**Queering Agatha Christie** J.C Bernthal, 2016-09-02 This book is the first fully theorized queer reading of a Golden Age British crime writer Agatha Christie was the most commercially successful novelist of the twentieth century and her fiction remains popular She created such memorable characters as Hercule Poirot and Jane Marple and has become synonymous with a nostalgic conservative tradition of crime fiction J C Bernthal reads Christie through the lens of queer theory uncovering a playful alert and subversive social commentary After considering Christie's emergence in a commercial market hostile to her sex in *Queering Agatha Christie* Bernthal explores homophobic stereotypes gender performativity queer children and masquerade in key texts published between 1920 and 1952 Christie engaged with debates around human identity in a unique historical period affected by two world wars The final chapter considers twenty first century Poirot and Marple adaptations with visible LGBT characters and poses the question might the books be queerer

Prevail Jeff Pearce, 2014-11-18 It was the war that changed everything and yet it's been mostly forgotten in 1935 Italy invaded Ethiopia It dominated newspaper headlines and newsreels It inspired mass marches in Harlem a play on Broadway and independence movements in Africa As the British Navy sailed into the Mediterranean for a white knuckle showdown with Italian ships riots broke out in major cities all over the United States Italian planes dropped poison gas on Ethiopian troops bombed Red Cross hospitals and committed atrocities that were never deemed worthy of a war crimes tribunal But unlike the many other depressing tales of Africa that crowd book shelves this is a gripping thriller a rousing tale of real life heroism in which the Ethiopians come back from near destruction and win Tunnelling through archive records tracking down survivors still alive today and uncovering never before seen photos Jeff Pearce recreates a remarkable era and reveals astonishing new findings He shows how the British Foreign Office abandoned the Ethiopians to their fate while Franklin Roosevelt had an ambitious peace plan that could have changed the course of world history had Chamberlain not blocked him with his policy on Ethiopia And Pearce shows how modern propaganda techniques the post war African world and modern peace movements all were influenced by this crucial conflict a war in Africa that truly changed the world Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

*Prosthetic Arts of Moby-Dick* David Haven Blake,2024-12-13 The Prosthetic Arts of Moby Dick offers the first book length study of how physical disability shapes one of the world s most iconic novels Rather than see Ahab s lost limb as a deficiency however it explores the way that his prosthesis becomes both a means to power and a key figure for understanding the role that Islamic cultures play in the novel s plot and form      *The Echoes of a Conspiracy: Mysteries Unveiled* Pasquale De Marco,2025-04-23 In the labyrinthine depths of intrigue and deception The Echoes of a Conspiracy Mysteries Unveiled unravels the threads of a conspiracy that has captivated generations the assassination of President John F Kennedy This book delves into the murky world of mind control experiments implant technology and the hidden forces that manipulate our world Journey alongside our intrepid author as we embark on a quest to uncover the truth behind JFK s assassination Was Lee Harvey Oswald the alleged assassin a pawn in a sinister game of manipulation his mind ensnared by the insidious tendrils of mind control Or was he merely a scapegoat a convenient fall guy in a meticulously orchestrated plot This book delves into the

shadowy world of intelligence agencies secret societies and powerful elites exposing their hidden agendas and the lengths they will go to maintain their grip on power We will explore the role of media propaganda in shaping public perception dissecting the strategies of cover ups and obfuscation employed to conceal the truth The assassination of JFK was not an isolated incident It was a watershed moment that laid bare the fragility of our democratic institutions and the vulnerability of our society to manipulation and deception This book investigates other high profile assassinations scrutinizes the mysteries of UFO sightings and extraterrestrial encounters and delves into the dark side of government surveillance and espionage Conspiracy theories are not mere flights of fancy they are a reflection of the human psyche a manifestation of our fears anxieties and uncertainties We will delve into the psychology of conspiracy theories exploring the motivations and thought patterns of those who embrace them We will examine the role of fear anxiety and authority in shaping conspiracy beliefs and the impact of confirmation bias and selective perception In the digital age the proliferation of conspiracy theories has created a landscape of misinformation and disinformation This book analyzes the techniques of misinformation campaigns the role of fake news and deepfakes and the impact of social media algorithms and filter bubbles in shaping public opinion The Echoes of a Conspiracy Mysteries Unveiled is a journey into the heart of darkness a quest to expose the hidden forces that manipulate our world It is a call to arms urging us to embrace critical thinking to question authority and to demand transparency and accountability from those in power Together we will embark on a relentless pursuit of truth seeking to illuminate the shadows and reclaim our collective faith in a world where facts prevail over fiction If you like this book write a review on google books

*The Spectre of Comparisons* Benedict Anderson,1998-09-17 The Spectre of Comparisons contains important theoretical and historical considerations about the nature of nationalism the prospects for the Left in the so called New World Disorder

*Prosthesis in Medieval and Early Modern Culture* Chloe Porter,Katie L. Walter,Margaret Healy,2018-12-07 Prosthesis denotes a rhetorical addition to a pre existing beginning a replacement for that which is defective or absent a technological mode of correction that reveals a history of corporeal and psychic discontent Recent scholarship has given weight to these multiple meanings of prosthesis as tools of analysis for literary and cultural criticism The study of pre modern prosthesis however often registers as an absence in contemporary critical discourse This collection seeks to redress this omission reconsidering the history of prosthesis and its implications for contemporary critical responses to and uses of it The book demonstrates the significance of notions of prosthesis in medieval and early modern theological debate Reformation controversy and medical discourse and practice It also tracks its importance for imaginings of community and of the relationship of self and other as performed on the stage expressed in poetry charms exemplary and devotional literature and as fought over in the documents of religious and cultural change Interdisciplinary in nature the book engages with contemporary critical and cultural theory and philosophy genre theory literary history disability studies and medical humanities establishing prosthesis as a richly productive analytical tool in the pre modern as well as the modern
