Six Poets Of British Columbia:

Six Poets of British Columbia Robin Skelton, 1980 The Politics of Resentment Philip Resnick, Institute for Research on Public Policy, 2000 An examination of the role that British Columbia has played in the evolving Canadian unity debate Philip Resnick explores what makes British Columbia stand apart as a region of Canada and looks at the views of politicians opinion makers and ordinary citizens on various issues The Voyageur Modern Canadian Literature 5-Book Bundle Hugh Garner, James Reaney, Robin Skelton, Germaine Warkentin, Scott Symons, 2014-03-14 Voyageur Classics is a series of special versions of Canadian classics with added material and new introductions In this bundle we find five classic works of twentieth century fiction drama and poetry a period when Canada's literary identity was shaped Originally published in 1962 *The Silence on the Shore* is considered by many critics to be renowned Hugh Garner's best most ambitious novel Originally published in 1967 *Combat Journal for Place d'Armes* was initially met with shock and anger by most reviewers but has become a literary touchstone *The Donnelly's* tells the tale of a secret society and a massacre that shocked the Canadian public a story overlooked by the artistic community until Reaney's 1975 play elevated the events to the level of legend In *This Poem I Am* presents the best of poet Robin Skelton's adventurous poetry And *Exploration Literature* is a groundbreaking collection of early writing inspired by the opening of a continent an entry point into the beginnings of a literate response to the awe and wonder inspired by an unfolding geography Includes Canadian Exploration Literature *Combat Journal for Place d'Armes* *The Donnelly's* *In This Poem I Am* *The Silence on the Shore* **In this Poem I Am** Robin Skelton, 2007-10-30 Editor Harold Rhenisch brings together a collection that captures the grand style and thematic strength of poet Robin Skelton Editor Harold Rhenisch brings together a collection that captures the grand style and thematic strength of poet Robin Skelton
Canadian Books in Print, 2000 *The Confederation Group of Canadian Poets, 1880-1897* D. M. R. Bentley, 2004-01-01 As one of the formative periods in Canadian history the late nineteenth century witnessed the birth of a nation a people and a literature In this study of Canada's first school of poets D M R Bentley combines archival work including extensive research in periodicals and newspapers with close readings of the work of Charles G D Roberts Archibald Lampman Bliss Carman William Wilfred Campbell Duncan Campbell Scott and Frederick George Scott Bentley chronicles the formation reception national and international successes and eventual disintegration after the 1895 War Among the Poets of the Confederation Group whose poetry forever changed the perception and direction of Canadian literature With the aid of biographical political and sociological analyses Bentley's literary history delineates the group's political aesthetic and thematic dispositions and characteristics and contextualizes them not only within Canadian history and politics but also within contemporary intellectual and literary currents including Romantic nationalism Canadianism and poetic formalism Bentley casts new light on the poets commonalities such as their debt to Young Ireland their commitment to careful workmanship and their participation in the American mind cure movement as well as on their most accomplished and anthologized poems

from 1880 to 1897 In the process he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada's cultural and political past and defends their right to be known as Canada's first poetic fraternity at a time when Canada was striving to achieve literary and national distinction The Confederation Group of Canadian Poets 1880 1897 is an erudite and innovative work of literary history and critical interpretation that belongs on the bookshelf of every serious scholar of literary studies

Carnival Harold Rhenisch, 2000 Poet bioregional essayist and explorer of post colonial landscapes in decay and transition Harold Rhenisch combines his father's character with his own and in a series of luminous closely linked stories takes the reader on an emotional journey through humour joy heartbreak horror spiritual catastrophe and redemption to present a second look at history This is war from a child's eyes up close and personal from silly pranks to playing war games in the forest and finally to miracles of healing as the fabric of the world collapses and must be rebuilt Hansel his mother and their 16 year old Russian maid tend an escaped French P O W in their basement in a small town on the edge of the Black Forest during the Second World War During the Occupation this act simultaneously saves their lives and also brings them close to death as they attempt to save the innkeeper's daughter after a brutal rape by occupying Moroccan soldiers and the horrific punishment enacted upon them by the French command This story is not fiction It is the art of story telling that creates for us Hansel's fairytale village at once a magical world of mermaids witches carnival characters and eelfishers and also a sulfur choked brutalized wartime town The Canadian farmer who was Hansel returns to this German town to relive the dreams stories and terrors he experienced fifty years before In incandescent emotionally charged prose he seeks among the ruins of society to understand love and his place in the world as a man This is a powerful and captivating evocation of innocence and storytelling from one of Canada's master prose stylists

Mostow,1996-10-01 This book provides for the first time in English the kind of information that allows an accurate appreciation of the meanings and quality of Japanese poems Mostow's reception oriented approach in this poem by poem discussion inspires an excellent essay on the history of English translations of this collection Choice Joshua Mostow offers a brilliant and multifaceted exploration of Japanese poetics through translations commentaries and both literary and visual readings of the most influential of all poem anthologies This book penetrates to the heart of traditional Japanese aesthetics Stephen Addiss University of Richmond a rigorous and engaging study of an extremely important Japanese text It is filled with information and shows a real appreciation for the often unarticulated assumptions that lay behind certain understandings both Japanese and Western concerning meaning and significance in a work of literature The study breaks still further ground by articulating and in the most persuasive fashion issues relating to text and image that are central to the Japanese arts in virtually all periods Professor Mostow has written a book that should interest not only specialists in the fields of Japanese literature and fine arts but virtually anyone who enjoys reading poetry in an active and thoughtful fashion J Thomas Rimer University of Pittsburgh Public Opinion ,1897
