Studies In Gnosticism And Alexandrian Christianity Nag Hammadi And Manichaeon Studies Hardcover:

Studies in Gnosticism and Alexandrian Christianity Roelof van den Broek, 2020-10-26 The discovery of the Nag Hammadi Library 1945 has given an enormous impetus not only to the study of ancient Gnosticism but also to that of early Christianity in general Most of the studies contained in this volume deal with mythological conceptions and theological ideas found in various Nag Hammadi writings The gnostic views on the nature of God and on creation and salvation receive particular attention ranging from Philo to the medieval Cathars The Nag Hammadi Library also shed new light on the development of early Alexandrian Christianity and its theology The book contains six studies which explicitly deal with these topics This volume is of interest to students of Gnosticism early Christianity and Graeco Roman religious and philosophical ideas in general Der Heeresdienst von Christen in der römischen Kaiserzeit Andreas Gerstaecker, 2021-09-07 Die vorliegende Studie untersucht die Stellungnahmen dreier bedeutender altkirchlicher Autoren zur Frage nach der Haltung des vorkonstantinischen Christentums zum Heeresdienst von Christen Tertullian Origenes und Clemens Alexandrinus Dabei gilt das besondere Augenmerk ihrer Interpretation vor dem Hintergrund der Konventionen antiker Rhetorik und im Rahmen ihres jeweiligen argumentativen Gesamtzusammenhangs Es zeigt sich am Beispiel der behandelten Autoren dass es im Christentum der Jahre zwischen 200 250 n Chr eine lebhaft Diskussions gab ob Christen Soldaten und Soldaten Christen werden durften Dabei erweisen sich die konkreten Aussagen jedes Autors als rhetorisch reflektiert und inhaltlich auf die jeweils vorliegende Diskussion in die er verwickelt ist zugespielt Sie m ssen daher unter Ber cksichtigung dieser Gespr chssituation sowie der Konventionen antiker Rhetorik behutsam nach m glicherweise dahinter stehenden allgemeinen Positionen befragt werden Insgesamt werden vielf ltige Positionen und Argumente erkennbar und zugleich wird deutlich wie das Christentum um seine Standortbestimmung innerhalb des r mischen Reiches ringt Die Publikation wurde 2022 mit dem Johann Tobias Beck Preis des Arbeitskreises f r evangelikale Theologie ausgezeichnet *Early Christianity in Alexandria* M. David Litwa, 2023-12-21 Utilizing the Nag Hammadi codices and early Christian writings this book explores the earliest development of Christianity in Alexandria The Gnostic Discoveries Marvin W. Meyer, 2005-11-08 On the 60th anniversary of the discovery of ancient Gnostic texts at Nag Hammadi a leading scholar explains the historical significance and continuing influence of these alternative views of Christianity suppressed by the early church **Nag Hammadi, Gnosticism, & Early Christianity** Charles W. Hedrick, Robert Hodgson, 1986 **Nag Hammadi Codex VII** Birger Birger Albert Pearson, Frederik Wisse, 1996 This volume with several contributors contains the critical edition of Nag Hammadi Codes VII with introductions Coptic Text English translations and notes for each of the five tractates in the codex *Studies in Gnosticism and Hellenistic Religions* Gilles Quispel, 1981 *Gnostic Religion in Antiquity* Roelof van den Broek, 2013-01-24 Gnostic religion is the expression of a religious worldview which is dominated by the concept of Gnosis an esoteric knowledge of God and the human being which grants salvation to those who possess it Roelof van den Broek

presents here a fresh approach to the gnostic current of Late Antiquity within its historical and religious context based on sources in Greek Latin and Coptic including discussions of the individual works of preserved gnostic literature Van den Broek explores the various gnostic interpretations of the Christian faith that were current in the second and third centuries whilst showing that despite its influence on early Christianity gnostic religion was not a typically Christian phenomenon This book will be of interest to theologians historians of religion students and scholars of the history of Late Antiquity and early Christianity as well as specialists in ancient gnostic and hermetic traditions

The Coptic Gnostic Library (5 Vols.) James McConkey Robinson, 2000 The Coptic Gnostic Library continues where the Dead Sea Scrolls left off Our main sources of information for the Gnostic religion are the so called Nag Hammadi codices written in Coptic These were unearthed in 1945 near the town of Nag Hammadi in Upper Egypt The texts literally begin where the Dead Sea Scrolls end Their discovery is considered equally significant as the Dead Sea Scrolls themselves bringing to light a long hidden wealth of information and insights into early Judaism and the roots of Christianity Furthermore these writings clearly show that the Gnostic religion was not only a force that interacted with early Christianity and Judaism in their formative periods but also a significant religious movement in its own right The Coptic Gnostic Library contains all the texts of the Nag Hammadi codices both in the original Coptic and in translation Each text has its own introduction and full indexes are provided The Coptic Gnostic Library is the starting point for all research into ancient Gnosticism It is the result of decades of dedicated research by the most distinguished international scholars in this field The Coptic Gnostic Library is the only authoritative edition of many of the Coptic writings of the Gnostics from the first centuries AD It was originally published by Brill in fourteen hardback volumes as part of the Nag Hammadi and Manichaean Studies series between 1975 and 1995 under the general editorship of James M Robinson Now for the first time it is available in paperback at a fraction of the price of the original hardback editions Photomechanical paperback reprint of the original 14 hardback volumes Complete and unabridged 5 volumes totaling approximately 5 000 pages Facing Coptic texts and English translations Introductions Notes and Indexes Only available as a set

