classroom tested classroom ready literature based strategies for teaching in the K-8 content areas Grounded in theory and best practices research this practical text provides teachers with 40 strategies for using fiction and non-fiction trade books to teach in five key content areas language arts and reading social studies mathematics science and the arts Each strategy provides everything a teacher needs to get started a classroom example that models the strategy a research based rationale relevant content standards suggested books reader response questions and prompts assessment ideas examples of how to adapt the strategy for different grade levels K-2, 3-5 and 6-8 and ideas for differentiating instruction for English language learners and struggling students Throughout the book student work samples and classroom vignettes bring the content to life **The Teaching of Literature as a Form of Art Through Its Relations to Painting** Florence L.
