Iles, 1998-06-01 Ask the Grey Sisters Sault Ste Marie and the General Hospital 1898 1998 tells the story of the creation and one hundred year history of the Sault Ste Marie General Hospital At a time when Canada s healthcare system is at a crossroads and we are asked to make crucial decisions for its future it is intriguing and enlightening to look at the colourful past of a typical community hospital Throughout the 1890s Sault Ste Marie was a town in search of a hospital Its glory days at the centre of the fur trade route were long gone and the Sault was in the process of becoming a modern industrial community Such a community needed a hospital as a centrepiece to attract investors and as a necessary social institution to care for the hundreds of workers who were flocking to town without family support The General Hospital was established in 1898 after the town committee charged with developing a hospital had been refused funding by both the federal and provincial governments In desperation the committee met with the provincial Inspector of Asylums and Prisons the only provincial

official with hospitals in his mandate If you wish a hospital of which the work is serious and lasting he is reported to have advised them ask the Grey Sisters And so began a fruitful association between the community of Sault Ste Marie and two orders of Grey Sisters who have operated the hospital through its one hundred year history Based in part on the extensive archival collections of both orders of nuns this history includes material from the sisters Chronicles and their personal reminiscences The result is an intimate and detailed portrait of a community hospital placed in the context of an emerging provincial system of health care

The New Orleans Sisters of the Holy Family Edward T. Brett, 2012-04-15 The Sisters of the Holy Family founded in New Orleans in 1842 were the first African American Catholics to serve as missionaries This story of their little known missionary efforts in Belize from 1898 to 2008 builds upon their already distinguished work through the Archdiocese of New Orleans of teaching slaves and free people of color caring for orphans and the elderly and tending to the poor and needy Utilizing previously unpublished archival documents along with extensive personal correspondence and interviews Edward T Brett has produced a fascinating account of the 110 year mission of the Sisters of the Holy Family to the Garifuna people of Belize Brett discusses the foundation and growth of the struggling order in New Orleans up to the sisters decision in 1898 to accept a teaching commitment in the Stann Creek District of what was then British Honduras The early history of the British Honduras mission concentrates especially on Mother Austin Jones the superior responsible for expanding the order s work into the mission field In examining the Belizean mission from the eve of the Second Vatican Council through the post Vatican II years Brett sensitively chronicles the sisters efforts to conform to the spirit of the council and describes the creative innovations that the Holy Family community introduced into the Belizean educational system In the final chapter he looks at the congregation s efforts to sustain its missionary work in the face of the shortage of new religious vocations Brett s study is more than just a chronicle of the Holy Family Sisters accomplishments in Belize He treats the issues of racism and gender discrimination that the African American congregation encountered both within the church and in society demonstrating how the sisters survived and even thrived by learning how to skillfully negotiate with the white dominant power structure

So You Think You'Re American Iriowen Thea Ojo, 2014-07-22 Ekina was made in America with African parts but unfortunately this has never made him indestructible

Precocious at ten years old Ekina knows that physical strength won't help him fend off his overbearing parents, cruel teachers and one-sided romance. It won't help him save his baby sister from their traditionally misogynist father or protect his little brother from their mother's expectations either, although it might've helped him master an adagio if he hadn't quit ballet class. Nigerian boys don't wear pointe shoes and anyway, who does he think he is? An American. So You Think You're American is a novel about growing up in that world between foreign and native cultures. Poignant, funny and sometimes hopelessly heartbreaking, So You Think You're American will evoke profound emotions, tears or laughter in even the most stoic of readers.

Alexa Parker and Braden Elliott fell in love when they were twelve years old. On a summer day while searching for sea glass on the beaches of Washington State, they discovered an unusually shaped bottle. The ever imaginative Alexa declared it a genie's bottle. Popping the cork, they were surprised by a rogue wave that sprayed them with a fine, cool mist. Closing their eyes, they each made a wish. Before their love had a chance to grow, life, family and tragedy separated the two best friends. Now fifteen years later, Alexa returns to Sand Harbor after her aunt is injured in a mysterious break-in at her antique store. Braden is also back, but he's not the innocent boy Alexa remembers. His military service has left him with physical and emotional scars. Can the sweet love of youth be recaptured by two now cynical souls? Can solving the mystery of the past bring them to a new future? Or will it take a wish, maybe two? When Wishes Collide In a moment of desperation, two strangers make a wish only to discover that sometimes a wish can take you down an unexpected path.
