The Sixties Lesley Jackson,1998 Lesley Jackson traces the transition from the contemporary design of the 1950s to the pure geometry of the look and the styles that proliferated throughout the momentous events of the 1960s *Sixties Design* Philippe Garner,2003 A richly illustrated survey of the design themes and styles of the 1960s Colour illus The Sixties Arthur Marwick,2011-09-28 If the World Wars defined the first half of the

twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain's surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today **Preserving the**

Sixties T. Harris,M. O'Brien Castro,Monia O'Brien Castro,2014-04-16 Re examining the long held belief that the Sixties in Britain were dominated mainly by youth and protest the authors in the collection argue that innovation was everywhere shadowed by conservatism A decade fascinated by itself and especially by the future it also was tormented by self doubt and accompanied by a fear of losing the past **Design School Reader** Steven Heller,2020-08-04 An Essential Collection of

Essays and Musings on Graphic Design from One of the Field's Leading Educators In this wide ranging compilation art director writer and lecturer Steven Heller shares his passion for graphic design with readers whom he invites to consider that design can be discerned in all things natural and manmade Developed as content for a class devoted to reading this collection is not overtly about conventional design but about a variety of topics viewed through the lens of design Offered as a primer for undergraduate and graduate students Design School Reader presents more than forty essays on subjects such as The role of design in politics Visual culture and the social impact of design Key moments in the history of typography Technological innovations The power of branding and logos Ethical considerations and dilemmas Important figures in the design world Divided into five parts Design Language Design Dialects Politics Ideology Design Business and Commerce and Inspiration and Discoveries each section features a collection of essays culled from Heller's extensive publications from the

past several decades At the end of every essay readers will find discussion points to prompt further lines of inquiry As Heller notes The key is to read discuss and debate Students aficionados and anyone with a healthy curiosity will thoroughly enjoy this illuminating and thought provoking assemblage of perspectives on the practice **Sixties Design** Pepin van Roojen,2019 **The Socialist Sixties** Anne E. Gorsuch,Diane P. Koenker,2021-12-22 A very engaging collection of essays that adds much to an evolving literature on the social history of the Soviet Union and broader socialist societies Choice The 1960s have reemerged in scholarly and popular culture as a protean moment of cultural revolution and social transformation In this volume socialist societies in the Second World the Soviet Union East European countries and Cuba are the springboard for exploring global interconnections and cultural cross pollination between communist and capitalist countries and within the communist world Themes explored include flows of people and media the emergence of a flourishing youth culture sharing of songs films and personal experiences through tourism and international festivals and the rise of a socialist consumer culture and an esthetics of modernity Challenging traditional categories of analysis and periodization this book brings the sixties problematic to Soviet studies while introducing the socialist experience into scholarly conversations traditionally dominated by First World perspectives History of Modern Design David Raizman,2003 An exploration of the parallel development of product and graphic design from the 18th century to the 21st The effects of mass production and consumption man made industrial materials and extended lines of communication are also discussed **All Wrapped Up!** Kevin Akers,2005 Through hundreds of eye popping reproductions All Wrapped Up celebrates gift wrap that most ephemeral of paper products from the groovy 1960s The modest palette and conventional patterns of the previous decade eventually yielded to the riotous colors op art and psychedelic visions that defined the late 60s charting a course through the entire spectrum of mid century graphic design and commercial illustration Popular imagery of cute animals adorable children barbecue iconography for dad funky florals and Santas of every stripe grace these pages A thoughtfully wrapped present is a gift in itself and All Wrapped Up is the perfect package to celebrate the popular designs of the most visually exuberant decade of all Designing Social Systems in a Changing World Bela H.
