S. Belcher,2024-09-04 First in the weird west Golgotha series set in a fascinating world that reads like a mashup of Buffy the Vampire Slayer and Deadwood RT Book Reviews Nevada 1869 Beyond the pitiless 40 Mile Desert lies Golgotha a cattle town that hides more than its share of unnatural secrets The sheriff bears the mark of the noose around his neck some say he is a dead man whose time has not yet come His half human deputy is kin to coyotes The mayor guards a hoard of mythical treasures A banker s wife belongs to a secret order of assassins And a shady saloon owner whose fingers

are in everyone's business may know more about the town's true origins than he's letting on. A haven for the blessed and the damned Golgotha has known many strange events but nothing like the primordial darkness stirring in the abandoned silver mine overlooking the town. Bleeding midnight, an ancient evil is spilling into the world and unless the sheriff and his posse can saddle up in time Golgotha will have seen its last dawn and so will all of Creation.

The desert wind carried more than dust. It carried whispers.

Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man s soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn

a Saturday night Until a drifter named Sam Logan rode into town looking for work The first problem came when a rider from the Snowshoe ranch provoked a gunfight with Logan and lost He was followed to the grave by another rider from the same ranch looking for revenge Both killings were deemed self defense but it rattled the peaceful community But when a preacher comes to town to save souls and starts by knocking out three cowboys Perc starts to wonder if he s in over his head or if Logan and the preacher might be working together
