Sisters Wonderful Sisters:

My Beautiful Sisters Khalida Popal, 2025-05-27 Argo meets The Bookseller of Kabul in this incredible memoir from the Afghan women's soccer pioneer turned activist and feminist icon who has helped save more than 350 female soccer players from the dangerous rule of the Taliban. Riveting, heart-wrenching and incredibly important, an inspirational story for girls and women everywhere. MALALA YOUSAFZAI Nobel Peace Prize laureate. A story of survival, sisterhood and the fight for feminism in the age of the Taliban. In August 2021, Kabul fell under the control of the Taliban, a militant political and fundamentalist religious faction. For Khalida Popal, it signaled the beginning of the most important battle of an already extraordinary young life: to get female soccer players out of a city where they faced an imminent threat of execution simply for playing sports. Khalida first began playing soccer in a refugee camp in Pakistan after her parents fled Taliban rule. Returning to Afghanistan, she fell deeper in love with the freedom and comradeship soccer provides. As co-founder and first captain of the Afghan women's soccer team, Khalida began using sports to empower young women and was subjected to intensifying death threats in return. Hounded out of her own country, she continued to support the Afghan women's team, founding the organization Girl Power and exposing widespread sexual abuse of players. From her new home in Denmark, she watched Kabul fall and immediately knew the risk to the players still there. Assembling a small but mighty network of international allies, she began evacuating women whose lives were at risk simply for loving the sport she had done so much to promote. Her teammates, her sisters. *My Beautiful Sisters* is a gripping, important memoir and a compulsively readable one, a harrowing yet ultimately heartening story of survival and sisterhood. *Mother Teresa's General Letters to Her Sisters* Kolodiejchuk MC Brian, 2024-06-21. *Mother Teresa's General Letters to Her Sisters* is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity. Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care, and at other times more like a commander in chief exhibiting an iron will, and

uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God

Sisters in Hate Seyward Darby, 2020-07-21 WITH A NEW FOREWARD Journalist Seyward Darby's masterfully reported and incisive Nell Irvin Painter expos pulls back the curtain on modern racial and political extremism in America telling the eye opening and unforgettable Ibram X Kendi account of three women immersed in the white nationalist movement After the election of Donald J Trump journalist Seyward Darby went looking for the women of the so called alt right really just white nationalism with a new label The mainstream media depicted the alt right as a bastion of angry white men but was it As women headlined resistance to the Trump administration's bigotry and sexism most notably at the Women's Marches Darby wanted to know why others were joining a movement espousing racism and anti feminism Who were these women and what did their activism reveal about America's past present and future Darby researched dozens of women across the country before settling on three Corinna Olsen Ayla Stewart and Lana Lokteff Each was born in 1979 and became a white nationalist in the post 9 11 era Their respective stories of radicalization upend much of what we assume about women politics and political extremism Corinna a professional embalmer who was once a body builder found community in white nationalism before it was the alt right while she was grieving the death of her brother and the end of her marriage For Corinna hate was more than just

personal animus it could also bring people together Eventually she decided to leave the movement and served as an informant for the FBI Ayla a devoutly Christian mother of six underwent a personal transformation from self professed feminist to far right online personality Her identification with the burgeoning tradwife movement reveals how white nationalism traffics in society's preferred retrograde ways of seeing women Lana who runs a right wing media company with her husband enjoys greater fame and notoriety than many of her sisters in hate Her work disseminating and monetizing far right dogma is a testament to the power of disinformation With acute psychological insight and eye opening reporting Darby steps inside the contemporary hate movement and draws connections to precursors like the Ku Klux Klan Far more than mere helpmeets women like Corinna Ayla and Lana have been sustaining features of white nationalism Sisters in Hate shows how the work women do to normalize and propagate racist extremism has consequences well beyond the hate movement

Sister of Notre Dame, 1920 Performing the Faith Stanley Hauerwas, 2015-03-11 Folksy eclectic disarmingly humble and
 astonishingly wide ranging Hauerwas offers us a provocative reading of Bonhoeffer that not surprisingly assimilates him
 closely to John Howard Yoder At the same time Hauerwas replies to recent criticisms of his work by Jeffrey Stout Contending
 that truth depends on performance far more than on theory Hauerwas steps forward as a pacifist gadfly for a more truly
 faithful church and a more recognizably democratic society George Hunsinger Princeton Theological Seminary This book
 shows how lively and fecund Hauerwas's thought remains A dazzling performance capable of entertaining and instructing
 professional theologians as much as those who think the world might be a better place without theologians in it Paul J
 Griffiths University of Illinois at Chicago Stan Hauerwas has done it again He is able skillfully to blend into his book the
 passion for truth and justice of two of his greatest influences Dietrich Bonhoeffer and John Howard Yoder He takes these
 heroic advocates for peace into his own present day struggle for the soul of the American nation Hauerwas an admirable
 Christian pacifist himself dares Christians to be the Jesus people they claim to be and to follow Jesus into the gospel path of
 nonviolence Geoffrey B Kelly author of Liberating Faith Bonhoeffer's Message for Today Never totally predictable Always a
 fresh perspective And yet once again in these essays on narrative politics Bonhoeffer and the church we hear the engaging
 discerning and brilliant voice we have come to know as Stanley Hauerwas Mark Thiessen Nation Eastern Mennonite
 Seminary Contending with and learning from the witness of Dietrich Bonhoeffer whose life is often thought to provide a
 Christian alternative to pacifism Hauerwas deepens the account of Christian nonviolence he has been articulating for
 decades His theology is strengthened and clarified by his encounter with the exemplary figure of Bonhoeffer Alan Jacobs
 Wheaton College Without loss of the provocative edge that has made him a vital and distinctive Christian voice Hauerwas's
 Performing the Faith allows him to cast a retrospective eye on his work At the same time in a brilliant essay under the title of
 the book he develops a profoundly important description of faithfulness Dennis O'Brien University of Rochester *Sisters &*
