

Teachings Beyond **Religion**

The background of the slide is a photograph of a sunset or sunrise. A bright, glowing sun is positioned in the upper center, just below the title. Its light reflects off the surface of a body of water, creating a vertical, shimmering column of light that extends down to the bottom of the frame. The sky is a deep, dark blue, and the water is a dark, calm surface. The overall mood is serene and contemplative.

Teachings Beyond Religion Numa Jay Pillion, 2014-09-19 Death and reincarnation are the two most mysterious of the spiritual mysteries It is easy to reject the truth behind both of them After all when a person dies they stop breathing The big question becomes the following What happens at death What is its mystery Does a person cease to exist after their last breath has been taken Fear of death is what causes us to worship death We worship death when we put death on a pedestal and pay for expensive funerals dress the lifeless body in finery lay the lifeless body in a satin lined casket made of fine wood lower the casket into the ground and identify the location with an expensive gravestone Then we walk away to wait for the event to happen to us It is easy to believe that we do not live after death regardless of all that Holy Script teaches regardless of all that spiritual teachers have taught since the beginning of time When we see a loved one take their last breath we witness a fact There is no hidden meaning The loved one is gone We are left with emptiness and sometimes unbearable sorrow There are those who believe only what they can see Death is the end of life No amount of reasoning can convince them otherwise Reincarnation is the second most mysterious mystery If we live again why dont we remember This book is presented to provide enlightenment regarding these two mysterious mysteries Knowledge of the most sublime spiritual mysteries exists and some of the greatest esoteric teachings known to man are presented in this book for the readers enlightenment Those who have eyes to see let him see
