Six Horses:

Horse Racing the Statistical Route Six Horses Ages Mark Gaster, 2016-04-12 A Statistical Study of the Age of Horses Older Horses or Younger Horses which fare the best Do older horses tend to run better than younger horses or vice versa Is there is any relevance to the age of horses when looking through a race card Race analysts will often comment on the age of the horse probably past its best or an in experienced horse sometimes for the younger horses In this book I have tried to see if there is any merit in it Over a period of time 1731 races were analyzed Taking the three oldest and the three youngest horses in each race and the results analyzed as well as any profit The results are divided into handicaps non handicaps jumps flat all weather etc and numbers of runners 4 7 runners 8 11 runners 12 15 runners and 16 runners The book contains tables of win and place percentages for each type of race and profits gained or lost The book does not contain a betting system or any guarantee of profits to be made just the results of the analyses in tables **The Six Horse** Shani T. Night, 2020-10-28 This is the second series of books by Shani T Night The loveable Shani expresses her love of horses and takes you into the biggest day of her life The family horse race She is inspired by her favorite horse his confidence and his will to win for her Excerpt By Jack Magnus for Readers Favorite The Six Horse is a children s animal adventure story written by Shani T Night with photography by Canva Shani is a six year old who lives on a farm with her parents and brother She has a favorite horse the six horse who she helps her dad take care of and train for the big family race Shani is involved in making sure he eats the right foods has his gear in proper order and goes through his morning workouts properly and she always makes the effort to communicate with him She can read and understand his facial gestures ear movements and the grunts groans and other noises he makes When he winked at her on the morning of the big family race she knew he was telling her that he would win first place that day Would he be the big winner Her brother thinks his horse the five horse will be in first place but Shani and the six horse think they have it covered **Moquis and Kastiilam** Thomas E. Sheridan, Stewart B. Koyiyumptewa, Anton Daughters, Dale S. Brenneman, T. J. Ferguson, Leigh J. Kuwanwisiwma, Leigh Wayne Lomayestewa, 2020-05-12 The second in a two volume series Moquis and Kastiilam Volume II 1680 1781 continues the story of the encounter between the Hopis who the Spaniards called Moquis and the Spaniards who the Hopis called Kastiilam from the Pueblo Revolt in 1680 through the Spanish expeditions in search of a land route to Alta California until about 1781 By comparing and contrasting Spanish documents with Hopi oral traditions the editors present a balanced presentation of a shared past Translations of sixteenth seventeenth and eighteenth century documents written by Spanish explorers colonial officials and Franciscan missionaries tell the perspectives of the European visitors and oral traditions recounted by Hopi elders reveal the Indigenous experience The editors argue that only the Hopi perspective can balance the story recounted in the Spanish documentary record which is biased distorted and incomplete as is the documentary record of any European or Euro American colonial power The only hope of correcting those weaknesses and the enormous silences about the Hopi responses to Spanish missionization and

colonization is to record and analyze Hopi oral traditions which have been passed down from generation to generation since 1540 and to give voice to Hopi values and social memories of what was a traumatic period in their past Volume I documented Spanish abuses during missionization which the editors address specifically and directly as the sexual exploitation of Hopi women suppression of Hopi ceremonies and forced labor of Hopi men and women These abuses drove Hopis to the breaking point inspiring a Hopi revitalization that led them to participate in the Pueblo Revolt and to rebuff all subsequent efforts to reestablish Franciscan missions and Spanish control Volume II portrays the Hopi struggle to remain independent at its most effective a mixture of diplomacy negotiation evasion and armed resistance Nonetheless the abuses of Franciscan missionaries the bloodshed of the Pueblo Revolt and the subsequent destruction of the Hopi community of Awat ovi on Antelope Mesa remain historical traumas that still wound Hopi society today
