Martin, 2017-10-10 Pastors and students will appreciate this new edition with its up to date bibliography and discussion of pertinent issues In this full revision and update of the book of Second Corinthians Dr Ralph P Martin addresses the scholarly questions about the text of the epistle and the significance of Paul s thought for Christian living and ministry In a penetrating analysis of Paul s responses to the various crises within the Corinthian congregation Dr Martin gives insight into the particular problems of Christianity as expressed in the hedonistic cosmopolitan setting of Corinth He shows how Paul s attempt to clearly distinguish the gospel from Hellenistic Judaism and Hellenistic Jewish Christian ideology results in a moving statement of the Christian message Rather than the theology of glory prevalent in Corinth Paul articulates his theology of the Cross as a theology of weakness of servanthood and ministry What was at stake at Corinth says Dr Martin was nothing less than the essence of the kerygma as in expressed in the way of the cross for proclamation and daily living New sections on the Collection and Rhetoric have been added and the issues of

Composition and Social Setting of the letter have been included along with topics such as the Spirit the Opponents Paul's Theology and the Resurrection in this epistle The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture **A Heart Opened Wide** Homer Austin Kent,1982-01-01

Controlled by Love Dorothy Russell,2005 Helping the church get back on track part 2 After sending 1st Corinthians to the church in Corinth Paul has sent Timothy and later Titus to help sort out their problems He even paid an emergency visit himself Just as he was about to despair of getting the church to accept his answers Titus arrived back with the news that the Corinthians had repented and were now back on track This epistle was sent on ahead of a final meeting with Paul to tie up some loose ends and encourage better leadership in the church It provides us with a better model to follow too to make sure that we don't go off the rails Helpful notes bring the significance of these chapters into focus and speak clearly to us today Geared for Growth study materials encourage A Daily Encounter with God Your 10-15 minutes each day will strengthen the impact of God's word on your daily living Group learning and sharing Meet weekly in a small group share your answers and be enriched as you learn from others Spiritual Growth You will be challenged to put God's Word into practice Others will feel the impact as you obey grow and mature Church Growth Introduce people to Spiritual reality Your study group could be the stepping stone for others coming to faith *2 Corinthians* Reimund Bieringer,Emmanuel Nathan,Dominika

Through Sufferings A. E. Harvey,1996-01-01 A fascinating new approach to 2 Corinthians in the light of Paul's experience of facing death *Paul Decentered* Arminta M. Fox,2019-12-02 This book argues that the presence of women in the Christ communities of first century Corinth changes how 2 Corinthians should be interpreted Using a feminist approach to interpret the text Arminta M Fox presents readings that are ethically and historically viable She examines how questions of community identity and leadership are situated within broader discourses of power in the Roman imperial and patriarchal contexts of the first century Mediterranean world By assuming the dialogical presence of strong and diverse women leaders in the community Fox develops counter readings to ones that assume Paul's singular authority **2 Corinthians** N. T.

Wright, Patty Pell, 2010-05-27 With a scholar's mind and a pastor's heart N T Wright guides us through the New Testament book of 2 Corinthians moving us from the world in which it was lived into the world in which we must live it again Includes thirteen sessions for group or personal study Meaning and Truth in Second Corinthians Frances M. Young, David F. Ford, 2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul's authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul's words inviting a complete rereading of the letter in the light of all that has gone before

 A NavPress Bible Study on the Book of 2 Corinthians The Navigators, 2018-12-04 LIFECHANGE Bible studies allow the Bible to speak for itself You'll see for yourself what it says not what someone else thinks it says and develop the skills and desire to dig even deeper into God's Word **Expository Studies in 2 Corinthians** Ray C. Stedman, 1982 *Theologizing in the Corinthian Conflict* Reimund Bieringer, Ma. Marilou S. Ibita, Dominika Kurek-Chomycz, Thomas A. Vollmer, 2013 Theologizing in the Corinthian Conflict is a collection of twenty exegetical studies on 2 Corinthians Most of the texts were originally presented as papers during the annual meetings of the European Association of Biblical Studies Some of the literary critical issues of 2 Corinthians are touched upon in several contributions Other essays focus on a variety of theological and interpretive questions hermeneutics the narrative and social world revelation terminology Paul's theology of God and Christ the understanding of the Spirit the letter and the Spirit conflict and reconciliation poverty and wealth debt theology and the collection identity formation synagogue beatings parental beneficence new creation and righteousness of God dying for and being raised for life after death eschatology and new covenant mysticism In their diversity the contributions of this book have in common that they are concerned with theological topics in exegetical perspective using a variety of approaches and methodologies The goal of this book is not to reconstruct the theology of Paul but to gain a deeper understanding of Paul's theologizing in the Corinthian context of conflict and reconciliation *Second Corinthians* William M. Ramsay, 2004-01-01 This accessible Bible study will help to explain some of the more challenging aspects of Second Corinthians especially by focusing on what is delightful and inspiring about the biblical book In Second Corinthians we find promises of a glorious life after death interesting and thought provoking figures of speech describing followers of Christ powerful stewardship messages an amazing example of humility and proper respect and much more By the end of this study it will be easy to see why the folk at Corinth so loved and revered Paul that they collected this letter and others to save for future generations Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the

2 CORINTHIANS Paul's long complicated history with the Corinthian church culminates in this ardent defence of Christian ministry in general and of his own ministry in particular Colin G Kruse provides an insightful analysis that illuminates Paul's contrast of the old and new covenants and his eloquent exposition of the ministry of reconciliation He also charts a clear plausible course through the maze of the literary history of Paul's correspondence with the Corinthian Christians

2 Corinthians: the Gospel in All of Life Gary Millar, 2020-04 Seven accessible and flexible Bible studies in 2 Corinthians Seven accessible and flexible Bible studies in 2 Corinthians by Gary Millar Welcome to messy church Really messy church Corinth was the ancient world's equivalent of a modern thriving multicultural city And when Paul preached the gospel and a church was born it very quickly got complicated Open immorality false teaching and a sense of pride and arrogance were just the start And in the middle of it all Paul strives to teach love rebuke and restore this troubling and troubled congregation to the true path of humble gospel hearted faith and service Like us the Corinthian Christians struggled to struggle and preferred to prosper Ungrateful and arrogant they needed to hear some hard truths that Paul sets out in this deeply personal letter But Paul also reveals here his heart for Christ's people a heart filled with the true love of Jesus for his headstrong wayward children For Paul gospel ministry is what we all do It is walking with speaking for and serving Jesus in all of life and so this letter is written for all of us 2 Corinthians takes us through how to live by faith as broken people in our broken world It provides the key to embracing our weakness and living in the strength which God himself supplies
