Studies On Psalms Oudtestamentische Studien:

Studies on Psalms ,1963 **Studies on Psalms** Boer,2022-10-24 **oudtestamentische studien namens het oudtestamentisch werkgezelschap in nederland uitgegeven door** , Studies in Hebrew and Ugaritic Psalms Yitshak Avishur,1994 The volume offers a fresh analysis of a central problem of comparative Ugaritic Biblical scholarship the relationship between biblical psalms and Canaanite literature A critical survey summarizes the various stages of comparative scholarship over more than fifty years There follow the two principal parts of the book the first concerns Hebrew psalms with affinities to Ugaritic literature and the second Ugaritic psalms and prayers with affinities to Hebrew literature A detailed analysis of the form structure themes and motifs of biblical texts and a scrutiny of their verses cola phrases and vocabulary against the background of ancient Near East literature lead to the thesis that there is no justification for assuming that Canaanite psalms are found in the Bible or that biblical literature and Ugaritic literature should be considered a single entity It is alleged that affinities may be elucidated based on common thematic linguistic and stylistic elements **The Hebrew Book of Psalms. - Leiden: Brill 1947. VIII, 613 S. 8°** Bernardus Dirk Eerdmans, **The Divine Builder in Psalm 68** Todd A. Scacewater,2020-05-14 The problem of Psalm 68 19 Masoretic Text in Ephesians 4 8 has a rich history of interpretation particular focus has been placed on Jewish and Pauline interpretations of the psalm and the Jewish exegetical tradition that reads Moses as the one who ascends Mount Sinai to receive and give the law Todd Scacewater suggests a second tradition henceforth unnoticed that interprets Psalm 68 eschatologically While both traditions are significant Scacewater maintains that the eschatological tradition provides a better matrix through which to understand Paul s use of the psalm Scacewater argues that another key for understanding Pauline use of the psalm is the divine builder topos which is pervasive in the ancient Near East utilized in Psalm 68 and evident in Paul s understanding of the psalm as he applies it to Christ the eschatological divine builder Discussing the context of Ephesians the building of the Temple and the trope of the divine builder and Psalm 68 s position in early late Judaism and Ephesians Scacewater contributes to a new methodology for studying how the New Testament authors interpreted and appropriated Hebrew Scriptures **A Theological Introduction to the Book of Psalms** J. Clinton McCann,1993 In a fresh approach to the Book of Psalms McCann reads them in the context of their final shape and canonical form He interprets the Psalms in their identity as Scripture as well as in their character as songs prayers and poetry from Israel s history A solid balanced and helpful introduction to the Book of Psalms Patrick D Miller Princeton Theological Seminary *Oudtestamentische Studien - Namens het outestamentish Wergezelschap in Nederland* P. A. H. De Boer, **The End of the Psalter** Alma Brodersen,2017-06-26 Psalms 146 150 sometimes called Final Hallel or Minor Hallel are often argued to have been written as a literary end of the Psalter However if sources other than the Hebrew Masoretic Text are taken into account such an original unit of Psalms 146 150 has to be questioned The End of the Psalter presents new interpretations of Psalms 146 150 based on the oldest extant evidence the Hebrew Masoretic

Text the Hebrew Dead Sea Scrolls and the Greek Septuagint Each Psalm is analysed separately in all three sources complete with a translation and detailed comments on form intertextuality content genre and date Comparisons of the individual Psalms and their intertextual references in the ancient sources highlight substantial differences between the transmitted texts The book concludes that Psalms 146 150 were at first separate texts which only in the Masoretic Text form the end of the Psalter It thus stresses the importance of Psalms Exegesis before Psalter Exegesis and argues for the inclusion of ancient sources beyond to the Masoretic Text to further our understanding of the Psalms

My Psalm Has Turned into Weeping Will Kynes, 2012-10-30 Drawing inspiration from the widely recognized parody of Ps 8 5 in Job 7 17 18 this study inquires whether other allusions to the Psalms might likewise contribute to the dialogue between Job his friends and God An intertextual method that incorporates both diachronic and synchronic concerns is applied to the sections of Job and the Psalms in which the intertextual connections are the most pronounced the Job dialogue and six psalms that fall into three broad categories praise 8 107 supplication 39 139 and instruction 1 73 In each case Job's dependence on the Psalms is determined to be the more likely explanation of the parallel and in most allusions to the same psalm appear in the speeches of both Job and the friends The contrasting uses to which they put these psalms reflect conflicting interpretive approaches and uncover latent tensions within them by capitalizing on their ambiguities They also provide historical insight into the Psalms authority and developing views of retribution The dialogue created between Job and these psalms indicates the concern the book has with the proper response to suffering and the role the interpretation of authoritative texts may play in that reaction

liturgy and prayer study and preaching musical composition and artistic illustration poetic and dramatic imitation and contemporary discourse With lavish illustrations using examples from both music and art *Psalms Through the Centuries* Volume Two offers a detailed commentary on each psalm with an extensive bibliography a large glossary of terms and helpful indices It is an ideal resource both for students and scholars in the academy and for lay people and ministers in church and synagogue *Psalms Through the Centuries* is published within the Wiley Blackwell Commentary series Further information about this innovative reception history series is available at www.bbibcomm.info *Psalms* David E. Garland, 2008 This is a complete revision of the Gold Medallion winning commentary series It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint Publisher description *Melchizedek's Alternative Priestly Order* Joshua Mathews, 2013-10-03 Gen 14 18 20 is a brief episode depicting the encounter between Abram and Melchizedek Taking this episode and its context in the Pentateuch as the starting point Mathews sets out to analyze the text as it has been composed in order to understand the biblical and theological significance of this priest king Melchizedek The thesis proposed and investigated is that Melchizedek's royal priestly portrayal in Genesis initiates a priesthood that is intentionally presented as an alternative to Aaron and his priesthood The claim is that this distinct priestly order is evident in the biblical text as we have it and it may be discerned by reading the text carefully on its own terms with close attention to its compositional features Chapter 1 introduces the study and offers an overview of the history of interpretation related to Genesis 14 and Melchizedek In ch 2 various hermeneutical issues and approaches are examined in order to clarify methodology and identify some of the problems being addressed In ch 3 the heart of the book Mathews considers Gen 14 18 20 in the context of the Pentateuch focusing on Melchizedek in relation to the Abrahamic narrative and covenant the royal message of the Pentateuch and Aaron's priesthood Beginning with Psalm 110 ch 4 identifies echoes of Melchizedek and his priesthood in several texts in the Prophets and Writings The book concludes in ch 5 with a summary and synthesis of the preceding analysis as well as some implications and suggestions for further research *Conflict and Enmity in the Asaph Psalms* David Cameron Ray, 2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God's own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God's ways recognise complicity in suffering and place complete trust in the warrior judge God
