The Heptadic Structure of Scripture, Etc R. MACCORMACK,1923 *The Numerical Structure of the Holy Bible*

Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study Learn the Bible in 24 Hours Chuck Missler,2011-11-28 For those who have tried

and failed to follow through on a plan to study the entire Bible Chuck Missler has the answer Learn the Bible in 24 Hours is an ideal study aid to help you grasp the big picture of Scripture Each chapter is designed for study in an hour or less and breaks the Bible into manageable portions so that you can get a better understanding of both the full story from Genesis to Revelation and the many different genres voices and stories that make up that Story Features include Sound fresh teaching on Scripture Historical and cultural insight into biblical passages Sidebars that highlight the primary concepts of the chapter Easy to follow Bible study layout Learn the Bible in 24 Hours is perfect for individuals and small groups alike The

Expositor ,1924 **The Dna of Scripture** Karl L. Dahlstrom,2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe *The Expository Times* James Hastings,Ann Wilson Hastings,Edward Hastings,1924
