This work is distinguished by its meticulous scholarship employing a narrative style that seamlessly intertwines personal stories with broader historical events. Wiernik contextualizes the evolving role of Jews in American society, highlighting the diverse cultural, religious, and socio-political influences that shaped their experiences. The book stands as a significant contribution to American history and Jewish studies, offering insights into the challenges and triumphs of Jewish immigrants and their descendants within a dynamic and often tumultuous national narrative. Peter Wiernik, a noted historian and writer of Polish descent, brings a unique perspective to this subject, enriched by his own family's immigrant story and commitment to documenting Jewish heritage. His work reflects a deep understanding of the complexities surrounding Jewish identity in America, informed by both historical research and a personal connection to the narrative. Wiernik's passion for chronicling the Jewish experience stems from a broader goal to foster understanding and appreciation of cultural diversity in the American landscape. This book is highly recommended for anyone seeking a deeper understanding of not only Jewish history but the larger narrative of the American experience itself. Wiernik's engaging prose and insightful analysis make this an essential read for historians, students, and general readers alike, as it illuminates the pivotal roles Jews have played in shaping the cultural fabric of the United States. History of the Jews in America Peter Wiernik, 1912 *Rachel Calof's Story* Rachel Calof, 1995-09-22 Calof's story has the electricity one occasionally finds in primary sources. It is powerful, shocking, and primitive with the kind of appeal primary sources often attain without effort. It is a strong addition to the literature of women's experience on the frontier. Lillian Schlissel In 1894, eighteen-year-old Rachel Bella Kahn travelled from Russia to the United States for an arranged marriage to Abraham Calof, an immigrant homesteader in North Dakota. *Rachel Calof's Story* combines her memoir of a hard pioneering life on the prairie with scholarly essays that provide historical and cultural background and show her narrative to be both unique and a representative western tale. Her narrative is riveting and candid, laced with humor and irony. The memoir, written by Rachel Bella Calof in 1936, recounts aspects of her childhood and teenage years in a Jewish community, shtetl in Russia, but focuses largely on her life between 1894 and 1904 when she and her husband carved out a life as homesteaders. She recalls her horror at the hardships of pioneer life, especially the crowding of many family members into the 12 x 14 dirt-floored shanties that were their first dwellings. Of all the privations I knew as a homesteader, says Calof, the lack of privacy was the hardest to bear. Money, food, and fuel were scarce, and during bitter winters, three Calof households, Abraham and Rachel with their growing children along with his parents and a brother's family, would pool resources and live together with livestock in one shanty. Under harsh and primitive conditions, Rachel Bella Calof bore and raised nine children. The family withstood many dangers, including

hailstorms that hammered wheat to the ground and flooded their home droughts that reduced crops to dust blinding snowstorms of plains winters Through it all however Calof drew on a humor and resolve that is everywhere apparent in her narrative Always striving to improve her living conditions she made lamps from dried mud scraps of rag and butter plastered the cracked wood walls of her home with clay supplemented meagre supplies with prairie forage wild mushrooms and garlic for a special supper dry grass for a hot fire to bake bread Never sentimental Calof's memoir is a vital historical and personal record J Sanford Rikoon elaborates on the history of Jewish settlement in the rural heartland and the great tide of immigration from the Russian Pale of Settlement and Eastern Europe from 1880 1910 Elizabeth Jameson examines how Calof writes from the interior spaces of private life and from that vantage point reconfigures more familiar versions of the American West Jameson also discusses how the Calofs adapted Jewish practices to the new contingencies of North Dakota maintaining customs that represented the core of their Jewish identity reconstructing their Jewishness in new circumstances
