*Leaders of the Sioux* Charles River Editors, 2025-06-21 Among the Oglala Lakota one of the most famous bands of the Native American Tribe known as the Sioux the longest and most effective leader was Red Cloud better known as Red Cloud Though he has not been remembered as vividly as another member of the Oglala Lakota Crazy Horse Red Cloud led the group for 40 years in war in peace and on a reservation becoming so esteemed and influential that Americans began to mistakenly take him for the leader of the entire Sioux tribe In the 1860s Red Cloud was at the forefront of skirmishing among whites and Native Americans along the frontier in Wyoming and Montana which came to be known as Red Cloud's War After that however Red Cloud continued to lead his people to reservations first near the Black Hills and later westward after the Battle of the Little Bighorn Though he was respected as a war chief it was his political functions as a spokesman of the Oglala that truly allowed Red Cloud to leave his mark over the last several decades of his life Whereas Sitting Bull and Crazy Horse suffered premature deaths Red Cloud outlived the other important leaders of the Sioux until dying in 1909 at 87 years old Near the end of his life he reportedly said They made us many promises more than I can remember But they kept but one they promised to take our land and they took it Though Red Cloud was forever embittered by what he and his people had lost his long leadership and his help in transitioning his people onto reservations has ironically turned him into somewhat of a symbol of conciliation and reconciliation between Native Americans and whites as opposed to Native American symbols of defiance like Tecumseh Sitting Bull and Crazy Horse Sitting Bull ensured he would become a legend at the Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors inspired by one of his visions routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Sioux and by the end of the decade many of them had surrendered and been moved onto a reservation Sitting Bull defiantly refused to surrender instead heading with a smaller band into Canada and remaining exiled When he finally surrendered to the U S in 1881 he was a celebrity of sorts and Sitting Bull went on to appear in Buffalo Bill Cody's Wild West Show during the decade Not surprisingly his death was as controversial as his life in 1890

Sitting Bull was killed on a reservation after plans to arrest him went terribly awry leading to fighting in the aftermath that left over a dozen dead Crazy Horse may have fervently wished to avoid white settlers but he is a Native American icon today because of the inability to do so Like Geronimo in the Southwest and Sitting Bull on the Plains Crazy Horse was a chief who fought in several skirmishes against settlers and U S forces during the 1860s and he became one of the most famous Native Americans in American history because of one fateful confrontation with whites the legendary Battle of the Little Bighorn during which an estimated 2 000 Lakota and Cheyenne warriors routed and then annihilated the 7th U S Cavalry led by George Custer That disaster led the American government to double down on its efforts to pacify the Plains and by the end of the decade many of them had surrendered and been moved onto a reservation Like Sitting Bull Crazy Horse tried to avoid surrendering for as long as he could and both suffered a controversial death

Bill Cody's Wild West Show during the 1880s. However, the two Lakota leaders would be connected in one more way: death. The deaths of both Sitting Bull and Crazy Horse took place on reservations and remain controversial to this day. *Leaders of the Sioux: the Lives and Legacies of Sitting Bull, Crazy Horse and Red Cloud* Charles River Charles River Editors, 2013-11-05. Includes pictures of Sitting Bull and Red Cloud, depictions of Crazy Horse, and important people and places in their lives. Explains several Lakota oral legends, including the origins of the names Sitting Bull and Crazy Horse. Explains the Battle of the Little Bighorn and their roles in it. When I was a boy, the Sioux owned the world. The sun rose and set on their land; they sent ten thousand men to battle. Where are the warriors today? Who slew them? Where are our lands? Who owns them? Is it wrong for me to love my own? Is it wicked for me because my skin is red? Because I am Sioux? Because I was born where my father lived? Because I would die for my people and my country? Sitting Bull: Upon suffering beyond suffering, the Red Nation shall rise again, and it shall be a blessing for a sick world. A world filled with broken promises, selfishness, and separations. A world longing for light again. I see a time of Seven Generations when all the colors of mankind will gather under the Sacred Tree of Life, and the whole Earth will become one circle again. Crazy Horse: Like Geronimo in the Southwest during the same era, Sitting Bull and Crazy Horse were warriors and leaders of different groups of Lakota Sioux who fought in several skirmishes against settlers and U.S. forces across the Plains during the 1860s and 1870s. Admired by their own people for their kindness and strong leadership, reviled by their enemies for their defiance, when The Great Sioux War of 1876 began, Sitting Bull and Crazy Horse were two of the most important leaders among all Native American tribes on the Plains, and they were the ones to turn to for those who intended to keep fighting whites. Sitting Bull and Crazy Horse were hardly the only Native Americans fighting the U.S. Army at the time, but they became legends at the Battle of the Little Bighorn, during which an estimated 2,000 Lakota and Cheyenne warriors, led by Crazy Horse and inspired by one of Sitting Bull's visions, routed and then annihilated the 7th U.S. Cavalry led by George Custer. That disaster led the American government to double down on its efforts to pacify the Sioux, and by the end of the decade, many of them had surrendered and been moved onto a reservation. Crazy Horse kept fighting for a year before surrendering, and Sitting Bull defiantly refused to surrender.

This is his remarkable story of staunch resistance and perseverance.

*Sitting Bull* S. D. Nelson, 2015-11-03 An inspiring picture book biography of the Lakota Sioux warrior and chief Sitting Bull from award-winning author and illustrator S. D. Nelson. Sitting Bull, c. 1831-1890, was one of the greatest Lakota Sioux warriors and chiefs who ever lived. He was eventually named war chief, leader of the entire Sioux nation, a title never before bestowed on anyone. As a leader, Sitting Bull resisted the United States government's attempt to move the Lakota Sioux to reservations for more than twenty-five years. From Sitting Bull's childhood, killing his first buffalo at age ten, to being named war chief, to leading his people against the U.S. Army and to his surrender, Sitting Bull, Lakota Warrior and Defender of His People, brings the story of the great chief to light. Sitting Bull was instrumental in the war against the invasive *wasichu* (White Man) and was at the forefront of the combat, including the Battles of Killdeer Mountain and the Little Bighorn. He and Crazy Horse were the last Lakota Sioux to surrender their people to the U.S. government and resort to living on a reservation. Award-winning author and member of the Standing Rock Sioux tribe, S. D. Nelson intersperses archival images with his own artwork inspired by the ledger art drawings of the nineteenth-century Lakota. Through the art and riveting story, Nelson conveys how Sitting Bull clung to his belief that the Lakota were a free people meant to live, hunt, and die on the Great Plains.
