human resource managers to verify the qualifications of potential employees      *Muslim Laws, Politics and Society in Modern Nation States* Ihsan Yilmaz, 2016-12-05 Drawing on theories of legal pluralism this book tests whether and to what extent claims of the modern nation state laws to exclusive dominance over other spheres are tenable and reassesses the operation of law in society Incorporating a combination of legal theory post modern critique and socio legal analysis of three current jurisdictions in which Muslims play an important role the volume identifies Muslims current socio legal situation and attitudes from different perspectives and reconciles them with modern legal systems in three key countries It analyzes the conflict between the assumptions of modern legal systems and plural legal realities and also examines attempts by modern legal systems to impose official laws in the face of resistance from unofficial Muslim laws and discusses possible responses to the challenge of dynamic Muslim legal pluralism A valuable resource for students researchers and academics with an interest in the areas of Islamic law and politics and the interplay between secular law and religious cultural traditions      Research Methods in Labour Law Alysia Blackham, Sean Cooney, 2024-08-06 This Handbook provides an accessible overview of the different methods approaches and theories which can be used to enrich labour law research Drawing on cutting edge research projects leading scholars present insights and reflections on the past present and future of labour law scholarship

**On Law, Politics, and Judicialization** Martin Shapiro, Alec Stone Sweet, 2002-08-22 Across the globe the domain of the litigator and the judge has radically expanded making it increasingly difficult for those who study comparative and international politics public policy and regulation or the evolution of new modes of governance to avoid encountering a great deal of law and courts In *On Law Politics and Judicialization* two of the world's leading political scientists present the best of their research focusing on how to build and test a social science of law and courts The opening chapter features Shapiro's classic *Political Jurisprudence* and Stone Sweet's *Judicialization and the Construction of Governance* pieces that critically redefined research agendas on the politics of law and judging Subsequent chapters take up diverse themes the strategic contexts of litigation and judging the discursive foundations of judicial power the social logic of precedent and appeal the networking of legal elites the lawmaking dynamics of rights adjudication the success and diffusion of constitutional review the reciprocal impact of courts and legislatures the globalization of private law methods hypothesis testing and prediction in comparative law and the sources and consequences of the creeping judicialization of politics around the world Chosen empirical settings include the United States the GATT WTO France and Germany Imperial China and Islam the European Union and the transnational world of the *Lex Mercatoria* Written for a broad scholarly audience the book is also recommended for use in graduate and advanced undergraduate courses in law and the social sciences      **The New Civil Rights Research** Laura Beth Nielsen, 2019-06-14 First published in 2006 this book brings together some of the most innovative and important research on civil rights law and legality this book draws on narratives of individuals from a variety of contexts to provide a rich and contextualized understanding of what happens when law interacts with other competing

systems or forms of social organization By privileging the real world experiences of those most influenced by rights the collection moves beyond the traditional polarizing debates and presents a constitutive approach to rights that is not reducible to a simple for or against rights formula While this complex consciousness approach often contributes to the reproduction of dominant subordinate social relations it also allows for spaces of resisting existing hierarchical structures embedded in various law related sites

**New Directions in Judicial Politics** Kevin T. McGuire, 2012-03-15 With its often vague legal concepts and institutions that operate according to unfamiliar procedures judicial decision making is in many respects a highly enigmatic process New Directions in Judicial Politics seeks to demystify the courts offering readers the insights of empirical research to address questions that are of genuine interest to students In addition to presenting a set of conclusions about the way in which courts operate this book also models the craft of political research illustrating how one can account for a variety of factors that might affect the courts and how they operate The renowned scholars and teachers in this volume invite critical thinking not only about the substance of law and courts in America but also about the ways in which we study judicial politics
