The Herod Conspiracy:

The Herod Conspiracy Rhodes, Russell L,1985 The Herods Bruce Chilton,2021 The Herods explores the Herodian rule from Herod the Great's father Antipater until the dynastic sunset with Berenik Herod's great granddaughter describing the theocratic aims that motivated Herod and his progeny and the groups and factions within Judaism and Christianity that often defined themselves in opposition to the Herodian project *Conspiracy Theories in the United States and the Middle East* Michael Butter,Maurus Reinkowski,2014-02-27 Conspiracy Theories in the United States and the Middle East is the first book to approach conspiracy theorizing from a decidedly comparative and interdisciplinary perspective Whereas previous studies have engaged with conspiracy theories within national frameworks only this collection of essays draws attention to the fact that conspiracist visions are transnational narratives that travel between and connect different cultures It focuses on the United States and the Middle East because these two regions of the world are entangled in manifold ways and conspiracy theories are currently extremely prominent in both The contributors to the volume are scholars of Middle Eastern Studies Anthropology History Political Science Cultural Studies and American Studies who approach the subject from a variety of different theories and methodologies However all of them share the fundamental assumption that conspiracy theories must not be dismissed out of hand or ridiculed Usually wrong and frequently dangerous they are nevertheless articulations of and distorted responses to needs and anxieties that must be taken seriously Focusing on individual case studies and displaying a high sensitivity for local conditions and the cultural environment the essays offer a nuanced image of the workings of conspiracy theories in the United States and the Middle East **Imagined Israel(s): Representations of the Jewish**

State in the Arts Rocco Giansante,Luna Goldberg,2023-02-27 The return of Jews to their ancestral land can be seen as an act of imagination A new country citizenship language and institutions needed to be imagined in order to be created The arts too have contributed to this act of envisioning and shaping the Jewish state By examining artistic representations of Israel Imagined Israel's Representations of the Jewish State in the Arts explores the ways in which the Israel imagined abroad and the one conjured within the country intersect offering a space for the co existence of sociopolitical cultural and ideological differences and tensions **The Harp of God: Proof Conclusive That Millions Now Living Will Never Die** J. F.

Rutherford,2022-05-28 In The Harp of God Proof Conclusive That Millions Now Living Will Never Die J F Rutherford presents a profound exploration of biblical prophecies and the promise of resurrection This theological treatise is characterized by its persuasive rhetoric and meticulous scriptural analysis drawing heavily on both the Old and New Testaments to construct a compelling case for the imminent transformation of human existence Rutherford weaves together historical context and exegetical insights positioning his arguments within the broader discourse of early 20th century religious thought notably Jehovah's Witnesses teachings while also challenging contemporary Christian doctrines on the afterlife J F Rutherford as a prominent leader and theologian of the Jehovah's Witnesses movement was profoundly influenced by early 20th century

eschatological expectations and the societal upheaval of his time notably World War I This charged atmosphere certainly shaped his views on death life and hope for the future His extensive involvement with the Watch Tower Society and his commitment to disseminating unorthodox interpretations of scripture reflect a deep seated desire to provide comfort and clarity to believers seeking answers in an uncertain world This book is a must read for those interested in eschatology biblical interpretation and the history of modern religious movements Whether you are a scholar a student of theology or simply curious about the distinctive beliefs of Jehovah s Witnesses Rutherford s insight and conviction will challenge your understanding and inspire deep reflection

Scarlett Kingsley, Giustina Monti, Tim Rood, 2023-01-26 In this volume an international group of scholars revisits the themes of John Marincola's ground breaking *Authority and Tradition in Ancient Historiography*. The key themes explored are the relation of historiography to myth and poetry the narrative authority exemplified by Herodotus the father of history the use of fictional literary devices in historiography narratorial self presentation and self conscious attempts to shape the historiographical tradition in new and bold ways.
