Studies On Economic Well Being Essays In Honor Of John P Formby:

Studies on Economic Well Being Yoram Amiel, John A. Bishop, 2004-12-01 A collection of papers which examine the impact of the minimum wage It applies experimental methods to study respondent s attitudes toward inequality and risk It also investigates the properties of intermediate measures of inequality Tax Policy Design and Behavioural Microsimulation Modelling Hielke Buddelmeyer, John Creedy, Guyonne Kalb, 2007-01-01 Tax policy questions may relate to specific problems concerning perhaps the revenue implications of a particular tax or they may involve an extensive analysis of the cost and redistributive effects of many taxes and transfer payments This book is concerned with the ways in which tax policy design can be enhanced by the use of a behavioural tax microsimulation model capable of evaluating the effects of planned or actual tax reforms An advantage of such a large scale tax simulation model which reflects the heterogeneity of the population and captures the details of the tax structure is that it can examine detailed practical policy questions and can provide direct inputs into policy debates After introducing behavioural models the authors discuss the role of means testing several hypothetical policy reforms actual and proposed reforms and recent modelling developments Tax Policy Design and Behavioural Microsimulation Modelling will be of interest to academics and researchers of economics econometrics and public finance It will also be useful reading for policymakers responsible for the formulation of taxation **assessing the redistribution effect of fiscal policy** , **Journal of Economic Literature** , 2006 Practical Microsimulation Modelling Cathal O'Donoghue, 2021-09-23 The purpose of this book is to bring together for the first time a description and examples of the main methods used in microsimulation modelling used in the field of income distribution analysis It is structured to develop and use the different types of models used in the field with a focus on household targeted policy The book aims to provide a greater degree of codified knowledge by providing a practical guide to developing and using microsimulation models At present the training of researchers and analysts that use and develop microsimulation modelling is done on a relatively ad hoc basis through occasional training programmes and lecture series built around lecture notes Practical Microsimulation Modelling enables a more formalised and organised approach Each chapter addresses a separate modelling approach in a similar consistent way describing in a practical way the key methodological skills for each approach *New Frontiers in Microsimulation Modelling* Ann Harding, 2017-10-19 In the past fifteen years microsimulation models have become firmly established as vital tools for analysis of the distributional impact of changes in governmental programmes Across Europe the US Canada and Australia microsimulation models are used extensively to assess who are the winners and losers from proposed policy reforms this is now expanding into new frontiers both geographically and in terms of policy areas With contributions from more than 60 international experts this volume offers a comprehensive introduction to the state of microsimulation internationally illustrating a wide range of new applications and approaches It will be of relevance to government policy makers social policy planners economists and those concerned with predicting the impact of public policy

change and to academics in a variety of disciplines especially social and public policy human geography development studies and economics

European Identities, Inclusion and Equality Despoina Anagnostopoulou, 2025-07-14 The volume takes an interdisciplinary and intersectional approach to recent trends in European identities social exclusion and poverty on the one hand and social rights and equality legislation and policies in the European Union on the other It examines whether legal instruments and policies can effectively address structural discrimination and social exclusion explores their interplay with identity politics and stereotypes and examines how legal principles and policies translate into societal progress and inclusion at both the EU and national levels The book highlights the social rights safeguarded in the European Pillar of Social Rights the EU Charter of Fundamental Rights and the Council of Europe s European Social Charter as well as the role of EU and national courts in interpreting social rights and non discrimination legislation Using case studies from Greece Italy and Spain the book examines state and civil society initiatives to combat poverty and marginalization The book will appeal to students researchers and academics in political science law sociology and education as well as policy makers and practitioners interested in equality and social policies aimed at combating social exclusion marginalization and poverty

Handbook of Income Distribution Anthony B. Atkinson, Francois Bourguignon, 2014-12-30 What new theories evidence explanations and policies have shaped our studies of income distribution in the 21st century Editors Tony Atkinson and Francois Bourguignon assemble the expertise of leading authorities in this survey of substantive issues In two volumes they address subjects that were not covered in Volume 1 2000 such as education health and experimental economics and subjects that were covered but where there have been substantial new developments such as the historical study of income inequality and globalization Some chapters discuss future growth areas such as inheritance the links between inequality and macro economics and finance and the distributional implications of climate change They also update empirical advances and major changes in the policy environment The volumes define and organize key areas of income distribution studies Contributors focus on identifying newly developing questions and opportunities for future research The authoritative articles emphasize the ways that income mobility and inequality studies have recently gained greater political significance

EŞİTSİZLİĞİN EL KİTABI VE BÜYÜMEYLE İLİŞKİSİ Dr. REZA BEHJATI YALGHOUZAGHAJ, 2024-08-31 Bu kitabın iki temel hedefi bulunmaktadır İlk olarak eşitsizlik alanındaki yeni araştırmalara yer vermek isteyenlere bir yol haritası niteliği taşımaktadır Bu bağlamda eşitsizliğin tanımı türleri ölçümü ve hangi gruplar arasında olduğu gibi kritik konulara sistematik bir yaklaşımla değinilmektedir İkinci olarak kitap ekonomik büyümenin farklı dönemlerdeki etkilerini farklı gelir grupları zeminde inceleyerek bu sürecin kapsayıcılığı yoksa dileyiciliği olduunu yenilikçi bir yöntemle analiz etmeyi amaçlamaktadır Bu yaklaşım ekonomik büyümenin hangi koşullarda ve hangi ülkelerde kapsayıcı veya dileyici bir karakter sergilediğini daha net bir şekilde ortaya koymaktadır
