

Sisters Photographic Portraits An Exhibition

Clemens Wendtner

Sisters Photographic Portraits An Exhibition:

Sisters Birgitta Ralston,1989 **The Photographic Times** ,1913 *The Gender of Photography* Nicole Hudgins,2020-09-02 It would be unthinkable now to omit early female pioneers from any survey of photography s history in the Western world Yet for many years the gendered language of American British and French photographic literature made it appear that women s interactions with early photography did not count as significant contributions Using French and English photo journals cartoons art criticism novels and early career guides aimed at women this volume will show why and how early photographic clubs journals exhibitions and studios insisted on masculine values and authority and how Victorian women engaged with photography despite that dominant trend Focusing on the period before 1890 when women were yet to develop the self assurance that would lead to broader recognition of the value of their work this study probes the mechanisms by which exclusion took place and explores how women practiced photography anyway both as amateurs and professionals Challenging the marginalization of women s work in the early history of photography this is essential reading for students and scholars of photography history and gender studies **List of photographs of national historical portraits. Exhibitions of 1867 and 1868 [held at the South Kensington museum].** Arundel society,1868 **The Art of the Sister Chapel** Andrew Hottle,2017-07-05 The Sister Chapel 1974 78 was an important collaborative installation that materialized at the height of the women s art movement Conceived as a nonhierarchical secular commemoration of female role models The Sister Chapel consisted of an eighteen foot abstract ceiling that hung above a circular arrangement of eleven monumental canvases each depicting the standing figure of a heroic woman The choice of subject was left entirely to the creator of each work As a result the paintings formed a visually cohesive group without compromising the individuality of the artists Contemporary and historical women deities and conceptual figures were portrayed by distinguished New York painters Alice Neel May Stevens and Sylvia Sleigh as well as their accomplished but less prominent colleagues Among the role models depicted were Artemisia Gentileschi Frida Kahlo Betty Friedan Joan of Arc and a female incarnation of God Although last exhibited in 1980 The Sister Chapel has lingered in the minds of art historians who continue to note its significance as an exemplar of feminist collaboration Based on previously unpublished archival materials and featuring dozens of rarely seen works of art this comprehensive study details the fascinating history of The Sister Chapel its constituent paintings and its ambitious creators *Clarence H. White and His World* Anne McCauley,2017-01-01 Restoring a gifted art photographer to his place in the American canon and in the process reshaping and expanding our understanding of early 20th century American photography Clarence H White 1871 1925 was one of the most influential art photographers and teachers of the early 20th century and a founding member of the Photo Secession This beautiful publication offers a new appraisal of White s contributions including his groundbreaking aesthetic experiments his commitment to the ideals of American socialism and his embrace of the expanding fields of photographic book and fashion illustration celebrity

portraiture and advertising Based on extensive archival research the book challenges the idea of an abrupt rupture between prewar soft focus idealizing photography and postwar modernism to paint a more nuanced picture of American culture in the Progressive era Clarence H White and His World begins with the artist's early work in Ohio which shares with the nascent Arts and Crafts movement the advocacy of hand production closeness to nature and the simple life White's involvement with the Photo Secession and his move to New York in 1906 mark a shift in his production as it grew to encompass commercial portraiture and an increasing commitment to teaching which ultimately led him to establish the first institutions in America to combine instruction in both technical and aesthetic aspects of photography The book also incorporates new formal and scientific analysis of White's work and techniques a complete exhibition record and many unpublished illustrations of the moody outdoor scenes and quiet images of domestic life for which he was revered *The Allen Sisters* Suzanne L.

Flynt, 2002 Although the Allen sisters were once praised as being among The Foremost Women Photographers in America few people today have seen their photographs Based largely on new or long unseen material this biography is accompanied by 100 tritone plates and 40 duotone images BOOK JACKET Lewis Carroll Lindsay Smith, 2015-10-15 Though he's known now primarily as the author of Alice's Adventures in Wonderland in his lifetime Lewis Carroll was interested at least as much in photography as in writing This book offers a close look at Carroll's engagement with the medium both as a creator and a collector of photographs Lindsay Smith takes readers to the glass studio above Carroll's college rooms at Oxford where he created many of his striking portraits and she also follows him into the field on excursions to the theater in London to the seaside at Eastbourne and even to Russia Smith also details Carroll's enthusiastic work as a collector in which role he arranged portrait sittings for photographers whose work he admired Beautifully illustrated with a generous selection of Carroll's work and that of other photographers of the period this book gives fans of Carroll's writing a new way to understand his creative genius **Brett: A portrait of Brett Whiteley by his sister** Frannie Hopkirk, 2013-02-01 Brett

was the sweetest funniest cleverest man I've ever known my confidant and best friend He had a rare radiance an inner certainty which was compelling and hugely attractive Frannie Hopkirk knew Brett Whiteley all his life He was her brother Here for the first time one of those closest to Brett presents a vivid and movingly personal insight into his life and work Throughout their lives despite the sometimes vast geographical distances that separated them brother and sister maintained a strong spiritual connection an unbreakable bond This brave often painfully honest but loving portrait could only have been written by someone who Brett knew and trusted implicitly They were born two years and one week apart into an average to extraordinary middle class family Brett was a streetwise larrikin from the very beginning both a leader and a loner spending hours drawing the harbour from his bedroom window in their Longueville home or plotting all kinds of mischief for his gang Frannie adored her brother and was a willing participant in his chaotic adventures At the time Brett was awarded his travelling art scholarship and left for Europe Frannie married and moved to New Zealand Five years later Frannie was the

