**Twenty-First Century** Calvin Goldscheider,2015-05-22 This volume illuminates changes in Israeli society over the past generation Goldscheider identifies three key social changes that have led to the transformation of Israeli society in the twenty first century the massive immigration of Jews from the former Soviet Union the economic shift to a high tech economy and the growth of socioeconomic inequalities inside Israel To deepen his analysis of these developments Goldscheider focuses on ethnicity religion and gender including the growth of ethnic pluralism in Israel the strengthening of the Ultra Orthodox community the changing nature of religious Zionism and secularism shifts in family patterns and new issues and challenges between Palestinians and Arab Israelis given the stalemate in the peace process and the expansions of Jewish settlements Combining demography and social structural analysis the author draws on the most recent data available from the Israeli Central Bureau of Statistics and other sources to offer scholars and students an innovative guide to thinking about the Israel of the future This book will be of interest to scholars and students of contemporary Israel the Middle East sociology demography and economic development as well as policy specialists in these fields It will serve as a textbook for courses in Israeli history and in the modern Middle East     *Mental Health and Palestinian Citizens in Israel* Itzhak Levav,Muhammad

M. Haj-Yahia,Ora Nakash,2019-10-01 Minorities face particular social strains and these are often manifested in their overall mental health In Israel just under a quarter of the citizens are Arab Palestinians yet very little has been published exploring the spectrum of mental health issues prevalent in this population The work collected here draws on the first hand experience of experts working with Israeli Palestinians to highlight the problems faced by service users their families and their communities Palestinians in Israel face unique social gender and family related conditions that also need reliable research and assessment *Mental Health and Palestinian Citizens in Israel* offers research and observation on three central topics socio cultural determinants of mental health mental health needs and mental health service utilization From suicidal behaviors and addiction to generational trauma and the particular concerns of children and the elderly this broad and careful collection of research opens new dialogues on treatment prevention and methods for providing the best possible care to those in need

**The Judaic Nature of Israeli Theatre** Dan Urian,2013-12-19 Theatre has since the time of the Jewish Enlightenment served the secular community in its conflict with the religious This book surveys the secular religious rift and then describes the enhanced concern of the secular community in Israel for its own Jewishness and its expression in the theatre especially following the 1967 War It then moves on to a specific study of the play *Buira* and finally reviews the phenomenon of the

return to Orthodox Judaism by secular individuals      Jews and Gender Jonathan Frankel, 2001-02-08 Volume XVI in this well received annual series contains an up to date survey of gender issues in modern Judaism It includes original essays on Orthodox Judaism and feminism American Jewish women female rabbis the impact of feminism on rabbinic study masculinity Jewish women in the Third Reich and gender and military service      *From New Zion to Old Zion* Joseph B. Glass, 2018-02-05 From New Zion to Old Zion analyzes the migration of American Jews to Palestine between the two World Wars and explores the contribution of these settlers to the building of Palestine American Aliyah immigration to Palestine began in the mid nineteenth century fueled by the desire of American Jews to study Torah and by their wish to live and be buried in the Holy Land His movement of people men and women increased between World War I and II in direct contrast to European Jewry s desire to immigrate to the United States Why would American Jews want to leave America and what characterized their resettlement From New Zion to Old Zion analyzes the migration of American Jews to Palestine between the two world wars and explores the contribution of these settlers to the building of Palestine From New Zion to Old Zion draws upon international archival correspondence newspapers maps photographs interviews and fieldwork to provide students and scholars of immigration and settlement processes the Yishuv Jewish community in Palestine and America Holy Land studies a well researched portrait of Aliyah      *State Practices and Zionist Images* David A. Wesley, 2013-01-01 Although the Israeli state subscribes to the principles of administrative fairness and equality for Jews and Arabs before the law the reality looks very different Focusing on Arab land loss inside Israel proper and the struggle over development resources this study explores the interaction between Arab local authorities their Jewish neighbors and the agencies of the national government in regard to developing local and regional industrial areas The author avoids reduction to simple models of binary domination revealing instead a complex multi dimensional field of relations and ever shifting lines of political maneuver and confrontation He examines the prevailing concept of ethnic traditionalism and argues that the image of Arab traditionalism erects imaginary boundaries around the Arab localities making government incursion disappear from view while underpinning and rationalizing the exclusion of the Arab towns from development planning Moreover he shows how images of environmental protection mesh with and support such exclusion The study includes a chronology of events tables maps and photographs This revised paperback edition with a new epilogue brings accounts of Arab land loss and struggles for economic development up to date The author also deals with the challenges of life and research in Israel and examines the possibilities of sharing the land as the homeland of both Jews and Palestinians      *The Military and Militarism in Israeli Society* Edna Lomsky-Feder, Eyal Ben-Ari, 2012-02-01 The Military and Militarism in Israeli Society systematically examines the cultural and social construction of things military within Israel Contributors from comparative literature film studies sociology anthropology geography history and cultural studies explore the arenas in which the centrality of military matters are produced and reproduced by the state and by other public bodies Analysis is presented using three perspectives the

