# Studies Of Contemporary Thailand

**Michael J Montesano, Terence  
Chong, Mark Heng Shu Xun**

## **Studies Of Contemporary Thailand:**

Studies in Contemporary Thailand ,1991      **Studies of contemporary Thailand** Canberra Austral. nat. univ., research sch. of Pacific studies, dept. of human geogr,1975      Studies of Contemporary Thailand Robert Ho,E. C. Chapman,1975

**Studies of contemporary Thailand** Edward Charles Chapman,Robert Ho,1973      Routledge Handbook of Contemporary Thailand Pavin Chachavalpongpun,2019-10-17 The Routledge Handbook of Contemporary Thailand is a timely survey and assessment of the state of contemporary Thailand While Thailand has changed much in the past decades this handbook proposes that many of its problems have remained intact or even persistent particularly problems related to domestic politics It underlines emerging issues at this critical juncture in the kingdom and focuses on the history politics economy society culture religion and international relations of the country A multidisciplinary approach with chapters written by experts on Thailand this handbook is divided into the following sections History Political and economic landscape Social development International relations Designed for academics students libraries policymakers and general readers in the field of Asian studies political science economics and sociology this invaluable reference work provides an up to date account of Thailand and initiates new discussion for future research activities      **STUDIES OF CONTEMPORARY THAILAND- PAPERS OF A SEMINAR ON THAILAND- RESEARCH SCHOOL OF PACIFIC STUDIES. ,**

**Contemporary Socio-Cultural and Political Perspectives in Thailand** Pranee Liamputtong,2014-01-13 This volume examines contemporary Thailand It captures aspects of Thai society that have changed dramatically over the past years and that have turned Thailand into a society that is different from what most people outside the country know and expect The social transition of Thailand has been marked by economic growth population restructuring social and cultural development political movements and many reforms including the national health care system The book covers the social cultural and economic changes as well as political situations It discusses both historical contexts and emerging issues It includes chapters on social and public health concerns and on ethnicity gender sexuality and social class Most chapters use information from empirical based and historical research They describe real life experiences of the contributors and Thai people who participated in the research      The Thaksinization of Thailand Duncan McCargo,Ukrist Pathmanand,2005 The 1997 economic crisis ended two decades of pluralism in Thai politics and helped create the conditions for the landslide election victory in January 2001 of Thaksin Shinawatra a fabulously wealthy telecommunications magnate often compared with Italian premier Silvio Berlusconi Prime minister Thaksin has since exercised an extra ordinary degree of personal dominance over the Thai political scene The emergence of Thaksin and his Thai Rak Thai Thais love Thai Party has transformed Thailand s electoral landscape rendering previous analyses of Thai politics substantially outdated This book will examine Thaksin s background his business activities the emergence of Thai Rak Thai his relationship with the military Thaksin s use of rhetoric through media such as radio his wider political economy networks and the future direction of Thai politics This detailed but

gripping study draws on extensive research by two leading specialists in the field      **Policy Analysis in Thailand** ‘Ōra’ōn Phūčhārōēn, Ora-orn Poocharoen, Piyapong Boossabong, 2023-05-22 This book represents the first systematic overview of policy analysis in Thailand

**The Ambiguous Allure of the West** Rachel V. Harrison, Peter a. Jackson, 2010-01-01 The book brings studies of modern Thai history and culture into dialogue with debates in comparative intellectual history Asian cultural studies and postcolonial studies It takes Thai Studies in new directions through case studies of the cultural hybridity and ambivalences that have emerged from the manifold interactions between Siam Thailand and the West from 1850 to the present day

The Oxford Handbook of Contemporary Buddhism Michael K. Jerryson, 2017 The Oxford Handbook of Contemporary Buddhism offers a comprehensive collection of work by leading scholars in the field They examine the historical development of Buddhist traditions throughout the world from traditional settings like India Japan and Tibet to the less well known regions of Latin America Africa and Oceania

*Pilgrimage in the Age of Globalisation* Nelia Hyndman-Rizk, 2012-04-25 This edited collection brings together a series of ethnographically grounded studies on sacred and secular pilgrimage in the age of globalisation from around the world Pilgrimage is explored as a distinctive form of mobility in late modernity which emphasises inner transformation Thus the studies in this volume show how pilgrimage unifies physical and metaphysical mobility into a holistic project of self realisation through motion