mother of five and Brett had stepped into the international art scene Staying with Brett and Wendy in New York Frannie had her first taste of the rock n roll generation that held such fascination for Brett and her writing captures the essence of the hip 60s The lives of brother and sister seemed to run on parallel lines and often intersected When the Whiteleys returned to Australia in the 70s Frannie was part of the Lavender Bay scene Throughout Brett s life Frannie watched and celebrated his success as well as sharing his disappointments She also experienced her own joys and tragedies as the mother of a large family in New Zealand then living with her lover in London eventually moving back to Sydney and then to the Central West of NSW a landscape familiar to her and Brett from boarding school This is her story too For Brett Whiteley art and life were intertwined Frannie examines the relationship between her brother s life and art as she discusses Brett s major works and some lesser known paintings and drawings She knew the young man who dreamed of fame as an artist while he sketched the ferries ploughing across Sydney Harbour She understood when he painted The American Dream as a response to the toxic influence of American culture and violence and she shared his devotion and connection to works such as Alchemy During the last years of his life Brett relied on Frannie and she became his closest friend As his addiction to heroin deepened and ultimately controlled him she offered him unconditional love Her compassion and understanding set this book apart as a unique and moving account of the life of one of Australia s greatest artists **Academy Notes** Buffalo Fine Arts

Academy,1905 Portrait of a Sister Laura Bradford,2018-06-26 Changes within her family force an artistic Amish girl to reconsider her path in life in this coming of age tale by the author of Her New Story Katie Beiler has always imagined her life being just like Mamm s It s why she chose baptism and why she ll soon marry Abram Zook But ever since her twin sister Hannah left for an English life the only thing that truly makes Katie smile is her sketchpad In it she indulges her talent for drawing faces a sin that if discovered could get her shunned by her family her friends and even Abram Yet Katie sees her secret pastime as the only way to quiet a growing restlessness she d just as soon ignore That is until their Mamm s untimely death brings Hannah back home to Pennsylvania with a new outlook on life a man she adores and soon an invitation for Katie to visit her in New York City Suddenly Katie is experiencing a freedom she s never had in a world she never imagined She s also spending time in the company of a fellow dreamer someone who sees her as strong and brave and makes her laugh But it s when Hannah shows Katie s drawings to a gallery owner that she truly finds herself at a crossroads between the only life she s ever known and the powerful lure of an unfamiliar future A charming well told story of love and devotion between sisters New York Times bestselling author Rachel Hauck Kudos to Bradford for a complex and compelling story about faith family and love Sally Kilpatrick author of Bless Her Heart **William Eggleston Portraits** Phillip Prodger,2016-01-01 The American photographer William Eggleston is best known for capturing everyday suburban life in his hometown of Memphis Tennessee and for his pioneering use of colour This book which accompanies the first exhibition entirely devoted tp Eggleston s portraiture features a variety of images of the people he has encountered during his long career Back cover

Histories of Exhibition Design in the Museum Kate Guy, Hajra Williams, Claire Wintle, 2023-11-30 Histories of Exhibition Design in the Museum Makers Process and Practice offers a new model for understanding exhibition design in museums as a human and material process It presents diverse case studies from around the world from the nineteenth century to the recent past It moves beyond the power of the finished exhibition over both objects and visitors to highlight historic exhibition making as an ongoing task of adaptation experimentation and interaction that involves intellectual creative and technical choices Attentive to hierarchies of ethnicity race class gender sexuality and ableism that have informed exhibition design and its histories the volume highlights the labour involved in making museum exhibitions It presents design as filled with personal and professional demands on the body senses and emotions Contributions from historians anthropologists and exhibition makers focus on histories of identity collaboration and hierarchy behind the scenes of the museum They argue for an emphasis on the everyday objects of museum design and the importance of a diverse range of actors within and beyond the museum from carpenters and label writers to volunteers and local communities Histories of Exhibition Design in the Museum offers scholars students and professionals working across the museum and design sectors insight into how past methods still influence museums today Through a postcolonial and decolonial lens it reveals the lineage of current processes and supports a more informed contemporary practice

The Nightcrawler King William Fagaly, 2020-12-21 While growing up in rural Indiana during World War II William Fagaly began his first venture collecting and selling earthworms to locals from which he was christened with a childhood moniker The Nightcrawler King Memoirs of an Art Museum Curator is a narrative of Fagaly's life told in two parts first his childhood experiences and second his transformation into an adult art museum curator and administrator in Louisiana With a career that coincided with the dramatic growth of museums in the United States Fagaly adds a unique perspective to New Orleans history which highlights Louisiana history and establishes how it resonates around the nation and world Offering a rare and revealing inside look at how the art world works Fagaly documents his fifty years of experience of work unusually spent at a single institution the New Orleans Museum of Art During this past half century he played an active role in the discovery and appreciation of new areas of art particularly African self taught and avant garde contemporary He organized numerous significant art exhibitions that traveled to museums across the country and authored the accompanying catalogs Fagaly's cherished memories and the wonderful people who have touched his life are showcased in this memoir friends family university professors museum colleagues art historians visual artists musicians art dealers art collectors patrons and partners even his cats
