Adams,1995-12-01 In 1990 The Sexual Politics of Meat was published In just a few years the book became an underground classic Neither Man Nor Beast takes Adams thought one step further It represents her collected reflections on animal rights vegetarianism and ecofeminism from the often difficult to locate sources in which many originally appeared and includes two important and completely new chapters More than a book of theory Neither Man Nor Beast is an enlightened call to action Topics covered include animal experimentation and patriarchal culture abortion rights and animal rights responding to racism in a human centered world ecofeminism and the eating of animals the need to integrate feminism animal defense and environmentalism the interconnected abuse of women children and animals institutional violence feminist ethics and vegetarianism a beastly theology the place of animals in God s universe *Rethinking Feminist Ethics* Daryl Koehn,2012-10-12 The question of whether there can be a distinctively female ethics is one of the most important and controversial debates in gender studies philosophy and psychology today Rethinking Feminist Ethics Care Trust and Empathy marks a bold intervention in these debates and bridges the ground between women theorists disenchanted with aspects of traditional ethics and traditional theories that insist upon the need for some ethical principles The Feminist Bookstore Movement Kristen Hogan,2016-03-10 From the 1970s through the 1990s more than one hundred feminist bookstores built a transnational network that helped shape some of feminism s most complex conversations Kristen Hogan traces the feminist bookstore movement s rise and eventual fall restoring its radical work to public feminist memory The bookwomen at the heart of this story mostly lesbians and including women of color measured their success not by profit but by developing theories and practices of lesbian antiracism and feminist accountability At bookstores like BookWoman in Austin the Toronto Women s Bookstore and Old Wives Tales in San Francisco and in the essential Feminist Bookstore News bookwomen changed people s lives and the world In retelling their stories Hogan not only shares the movement s tools with contemporary queer antiracist feminist activists and theorists she gives us a vocabulary strategy and legacy for thinking through today s feminisms

Fictional Feminism Kim A. Loudermilk,2013-08-21 This book focuses on the ways in which second wave feminism has been represented in American popular culture and on the effects that these representations have had on feminism as a political movement Kim Loudermilk provides close readings of four best selling novels and their film adaptations According to Loudermilk each of these novels contains explicitly feminist characters and themes yet each presents a curiously ambivalent picture of feminism these texts at once take feminism seriously and subtly undercut its most central tenets This book argues that these texts create a kind of fictional feminism that recuperates feminism s radical potential thereby lessening the threat it presents to the status quo Reading Literature by U.S. Third World Women Akasha Gloria Hull,Gloria T.
