Promised Land: Whose Land? Whose Promise? The Original Ending of Mark Nicholas P Lunn,2015-04-30 Although traditionally accepted by the church down through the centuries the longer ending of Mark s Gospel 16 9 20 has been relegated by modern scholarship to the status of a later appendage The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style This work shows that these primary grounds of argumentation are inadequate It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts The quantity of unique

terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages Strong indications of Markan authorship are found in the presence of specific linguistic constructions a range of literary devices and the continuation of various themes prominent within the body of the Gospel Furthermore the writings of Luke show that the Gospel of Mark known to this author contained the ending Rather than being a later addition the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission probably in Egypt during the second century

Governor Pilate Timothy Jones, 2020-02-21 Pontius Pilate is the governor and prefect of Judea He has been given the authority to rule the province by the emperor of Rome Pilate lives up to his reputation as a harsh and cynical leader and it has put him at odds with the people of Judea especially the religious sect known as the Sanhedrin The tension further escalates when members of the Sanhedrin arrive at Pilate's court one Friday morning to have him authorize the execution of another man they've deemed as a threat to their agenda a man known as Jesus of Nazareth As Pilate presides over the trial he notices something unique about Jesus and secretly tries to spare him from the trap set by their common enemies and from the wrath of the Roman Empire The pressure mounts as Pilate becomes torn between his duties as governor and his growing convictions about Jesus But he soon realizes that he is a part of a Divine Plan that will change his life and the rest of the world