**After the Coup** Michael J Montesano, Terence Chong, Mark Heng Shu Xun, 2019-01-07 After the Coup brings together the work of a group of leading Thai intellectuals of several generations to equip readers to anticipate and understand the developments that lie ahead for Thailand Contributors offer findings and perspectives both on the disorienting period following the Thai coup of May 2014 and on fundamental challenges to the country and its institutions Chapters address regionalism and decentralization the monarchy and the military the media demography and the economy the long running violence in Southern Thailand and a number of surprising social and political trends certain to shape the future of Thailand The volume will serve as a valuable resource for all those concerned with that future This highly acclaimed collection of scholars answers to basic questions about the political situation after the 2014 military coup in Thailand offers a comprehensive analysis of many crucial institutions and sensitive issues that no other work has touched The book covers the intricate relationships among conflicting classes political movements the military and above all the monarchy It puts on the table many important debates about the crisis of democratization in the country including the struggle of Malay Muslims in Southern Thailand the transformation of electoral violence the dilemma of political decentralization the changing roles of the media and the impact of slowing economic growth and an ageing society on the future of Thailand Kanokrat Lertchoosakul Chulalongkorn University author of *The Rise of the Octobrists in Contemporary Thailand* After the Coup should be read by anyone interested in understanding the current state of Thailand s political affairs tracing the historical origins of the current challenges and conflicts or looking for clues about what may be to come This outstanding set of scholars explores how Thailand s disparate collective identities

are at the root of the current political and social conflict These collective identities carry with them different visions of what it means to be Thai what democracy is and how it should function and the sources of political legitimacy The chapter authors describe how those behind Thailand's ambitious coup have attempted to crush co opt quell and contain these competing visions Allen Hicken University of Michigan author of *Building Party Systems in Developing Democracies* Featuring a collection of essays authored by many of the field's leading lights expertly curated and edited by one of the most knowledgeable scholars in Thai Studies *After the Coup* is a vital contribution to the study of contemporary Thai politics The depth and sophistication of its analysis and the variety of viewpoints represented make it a must read for anyone wishing to understand the significance of the events set in motion by the military coup staged in Thailand on 22 May 2014 one in crucial respects quite unlike the series of coups d tat that punctuate the country's modern political development Federico Ferrara City University of Hong Kong author of *The Political Development of Modern Thailand* This book covers many of the most important current aspects of the Thai political problem to help readers better understand why Thailand continues in its struggle to democracy For example it provides for a very insightful sense of an emergent middle class that has been one of the main obstacles in Thai democratic progress both before and since the military coup d tat of 2014 Titipol Phakdeewanich Dean Faculty of Political Science Ubon Ratchathani University

*Buddhists* Todd Lewis, 2014-04-02 *Buddhists* Understanding Buddhism through the Lives of Practitioners provides a series of case studies of Asian and modern Western Buddhists spanning history gender and class whose lives are representative of the ways in which Buddhists throughout time have embodied the tradition Portrays the foundational principles of Buddhist belief through the lives of believers illustrating how the religion is put into practice in everyday life Takes as its foundation the inherent diversity within Buddhist society rather than focusing on the spiritual and philosophical elite within Buddhism Reveals how individuals have negotiated the choices tensions and rewards of living in a Buddhist society Features carefully chosen case studies which cover a range of Asian and modern Western Buddhists Explores a broad range of possible Buddhist orientations in contemporary and historical contexts

*Modern Thai Buddhism and Buddhadasa Bhikkhu* Tomomi Ito, 2012 The Buddhist monk Buddhadasa Bhikkhu 1906 1993 injected fresh life into Thai Buddhism by exploring and teaching little known transcendent aspects of the religion His investigations excited both monks and lay people and gave rise to the vigorous discussion in shops temple yards and newly founded Buddhist associations Moreover he was a prolific author who produced a rich array of publications that are indicative of his popularity and the impact of his teachings While these discussions included serious exchanges on doctrine and practice they also included jokes and light humor criticisms of weak evidence for certain positions and a defamation campaign arising from rumors that Buddhadasa was a communist sympathizer Buddhadasa's thoughts and historical context coincide with the general picture of modern Buddhism and he may be seen as an agent of Buddhist modernity but he worked predominantly in Thailand through the medium of the Thai language and he contributed much more

significantly to Thai Buddhists than to Buddhist practice outside the country. An enormous amount of material relating to Buddhadasa Bhikkhu has been captured in religious journals and in numerous pocket books aimed at a general audience. Departing from the classical method of studying Buddhism through philology, Tomomi Ito's account of Buddhadasa Bhikkhu draws on this popular literature and on conversations with a broad spectrum of the people involved in these discussions to develop an account of Buddhism as it is experienced by Thai people. The result is a lively intellectual and social history of contemporary Thai religion and society built around the life of an exceptional monk who captured the interest of Buddhists pursuing spiritual depth in the context of the ideological conflicts of the Cold War.

