

SIR THOMAS WYATT: 1503?-42

Wyatt entered St. John's College, Cambridge, in 1516, and took the degree of M.A. in 1520. Before he was 25, he was sent on missions to France and Italy by Henry VIII. He was knighted in 1536. Wyatt was probably a lover of Anne Boleyn, before Anne became the wife of Henry VIII; certainly this suspicion was attached to his name, and it might have had something to do with Wyatt's ups and downs at court. In 1541 he was imprisoned on a charge of treason, supposedly committed while he was ambassador to Spain; but he acquitted himself and was unconditionally pardoned. His fortunes bettered swiftly after his release, and in 1542 he was a member of Parliament and Commander of the Fleet, on a trip to meet the Spanish ambassador, he fell suddenly ill and died at Sherborne in Dorset. The first significant publication of Wyatt's poems was in Tottel's Miscellany, 1557, where he appeared with Surrey and a number of other lesser poets.

WHOSO LIST TO HUNT

Whoso list to hunt, I know where is an hind,
But as for me, alas, I may no more.
The vain travell hath wearied me so sore,
I am of them that farthest cometh behind.
Yet may I by no means my wearied mind
Draw from the Deer, but as she fleeth afore
Fainting I follow. I leave off therefore,
Since in a net I seek to hold the wind.
Who list her hunt (I put him out of doubt)
As well as I may spend his time in vain.
And, graven with diamonds, in letters plain
There is written her fair neck round about:
"Noli me tangere, for Caesar's I am,
And wild for to hold, though I seem tame."

And then may chance thee to repent
The time that thou hast lost and spent
To cause thy lovers sigh and swoon:
Then shalt thou know beauty but lent,
And wish and want as I have done.
Now cease, my lute: this is the last
Labor that thou and I shall waste
And ended is that we begun.
Now is this song both sung and past:
My lute be still, for I have done.

HENRY HOWARD, EARL OF SURREY: 1517?-47

Educated by the learned tutor, John Clerk, Surrey early had a knowledge of Latin, Italian, Spanish, and French. As a boy he was a close friend of the Duke of Richmond, an illegitimate son of Henry VIII, and stayed with him at Windsor Palace. Surrey was one of Henry's retainers, and led an active life at court, taking part in several naval and military engagements against France. In 1546, he was arrested and charged with treason, probably because either he or his father had too strongly pressed a family claim upon the succession of Henry VIII, who was then in his last illness. In January 1547, he was beheaded on Tower Hill.

GIVE PLACE, YE LOVERS

Give place, ye lovers, here before
That spent your boasts and brags in vain;
My lady's beauty passeth mine.
The best of yours, I dare well sayen,

MY LUTE AWAKE!

My lute awake! perform the last
Labor that thou and I shall waste,
And end that I have now begun:
For when this song is sung and past,
My lute be still, for I have done.
As to be heard where ear is none,
As lead to grave in marble stone,
My song may pierce her heart as soon.
Should we then sigh, or sing, or moan?
No, no, my lute, for I have done.
The rocks do not so cruelly
Regulate the waves continually
As she my suit and affection,
So that I am past remedy:
Whereby my lute and I have done.
Proud of the spoil that thou hast got
Of simple hearts thorough Love's shot,
By whom, unkind, thou hast them won:
Think not he hath his bow forgot,
Although my lute and I have done.
Vengeance shall fall on thy disdain
That makest but game on earnest pain;
Think not alone under the sun
Unquit to cause thy lovers plain;
Although my lute and I have done.
Perchance thee lie withered and old
The winter nights that are so cold,
Pining in vain unto the moon,
Thy wishes then dare not be told:
Cane then who list, for I have done.

Than doth the sun the candle light,
Or brightest day the darkest night.
And thereto hath a troth as just
As had Penelope the fair;
For what she saith, ye may it trust,
As it by writing sealed were:
And virtues hath she many more
Than I with pen have skill to show.
I could rehearse, if that I would,
The whole effect of Nature's plaint
When she had lost the perfect mould,
The like to whom she would not paint:
With wringing hands how she did cry,
And what she said, I know it, I.
I know she swore with raging mind,
Her kingdom only set apart;
There was no loss by law of kind
That could have gone so near her heart.
And this was chiefly all her pain:
She could not make the like again.
Sith Nature thus gave her the prize
To be the chiefest work she wrought,
In faith, methink some better ways
On your behalf might well be sought
Than to compare, as ye have done,
To match the candle with the sun.

Sixteenth Century English Poetry

Clemens Wendtner

Sixteenth Century English Poetry:

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Sixteenth Century English Poetry** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
