

A photograph of two young women lying on their backs on grass, laughing heartily. The image is decorated with large, semi-transparent orange circles and clusters of colorful confetti (orange, yellow, and teal) in the top-left and bottom-right corners. A thin teal line curves across the bottom right. The text is written in a white, cursive script in the center.

*"Sisters are like guardian
angels, always watching
over each other with love
and care."*

Disorderly Sisters Leila Silvana May,2001

Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at

the core of nineteenth century domestic ideology is the figure of the sister BOOK JACKET *Technologies of Intuition*
Mentoring Artists for Women's Art, DisplayCult (Group of artists), 2006 The term intuition while commonly used by artists has been somewhat marginalized within art theory and criticism Whether sensed as a gut feeling or a flash of insight intuition is central to processes of coming to know in aesthetic practice and experience Many artists habitually rely on extra rational means of understanding either in the form of everyday instinct or uncanny cognition A delicate balance though exists between clairvoyance and fantasy foreknowledge and wishful thinking Technologies of Intuition demonstrates how artistic sensitivity requires disciplined and cultivated perception Set in continuity with the compelling history of the Spiritualist Movement and emancipatory feminism this anthology elucidates intuitive agency as a psychic somatic and social technology in the fine arts and popular culture **Mother Teresa's General Letters to Her Sisters** Kolodiejchuk MC
Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through

the little miracles of His love in one s daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God **Isabel's Secret, Or, A Sister's Love** ,1871