**Cultural Governance and Resistance in Pacific Asia** William A. Callahan, 2006-05-03 This text examines the politics of culture and the culture of politics in Pacific Asia through case studies on the South Pacific, China, South Korea, Thailand, and Southeast Asia. The contexts and cultures of the chapters are wide ranging and Callahan skilfully ties them together with the objective of analyzing the relation between the state's cultural governance and resistance to it. The themes covered include governmentality and cultural production, popular culture and resistance, East-West relations, gender, identity and democracy, civil society, social movements and democracy, national and transnational identity, production. **Cultural Governance and Resistance in Pacific Asia** addresses the dynamics between Asian studies and cultural studies and the overlap between comparative politics and international relations and as such will appeal to students and scholars of Asian studies, cultural studies, comparative politics, sociology and anthropology alike.

**Nirvana for Sale?** Rachele M. Scott, 2009-09-17 What is the proper relationship between religion and prosperity? Rachele M. Scott looks at this issue in a Thai Buddhist context, asking when the relationship between Buddhist piety and wealth is viewed in favorable terms and when it is viewed in terms of conflict and tension. Scott focuses on the Dhammakaya Temple, an organization that has placed traditional Theravada practices such as meditation and merit making within a modernist framework that encourages personal and social prosperity. The Temple's construction of a massive religious monument in the late 1990s embodied this message but also sparked criticism of the Temple's wealth and fund-raising techniques and engendered debates over authentic Buddhism and religious authority. Scott situates this controversy within the context of postmodern Thailand and the Asian economic crisis when reevaluations of wealth, global capitalism and Asian values occupied a preeminent place in Thai public discourse.

**The Geography of Southeast Asia** Thomas A. Rumney, 2010 This book discusses the varied geographical aspects of Southeast Asia, an area that has long been of interest to geographers and other academics. This collection identifies, organizes and presents various scholarly publications on subjects ranging from cultural, social, geography, economic geography, historical geography, physical geography, political geography and urban geography.

**Democracy or Alternative Political Systems in Asia** Hsin-Huang Michael Hsiao, 2014-01-10 From the 1980s onwards, a tide of democratization swept across the Asian region as the political strongmen who had led since the end of World War II began to fall. Although it is generally assumed that once authoritarian leaders no

longer hold power the political landscape will drastically change and the democratic transition will simply be a matter of time this book shows that the move towards democracy in Asia has by no means been linear process and there have been a number of different outcomes that reflect the vastly divergent paths towards liberalization the Asian nations have followed This book examines seven countries that were previously under authoritarian or semi authoritarian rule but then followed very different trajectories towards increasing liberalization after the fall of political strongmen South Korea Taiwan China the Philippines Indonesia Malaysia and Thailand Importantly the case studies reveal the factors that may enable transition to a more democratic system and alternatively the factors that inhibit democratic transition and push countries down a more authoritarian path In turn three key models that follow the fall of a political strongman emerge democratization with substantial political reform and consolidation democratization with limited political reform leading to weak democratic institutions and instability and an alternative political system with sustained authoritarianism By tracing these very different paths and outcomes in the wake of a strongman s fall the contributors present valuable information for countries on the course towards democratization as well as governments and organisations who work to facilitate this process This book will be welcomed by students and scholars interested in Asian politics governance and democratization studies     **The**  
**Buddhist World of Southeast Asia** Donald K. Swearer,1995-01-01 This is a synthesis and interpretation of Buddhism in Southeast Asia No other book matches its depth and breadth or its balance of scholarly interpretation and readable personal portrayal

## Whispering the Strategies of Language: An Emotional Journey through **Studies Of Contemporary Thailand**

In a digitally-driven earth wherever displays reign supreme and instant interaction drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words often go unheard. However, located within the pages of **Studies Of Contemporary Thailand** a fascinating literary value pulsating with organic emotions, lies an exceptional quest waiting to be undertaken. Penned by an experienced wordsmith, that charming opus invites viewers on an introspective journey, softly unraveling the veiled truths and profound influence resonating within the fabric of every word. Within the psychological depths of the emotional evaluation, we will embark upon a genuine exploration of the book's core themes, dissect their captivating publishing fashion, and succumb to the effective resonance it evokes deep within the recesses of readers' hearts.
