These *Studies* now collected from the different magazines in which they have first appeared will not I hope be considered as merely reclaimed waifs for the idea of thus bringing them together in a more permanent form has always been present to me even whilst originally writing them and having carefully revised them by the light of the most recent published information and of our own Records to which the Admiralty has been pleased to permit me free access I offer them not only as the relation of some stirring episodes in naval history but as each in its own way a contribution to the earnest study of naval policy strategy or tactics I have only to add that the dates relating to Continental affairs are given throughout in New Style those which belong to English correspondence English records or to purely English incidents are in Old Style though occasionally I have given the double date It is always a troublesome point and I can only hope that I have minimised the customary confusion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Studies in Naval History* John Knox Laughton, 2013-11-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Studies in Naval History, Biographies, by John Knox Laughton,...* John Knox Laughton, 1887 **Studies in Naval History** N.