production and reproduction of collective representations the dynamics of gender voice and resistance and the construction of individual life worlds      *Forgotten Millions* Malka Hillel Shulewitz, 2000-10-27 Describes the situations of the long established Jewish communities of the Arab world the forces that led them to immigrate to Israel and the conditions that shaped their new lives in a Jewish state led by Jews of a different heritage      **The Modern Jewish Experience** Jack Wertheimer, 1993-01-01 The pace of scholarly research and academic publication in fields of Judaica has quickened dramatically in the second half of the twentieth century The major consumers and producers of this new scholarship are found in Jewish Studies programs that have proliferated at institutions of higher learning around the world since the 1960s From the vantage point of the nineties it is difficult to fathom that until thirty years ago Jewish studies courses were mainly limited to a few elite universities rabbinical seminaries and Hebrew teachers colleges Today there are few colleges at public or private insitutions of higher learning that do not sponsor at least some courses on aspects of Jewish study In light of this explosion of research on Jewish topics non specialists and educators can benefit from guidance through the thicket of new monographs source anthologies textbooks and scholarly essays *The Modern Jewish Experience* the result of a multi year collaboration between the International Center for the University Teaching of Jewish Civilization and the Jewish Theological Seminary of America offers just such guidance on a range of issues pertaining to modern Jewish history culture religion and society With contributions from two dozen leading scholars *The Modern Jewish Experience* presents practical information and guidelines intended to expand the teaching repertoire for undergraduate courses on modern Jewish life as well as a means for college professors to enrich and diversify their courses with discussions on otherwise neglected Jewish communities social and political issues religious and ideological movements and interdisciplinary perspectives Sample syllabi are also included for survey courses set in diverse linguistic settings An indispensable resource for undergraduate instruction this volume may also be used to great profit by educators of adults in synagogue and Jewish communal settings as well as by individual students engaged in private study      *Israel Under Rabin* Robert O Freedman, 2019-08-15 The 1992 elections represented a watershed in Israeli politics Returning to power for the first time in fifteen years the Labor government under Yitzhak Rabin has implemented significant changes in foreign policy and domestic politics Perhaps the most important changes were Israel s recognition of the PLO and the signing of the Declaration of      **Religious Radicalism and Politics in the Middle East** Emmanuel Sivan, Menachem Friedman, 1990-08-29 This book explores in a comparative perspective two fundamentalist waves that have rolled over the Middle East during the last two decades Jewish and Muslim extremism have had a profound impact on the culture and politics of this important region One thinks immediately of the Gush Emunism settlements on the West Bank the Iranian revolution and the assassination of President Sadat The authors highlight various facets of the phenomena such as Haradi Jewish ultra orthodoxy the transformation of secular Israeli nationalism by the Gush Iranian attempts to spread the revolutionary gospel to the Sunni world and fundamentalism as the spearhead of the national

uprising in the Gaza The introduction outlines what the extremist movements in both religions have in common where they diverge and how they are shaping the future of the Middle East

**On Modern Jewish Politics** Institute of Contemporary

Jewry and Department of Russian Studies The Hebrew University of Jerusalem Ezra Mendelsohn Professor of

History,1993-09-11 This book is a concise guide to and analysis of the complexities of modern Jewish politics in the interwar European and American diaspora Jewish politics refers to the different and opposing visions of the Jewish future as formulated by various Jewish political parties and organizations and their efforts to implement their programs and thereby solve the Jewish question Mendelsohn begins by attempting a typology of these Jewish political parties and organizations dividing them into a number of schools or camps He then suggests a geography of Jewish politics by locating the core areas of the various camps There follows an analysis of the competition among the various Jewish political camps for hegemony in the Jewish world an analysis that pays particular attention to the situation in the United States and Poland the two largest diasporas in the 1920s and 1930s The final chapters ask the following questions what were the sources of appeal of the various Jewish political camps such as the Jewish left and Jewish nationalism to what extent did the various factions succeed in their efforts to implement their plans for the Jewish future and how were Jewish politics similar to or different from the politics of other minority groups in Europe and America Mendelsohn concludes with a discussion of the great changes that have occurred in the world of Jewish politics since World War II
