Studies in the Life of Christ Rory C. Foster, Rupert Clinton Foster, 1995 This work offers a comprehensive study in the life of Christ from book preface **Studies in the Life of Jesus Christ** Edward Increase Bosworth, 1905 Studies in the Life of Christ Andrew Martin Fairbairn, 1881 *Studies in the Life of Christ* Thomas Eddy Taylor, Stephen Earl Taylor, Charles Herbert Morgan, 1906 Studies in the Life of Christ Henry Burton Sharman, 1898 **Bible Studies in the Life of Christ** Henry Thorne Sell, 1902 **Studies in the Life of Christ** Andrew Martin Fairbairn, 2024-05-04 Reprint of the original first published in 1881 *Studies in the Life of Christ* Thomas Eddy Taylor, 2015-07-18 Excerpt from Studies in the Life of Christ A Year's Course of Twenty Five Lessons Providing a Daily Scheme for Personal Study Adapted Also to Class Work A course of Bible study adapted to the needs of the young people and those wishing to cooperate with them must necessarily be very flexible in character but all are equally concerned in the question of Bible study for personal spiritual growth Realizing then that some will desire to enter upon a more extensive study than others considerable work has been assigned which may from its very nature be increased or diminished according to the ability and desire of the student The work of the fourth and fifth days can be extended almost indefinitely and yet the beginner will find many things of interest which are well within his reach The topics and questions of the fifth and sixth days will be especially helpful in class work as the various members can bring in their independent findings and can verify in class the doubtful points It is suggested that in personal study and in class work homemade maps shall be used It requires neither experience nor the ability of an artist to draw good maps and charts The Outline Map of Palestine for Map drawing and Distance Map K on page 12 is divided into squares of twenty miles on a side the horizontal rows or columns of squares being designated by figures in the margin of the map from top to bottom and the perpendicular columns by letters from left to right The map is thus seen to cover an area of 200 miles north and south by 120 east and west If one wishes to make a map of the whole or of a part of Palestine he has merely to note what squares on Map K cover the given area and then to lay out on paper or cloth and mark lightly with pencil the same number of squares but on a scale fitted to the size of the map to be drawn About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Life of Lives Frederic William Farrar, 1915 **Art Studies in the Life of Christ** C. Evans, 1996 This volume offers annotated bibliographies for all the major areas of critical scholarship in the historical Jesus It is an indispensable tool for research in this important field of the study *Studies in the Life of Jesus Christ* Edward I. Bosworth, 2015-06-16 Excerpt from *Studies in the Life of Jesus Christ* This book is designed to introduce the student to the inductive study of the life of Jesus Christ It therefore takes up one by one the four accounts of the life of Jesus that have come down to us from apostolic days It has seemed best for the purpose in hand to take these four Gospels up separately rather than in the form of a Harmony because it is only through the study of them as separate wholes that the individuality of each can be adequately appreciated A further reason for such treatment is the fact that there is already published an exceedingly useful course based upon a Harmony The Gospel of Mark now generally recognized as the oldest and certainly the simplest of the four Gospels will be made the basis of the study in Part I This Gospel will be studied in detail with only occasional references to the other three Gospels for supplementary matter Briefer surveys of Matthew and Luke will be taken with the purpose of discovering their individual characteristics Last of all in Part II John s Gospel will be studied at some length The Gospel of Mark will by this arrangement serve as a standard for purposes of comparison in the study of the other Gospels This emphasis of Mark is also desirable for another reason namely that Mark s Gospel consists of

narrative rather than teaching and since the teaching of Jesus receives special attention in the last course in the College Cycle Studies in the Teaching of Jesus and His Apostles it is desirable in the present course to pay attention chiefly to the narrative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Life of Jesus research* Evans,2019-07-01 Life of Jesus Research offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study
