The Hellion:

The Hellion's Secret Jess Michaels, 2024-11-19 Phineas Blanchard the Earl of Delacourt feels restless and he can't place why it's like there's some itch he can't scratch as he goes through the motions of his duties to his title and the dissipated pleasures he finds as a rake in hell all over London. Until that is he encounters a mysterious woman one night. One who bewitches and challenges him in ways that keep him dreaming of her. Imagine his surprise when he later realizes she is the infamous masked female boxing champion only known as The Hellion. Esme Crawford is the daughter of a marquess and ran from her life in Society when her father died under mysterious circumstances leaving her in grave danger. Becoming The Hellion was a way to survive and retake control of her existence. But now Finn is dancing around the edges of her deceptions and if she plays too close to his fire she will surely be revealed and possibly burned. Neither can stay away from the other and eventually Finn discovers both her true identity and the fact that she believes her father was murdered. Now a passionate affair rages between them and a treacherous investigation brings them closer and closer to a man more than willing to kill. Will they be able to overcome the scandal of their passion is one question. Will they survive is quite another. **The**

Hellion's Heart Claire Delacroix, Helena Emerson yearns for romance and adventure and dreams of wedding a duke for love. She knows she would never be able to endure a marriage with the serious Viscount of Addersley no matter how handsome he might be. Consumed with logic and good sense the man might as well be a statue. He does not even dance. She declines his offer much to the outrage of her family determined to wed happily or not at all. But Joshua Hargood, Seventh Viscount of Addersley is not the man Helena assumes him to be. He put aside his rakehell ways a decade before blaming himself for the accident that claimed his intended. He has however never been able to resist a dare if the reward was worthy and the challenge of undermining Helena's assumptions is tempting beyond all. He takes a disguise planning to be a rogue only for the lady he desires to wed convinced that this is the merit of his scandalous past. Helena is captivated by her mysterious suitor and soon pierces his disguise only to learn that the viscount lost his betrothed years before is his heart even available to claim. No sooner is Joshua convinced of success in his suit than his notorious brother believed dead at Waterloo returns to demand his due. Joshua knows that his embittered brother will only be satisfied when Addersley itself is destroyed along with Joshua's own happiness and prospects. Is he doomed to watch past tragedy repeat itself or can Joshua save both his legacy and his beloved Helena.
