O'Brien, 2014-12-31 A leading biblical scholar Hans Heinrich Schmid believes that righteousness or the right order of the world is the fundamental problem of our human existence It is a key theme in the Hebrew Bible Old Testament's theology of creation and salvation along with associated themes such as justice steadfast love loyalty truth fidelity compassion mercy sin and disorder chaos A number of studies of righteousness have been undertaken but most have tended to focus on Israel's call to be righteous as voiced in particular in the Prophetic Books and the Psalter In

contrast this book focuses on divine righteousness as the basis for all other notions of righteousness as this is outlined in the foundational teaching or revelation of the Hebrew Bible Old Testament namely the Torah or Pentateuch It then undertakes a study of how righteousness in the Prophetic Books the Psalter and the Book of Job relates to this foundational teaching

**Job's Spiritual Journey** William H. Bicksler, 2009-12      **Basic Bible Interpretation** Roy B. Zuck, 2023-08-15 BASIC BIBLE INTERPRETATION Can the Bible really be understood Are Old Testament prophecies relevant for today How can I understand the symbolism of the Book of Revelation What is the relationship of the Old Testament to the New Testament Why study Bible interpretation Dr Roy Zuck points out that it is essential for understanding and teaching the Bible properly essential as a step beyond observation and essential for applying the Bible correctly He discusses the challenges of Bible interpretation considers the problems of Bible interpretation explores the history of Bible interpretation and defines key terms all in a practical down to earth way Though Dr Zuck's many years of teaching and scholarship are evident in this book he has written in language understandable to all who are serious about bible study and who want to know better what Scripture means      **Journal for the Evangelical Study of the Old Testament, 7.2** Russell Meek, 2021-09-02 Journal for the Evangelical Study of the Old Testament JESOT is a peer reviewed journal devoted to the academic and evangelical study of the Old Testament The journal seeks to fill a need in academia by providing a venue for high level scholarship on the Old Testament from an evangelical standpoint The journal is not affiliated with any particular academic institution and with an international editorial board open access format and multi language submissions JESOT cultivates and promotes Old Testament scholarship in the evangelical global community The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds Dead Sea Scrolls Rabbinics Linguistics Septuagint Research Methodology Literary Analysis Exegesis Text Criticism and Theology as they pertain only to the Old Testament JESOT also includes up to date book reviews on various academic studies of the Old Testament      *When Will These Things Happen?* Alistair I. Wilson, 2007-01-01 Was the historical Jesus a preacher of imminent apocalyptic judgment or altogether a non eschatological teacher Despite the popularity of both of these extreme portraits in contemporary scholarship Wilson demonstrates a via media in which Jesus viewed especially through the window of Matthew 21 25 is both prophet and sage but preeminently a judge during his ministry in his invisible coming against Jerusalem in AD70 and at God's final assize An important contribution Craig Blomberg Distinguished Professor of New Testament Denver Seminary In the crowded field of Matthean studies this book offers something new a discussion of the theme of judgment in Matthew 21 25 the account of Jesus confrontation with the Jerusalem authorities Dr Wilson is well abreast of current scholarship but not afraid to take an independent line not least in his robust defense of the view that reference to the coming of the Son of Man refers not to the parousia but to the imminent vindication of the rejected Messiah This exegesis enables him to link ch 24 closely with the preceding dialogue and diatribe and to offer a satisfyingly coherent interpretation of the

whole Jerusalem section of the gospel which precedes the passion narrative Over against Marcus Borg's non-eschatological Jesus Wilson shows convincingly that Matthew's Jesus had a clear eye to the future looking both to coming events in Palestinian history for his own vindication on the world stage and also to a more ultimate judgment in which he would play the leading role Whether or not other scholars agree with Wilson's conclusions this is the sort of careful exegetical scholarship which is needed to carry constructive discussion forward R T France formerly Principal Wycliffe Hall Oxford Alistair Wilson has written a study that reveals first class scholarship He demonstrates that he is fully abreast of issues that are currently being discussed In his interactions he is tactful serene and persuasive While applauding the views of others he nevertheless shows his difference from them by carefully demonstrating on the basis of Matthew's Gospel that Jesus indeed is judge both in the first century and at the consummation This book is an excellent addition to evangelical research that champions a high view of Scripture Simon J Kistemaker Professor of New Testament Emeritus Reformed Theological Seminary Alistair Wilson's monograph goes right to the heart of contemporary debate concerning the role of Jesus by drawing attention to the motif of judgment in his role as prophet and sage that so impressed the Evangelist Matthew His fresh study of judgment in this Gospel shows that the early church was far removed from seeing in him the non-eschatological teacher of the late twentieth century Jesus seminar This is an important scholarly contribution to the ongoing study of how Jesus was seen and understood by his contemporaries with considerable significance for how we ought to understand him today I Howard Marshall Emeritus Professor of New Testament Exegesis and Honorary Research Professor University of Aberdeen Alistair Wilson is a minister of the Free Church of Scotland He has taught New Testament at Highland Theological College in Dingwall Scotland and currently serves as Principal of Dumisani Theological Institute in South Africa

**Interpreting the Wisdom Books** Edward M. Curtis, 2019-03-21 The Wisdom Literature of the Bible Job Proverbs Ecclesiastes and Song of Songs is filled with practical principles for everyday life While some Christians are deterred by the pragmatic character of these matter of fact guidelines they are as integral to God's purposes for His people as the explicitly theological material that dominates other parts of Scripture The Wisdom books tie these two streams of God's revelation together in a way that enriches and strengthens the church It is a thorough resource for pastors and teachers to help them navigate the sometimes bewildering waters of the Wisdom Literature

**What Job's Friends Could Have Done** Stephen Torr, 2025-08-19 In a world that is becoming more aware of the impact of traumatic experiences on the lives of individuals the church is faced with the challenge of examining how to do life well together in a way that helps rather than hinders those who are living in the aftermath of trauma Beginning with the question of what Job's friends could have done differently to help Job in the midst of his suffering the present work draws on Kevin Vanhoozer's theodramatic model and the Object Relations Theory of British pediatrician and psychoanalyst Donald Winnicott to provide biblically rooted guidance for developing a trauma sensitive church In bringing these perspectives together exploration takes place into what it means to be made in the image of God in the theodrama and what the church's role is in enabling the christological form of this image to take shape in each individual

particularly in the aftermath of individual trauma The work of Winnicott provides fresh insight into how this development might be facilitated by the church within the theodrama of salvation     *Critical Companion to the Bible* Martin H.
