Sins Of Appu's Mother The:

The Sins of Appu's Mother Ti Jānakirāman, 1972 Novel Choice and Morality in Anthropological Perspective George N. Appell, Triloki N. Madan, 1988-07-08 This book explores choice behavior as constrained by culture biology and psychoanalytic processes in a variety of ethnographic contexts in Southeast Asia Oceania and Africa the arena in which the controversy between Derek Freeman and anthropologist Margaret Mead's ideas of culture first developed It also examines the interface between a nomothetic anthropology and a hermeneutic idiographic anthropology raising the critical question as to how ethnographic knowledge of another culture is achieved and transmitted to others Freeman rejects an exclusive reliance on either culture or biology as key to explaining human behavior proposing instead an interactionist paradigm Fundamental to this paradigm is choice behavior which is intrinsic to our biology and basic to the formation of culture for cultures are the accumulation of socially sanctioned past choices However the greater the freedom to choose the greater the scope for good or bad and the greater the need for ethics rules and laws for defining prohibited alternatives Choice and Morality investigates these themes Its authors examine the emergent nature of social reality as a result of choice behavior and illustrate the complexity of Freeman's theoretical position **Handbook of Twentieth-Century Literatures of India**

Nalini Natarajan, 1996-09-09 India has a rich literary assemblage produced by its many different regional traditions religious faiths ethnic subcultures and linguistic groups The published literature of the 20th century is a particularly interesting subject and is the focus of this book as it represents the provocative conjuncture of the transitions of Indian modernity This reference book surveys the major regional literatures of contemporary India in the context of the country's diversity and heterogeneity Chapters are devoted to particular regions and the arrangement of the work invites comparisons of literary traditions Chapters provide extensive bibliographies of primary works thus documenting the creative achievement of numerous contemporary Indian authors Some chapters cite secondary works as well and the volume concludes with a list of general works providing further information An introductory essay overviews theoretical concerns ideological and aesthetic considerations developments in various genres and the history of publishing in regional literatures The introduction provides a context for approaching the chapters that follow each of which is devoted to the literature of a particular region Each chapter begins with a concise introductory section The body of each chapter is structured according to social and historical events literary forms or broad descriptive or analytic trends depending on the particular subject matter Each chapter then closes with an extensive bibliography of primary works thus documenting the rich literary tradition of the region Some chapters also cite secondary sources as an aid to the reader The final chapters of the book address special topics such as sub cultural literatures or the interplay between literature and film A list of additional sources of general information concludes the volume **Lexicon of Tamil Literature** K.V.
