Falling For The Ice Queen Cynthia Eden, 2022-06-14 He's more than a little rough around the edges Memphis Camden isn't a nice guy He's big dangerous and has an extremely low tolerance for BS A former bounty hunter Memphis now has a deadly new target a serial killer Memphis has been tracking the guy for months and he may just have found the way to drag the monster into the light In order to accomplish his mission he's going to need help from an unlikely ally She's elegant poised and a beautiful society queen Eliza Robinson doesn't talk about her past She tried going to the cops long ago but they never caught the man responsible for her abduction and her powerful family made sure to bury every detail about that night Now she spends her days dodging the stiff guards her family keeps sending her way Until someone very unusual steps into her path He's not like the others He's fierce ruggedly sexy and more than a little uncivilized At first Eliza thinks that Memphis is a new bodyguard The attraction she feels for him is white hot stunning in its intensity and it completely disrupts her carefully ordered life But Memphis isn't suddenly close to her because he's on her parents payroll Memphis belongs to a group of cold case solvers called the Ice Breakers and for his latest mission He's hunting the man who once turned Eliza's world into a nightmare Memphis wants her help because she is the only one who ever escaped from the monster What Memphis doesn't know is that the monster has been stalking Eliza ever since she fled from him They are complete opposites The only rules that Memphis follows are the ones that he makes He hits life full force with no apologies Eliza is reserved careful in all that she does and always on her guard They shouldn't want each other so badly but they do Their attraction won't be denied and their sudden forced proximity just throws them closer to the edge of desire Eliza is determined to help Memphis and she'll take any risk to end the nightmare that has haunted her But with every moment that passes the danger deepens around her and soon Memphis realizes that closing the latest case isn't his top priority Protecting Eliza making sure that she's safe that is his only goal Because the refined and cautious Eliza may have just stolen his heart

Author's Note Memphis never loses his prey He's alpha to his core fierce and dedicated and when he falls oh but he will fall hard His latest cold case has taken him into Eliza's high society world The fierce attraction he feels for Eliza catches him off guard and all too soon he can't imagine his life without her in it But someone else has eyes on Eliza too Someone who has been watching her for a very long time A cold case is about to ignite and if they aren't careful Memphis and Eliza might just get caught in the blaze

International Milk Dealer, 1914 **Breaking the Ice: A Gay Hockey Romance** Sterling Rush, 2025-02-24 Finn Hockey has been my whole life and I've dedicated every waking moment to making it to the NHL But

lately I'm feeling burnt out and unsure if I'll ever reach my dream I need something no someone to shake things up Enter Ollie a quirky guy with glasses and a book in hand who seems completely out of place at the crowded college party where we meet I accidentally spill my drink on him and in my attempt to apologize I offer him my lucky hockey jacket Seeing him wear my jacket does something to me it makes me feel protective in a way I can't explain When I find out he's open to exploring his sexuality my heart races He only wants a casual fling but I'm up for the challenge I'm not letting this opportunity slip through my fingers Ollie I'm an introverted computer science major who sticks to the library avoiding the chaos of college social life I've always identified as straight but my charismatic and fiercely loyal cousin has always been out and proud which makes my journey to understanding my own feelings complicated Then Finn stumbles into my life all muscles and messy blond hair teasing me to give him a chance He's persistent and I'm curious I accept his challenge thinking it's just a bit of fun But the more time I spend with him the deeper I fall When Finn faces a career threatening injury everything changes I have to decide whether to risk it all for him or retreat back to my comfort zone *Breaking the Ice* is the first book in the *Frozen Hearts* series It combines the humor of a jock meets nerd romance with the emotional rollercoaster of discovering one's identity With laugh out loud moments dramatic tension and heartwarming scenes this story explores how love can bloom in the most unexpected places and how sometimes taking a chance on someone is the biggest game changer of all The *Frozen Hearts* series follows a close knit group of friends navigating love life and hockey in college each finding their way to a happily ever after
