Sundays are feast days But sometimes that s awfully hard to remember We often get too busy trying to keep track of all the things we re not supposed to do Yet as Stuart Bryan explains this is not the emphasis of Scripture The Lord s Day is a day of freedom a day defined by thanksgiving for God s grace for the opportunities to share that grace with others and for the hope we have in the glorious rest to come A Taste of Sabbath is a short defense of Sabbath celebration which includes practical suggestions as to how to better remember the rest which the Lord has given us      Statistics: Problems And Solution (Second Edition) Eryl E Bassett,J Mike Bremner,Byron Jones,Byron J T Morgan,P M North,Ian T Jolliffe,2000-06-27 Originally published in 1986 this book consists of 100 problems in probability and statistics together with solutions and most importantly extensive notes on the solutions The level of sophistication of the problems is similar to that encountered in many introductory courses in probability and statistics At this level straightforward solutions to the problems are of limited value unless they contain informed discussion of the choice of technique used and possible alternatives The solutions in the book are therefore elaborated with extensive notes which add value to the solutions themselves The notes enable the reader to discover relationships between various statistical techniques and provide the confidence needed to tackle new problems
