**A Prime's Passion** Shiloh Walker, 2022-07-18 Eyes down little wolf In her world the strong were broken young or they didn't survive Eyes down little wolf Zee's father would say You aren't strong enough yet Zennia Day kept her eyes down and stayed quiet knowing that one day she'd escape When her chance comes she finds herself on a road that takes her far from Massachusetts all the way to North Carolina She has her eyes on the future until she meets Niko a dominant Therian male and future Prime When she looks at him instead of a challenge for dominance Zee sees a promise of forever Niko charmed her teased her and stole her heart Mere days later after making a public permanent claim he crushed that same heart in his fist tossing her aside in front of the entire world and casting her out of pack lands Ten years later she's an outcast living far from her own when she gets word her father is dying She can do nothing she was banned Violating Niko's order was to court punishment even if it was just to tell her father good bye Day is dying The blunt words almost had him on his knees until Niko realized his second in command wasn't talking about Zee but her father No Therian is ever left to die alone so Niko sent orders the Day family to come home Niko is unprepared for Zee's message I have no pack I have no home The words leave him shattered Realizing what he'd done in his rage Niko pushes harder for answers It doesn't take long to discover that what he'd heard a decade earlier had been based on lies Because of those lies he'd thrown away the love of his life Zee's been paying the price ever since Now he must mend a heart he'd broken and convince her to give him one more chance **The**

**Unclean Spirits** M.L.N. Hanover, 2008-12-02 In a world where magic walks and demons ride you can't always play by the rules Jayn Heller thinks of herself as a realist until she discovers reality isn't quite what she thought it was When her uncle Eric is murdered Jayn travels to Denver to settle his estate only to learn that it's all hers and vaster than she ever imagined And along with properties across the world and an inexhaustible fortune Eric left her a legacy of a different kind his unfinished business with a cabal of wizards known as the Invisible College Led by the ruthless Randolph Coin the Invisible College harnesses demon spirits for their own ends of power and domination Jayn finds it difficult to believe magic and demons can even exist let alone be responsible for the death of her uncle But Coin sees Eric's heir as a threat to be eliminated by any means magical or mundane so Jayn had better start believing in something to save her own life Aided in her mission by a group of unlikely companions Aubrey Eric's devastatingly attractive assistant Ex a former Jesuit with a lethal agenda Midian a two hundred year old man who claims to be under a curse from Randolph Coin himself and Chogyi Jake a self-styled Buddhist with mystical abilities Jayn finds that her new reality is not only unexpected but often unexplainable And if she hopes to survive she'll have to learn the new rules fast or break them completely **The Athenaeum**, 1909

Sarah is like any other woman with hopes and dreams until an accident takes away her husband but leaves her with a disability Trying to live life the best she can she picks up the pieces and start over Her existence becomes a little less mundane when two men enter her sights during different stages of her life One a man of mystery who waltzes in and out of her life but stays in her heart The second from fiction come reality who doesn't hide his feelings for her but could mean the death of her Both vastly different yet both predators and she is attracted to both However each of the men bring their own challenges into her life and to her beliefs If she survives those challenges whom will she choose as each in their own ways bring changes in degrees      **The Haunted House** Joan Williams, 1973      **The Haunted House...** HardPress, Thomas Hood, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      *The Piccolinis and the Haunted House* ,