Gnostica, Judaica, Catholica Gilles Quispel, 2008 This volume brings together a rich and varied collection of essays by Gilles Quispel 1916 2006 Professor of the History of the Early Church at Utrecht University from 1951 until his retirement in 1983 During his illustrious career Professor Quispel was also visiting Professor at Harvard University in 1964 65 and visiting Professor at the Catholic University of Leuven from 1969 until 1974 The fifty essays collected in this volume testify to most of the prominent themes from Professor Quispel's scholarly career the writings of the Nag Hammadi library in general and the Gospel of Thomas in particular Tatiana's Diatessaron and its influences the Hermetica Mani and Manichaeism the Jewish origins of Gnosticism and Gnosis and the future of Christianity This volume also makes a number of his less known earlier publications mainly presented under the heading a Catholica available to the international community Until shortly before he died Professor Quispel remained active in his study of the Gospel of Thomas He had been

one of the first to acquire the Coptic text of the Gospel of Thomas of which he published the first translation in 1959 and his final translation in 2005 He was also active in researching the Diatessaron and Valentinus and the Gnostica TM One of his most recent essays published for the first time in this volume is on the Muslim Jesus a TM Practicing Gnosis April D. De Conick, Gregory Shaw, John Douglas Turner, 2013 The essays in *Practicing Gnosis* demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties Instead this book explores how Gnostics were seeking religious experiences that relied on practices including ritual magic liturgy and theurgy This book celebrates the career of Birger A Pearson Femme, gnose et manichéisme Maddalena Scopello, 2005 **In Search of Truth. Augustine, Manichaeism and Other Gnosticism** J. van (Johannes) Oort, Jacob Albert van den Berg, 2011 This volume in honour of Prof Dr Johannes van Oort offers a rich variety of in depth studies on Augustine Manichaeism and other Gnostic currents thus reflecting the rich variety of the honoree's research interests **Gnosticism and Christianity in Roman and Coptic Egypt** Birger Albert Pearson, 2004-01-01 This book provides significant insights into the rise of early Christianity in Egypt and its impact on Christianity in Palestine *Gnosticism, Judaism, and Egyptian Christianity* Birger A. Pearson, In this important contribution to the scholarly study of Egyptian Gnosticism Pearson situates Gnosticism in its historical context and describes its manifold relationships to Judaism early Christianity and ancient Platonism Birger Pearson gives special attention to the controversial issue of the impact of Gnosticism on early Egyptian Christianity up to the Muslim conquest of the seventh century Pearson is one of the most thorough and perceptive scholars in Gnostics studies today The topics he deals with here are current and important and no doubt will remain so for some time This volume is a must for everyone in the field Douglas M Parrott University of California Riverside Uniformly excellent contributions on the subject Students and teachers will benefit from Pearson's insightful and creative observations Marvin Meyer Chapman College *The Gnostic Gospels* Elaine H. Pagels, 1979 The Gnostic Gospels is a landmark study of the long buried roots of Christianity a work of luminous scholarship and wide popular appeal First published in 1979 to critical acclaim winning the National Book Award and the National Book Critics Circle Award The Gnostic Gospels has continued to grow in reputation and influence over the past two decades It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament In this spellbinding book renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today With insight and passion Pagels explores a remarkable range of recently discovered gospels including the Gospel of Thomas and the Gospel of Mary Magdalene to show how a variety of Christianities emerged at a time of extraordinary spiritual upheaval Some Christians questioned the need for clergy and church doctrine and taught that the divine could be discovered through spiritual search

Many others like Buddhists and Hindus sought enlightenment and access to God within Such explorations raised questions Was the resurrection to be understood symbolically and not literally Was God to be envisioned only in masculine form or feminine as well Was martyrdom a necessary or worthy expression of faith These early Christians dared to ask questions that orthodox Christians later suppressed and their explorations led to profoundly different visions of Jesus and his message Brilliant provocative and stunning in its implications The Gnostic Gospels is a radical eloquent reconsideration of the origins of the Christian faith Book jacket **Before Valentinus: The Gnostics of Irenaeus** Einar Thomassen,2023-08-21 This book offers the first detailed commentary on the Gnostic treatises reported by Irenaeus in Adversus Haereses 1 29 30 It is argued that these texts represent the earliest tangible layer of the Gnostic literary tradition and served as sources for the Apocryphon of John and other later works They also formed the starting point for Valentinus and his followers who sought to reconcile the ideas of the Gnostics with apostolic Christianity The book also shows that Irenaeus and later heresiologists referred to the Gnostics as a specific group among the great mass of heretics **2006 10) ,**

Pre-Christian Gnosticism Edwin M. Yamauchi,2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism So wrote the author in 1973 in the first edition With the publication since then of the entire Nag Hammadi library this observation has become even more incisive Was there a pre Christian Gnosticism Did Gnosticism directly or indirectly influence nascent Christianity Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles formed their message about Jesus The author here analyzes the evidence used to support this thesis He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre Christian materials are not clearly Gnostic A new chapter in this paperback edition brings the discussion up to date *Manichaeism and Early Christianity* ,2020-12-07 Manichaeism and Early Christianity comprises the selected papers from the 2019 Pretoria Congress and Consultation The sixteen chapters focus on where and how Gnostic Manichaeism interfered not only with other forms of Gnosticism but above all with the writings and representatives of mainstream Christianity during the early centuries of our era Key texts dealt with are a number of Nag Hammadi writings including the Gospel of Thomas as well as figures such as Marcion Tatian Ephrem the Syrian Chrysostom Pelagius and not least Augustine and his pupil Evodius

Studies In Gnosticism And Alexandrian Christianity Nag Hammadi And Manichaeon Studies Hardcover Book

Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change.
