

The background of the entire poster is a vibrant, detailed illustration from a medieval manuscript. It depicts a knight in armor on a brown horse, slaying a dragon with a red crest. The scene is set against a backdrop of swirling golden and blue clouds. In the upper right, a golden tower or castle is visible. The style is characteristic of late medieval illumination, with rich colors and intricate details.

INTRODUCTION TO MEDIEVAL STUDIES

TUESDAYS AND THURSDAYS, 1:30-2:45

This course provides a journey through the cultures, peoples, objects, and ideas of the millennium commonly described as "medieval", extending from the reorganization of the Roman world in the fourth century to the transformations of the Mediterranean world order in the fifteenth. While historians often emphasize the divisions and dislocations of this era, there also were important continuities and similarities between the societies around, and on either side of, the Mediterranean Sea. The first week of the course will offer a very brisk introduction to the broad political and religious history of Europe and the Mediterranean world from 400 to 1500, while the rest of the semester will be something of a medieval "tasting menu"—a chance for you to become familiar with a variety of important phenomena, ideas, and objects, and to develop your palate in new and unfamiliar ways. We will travel virtually through a series of medieval spaces and places—houses of worship, homes, palaces, schools, marketplaces, and the open road—exploring medieval books and objects in Harvard's collections as well as texts ranging from a Christian retelling of the Buddha's life, to an Arab gentleman's account of the Vikings, to twelfth-century tales of fairies and werewolves.

Studies In Medieval Modern German Hist:

Studies in Medieval and Modern German History Walther Hubatsch, 1985-04-22 **Poverty and Welfare in Modern German History** Lutz Raphael, 2016-12-01 For many the history of German social policy is defined primarily by that nation's postwar emergence as a model of the European welfare state. As this comprehensive volume demonstrates, however, the question of how to care for the poor has had significant implications for German history throughout the modern era. Here eight leading historians provide essential case studies and syntheses of current research into German welfare from the Holy Roman Empire to the present day. Along the way they trace the parallel historical dynamics that have continued to shape German society, including religious diversity, political exclusion and inclusion, and concepts of race and gender.

Monsters and Monstrosity in Jewish History Iris Idelson-Shein, Christian Wiese, 2019-02-21 This is the first study of monstrosity in Jewish history from the Middle Ages to modernity. Drawing on Jewish history, literary studies, folklore, art history, and the history of science, it examines both the historical depiction of Jews as monsters and the creative use of monstrous beings in Jewish culture. Jews have occupied a liminal position within European society and culture, being deeply immersed yet outsiders to it. For this reason, they were perceived in terms of otherness and were often represented as monstrous beings. However, at the same time, European Jews invoked with tantalizing ubiquity images of magical, terrifying, and hybrid beings in their texts, art, and folktales. These images were used by Jewish authors and artists to push back against their own identification as monstrous or diabolical and to tackle concerns about religious persecution, assimilation, and acculturation, gender, and sexuality, science and technology, and the rise of antisemitism. Bringing together an impressive cast of contributors from around the world, this fascinating volume is an invaluable resource for academics, postgraduates, and advanced undergraduates interested in Jewish studies as well as the history of monsters.

The Economic History of European Jews Michael Toch, 2012-09-28 The Economic History of European Jews offers a radical revision of demographics and economics. It explains how the presence of Jews was a limited one and their trade was just that: trade by Jews, not Jewish Trade.

The Abbot and his Peasants Katherine Brun, 2016-09-26 Der Abt und seine Bauern: Territorialisierung als Prozess in Salem vom Späten Mittelalter bis zum Dreißigjährigen Krieg. Die Studie über die reichsunmittelbare Zisterzienserabtei Salem eröffnet neue Einsichten über grundlegende politische Entwicklungen in der Frühen Neuzeit. Sie beleuchtet die Möglichkeiten und die Grenzen kirchlicher Herrschaft und weist auf breiter Quellengrundlage den dauerhaften politischen Einfluss der Bauernschaft nach. In der untersuchten Periode von 1473 bis 1637 festigte die Abtei ihre politische Herrschaft über Land und Leute. Im Zuge der Territorialisierung verdichtete sie verschiedene Herrschaftsrechte in ihrer Hand und schloss das Herrschaftsgebiet ab. Dies wurde auf zwei Ebenen erreicht. Erstens wurden die Grenzen des Territoriums gegen Außen eindeutig definiert in räumlich, physischer, rechtlicher und symbolischer Hinsicht. Zweitens wurden die Untertanen vollständig in das eigene Territorium integriert. Diesen Prozess kann man jedoch nicht einfach als Staatsbildung von oben durch die

Aktivitäten der bte charakterisieren Deren Herrschaft wurde zwar gestrkt und zentralisiert aber durchaus nicht vornehmlich auf Kosten der Bauernschaft Deren materielle Bedrfnisse und Interessen wurden aufgegriffen so dass gtliche Vergleiche zustande kamen Das Beispiel Salem zeigt das Moment politischer Inklusion auf einer breiten sozialen Basis Durch kleinteiliges Agieren und auf dem Wege direkter Kommunikation brachten sich die kommunalen Entscheidungstrger aus der Bauernschaft wirkungsvoll ein So entwickelte sich die Herrschaft in der Abtei aufgrund interaktiver Prozesse fort Wir begegnen also in der Arbeit vielseitigen Aushandlungsprozessen bei denen sowohl wechselnde Bndnisse und ungleiche Partnerschaften als auch das Prinzip der Gegenseitigkeit sowie direkte Kooperation zwischen sozialen Gruppen mitwirkten Dieses Primat des Verhandlungsprinzips brachte wechselseitige Vorteile nicht weil die sozialen Gruppen von vornherein gemeinsame Interessen hatten sondern da sich Kommunikationskanle ffneten und Konflikte abschwachten Die Kommunikation im Territorium lief ber zwei zentrale Institutionen das Sidelgericht und das Verhr Diese beiden Krperschaften vermochten es nicht nur Konflikte zu dmpfen und diverse soziale Gruppen zu integrieren sondern auch deren Anliegen zu bercksichtigen und hier lag das Fundament der bemerkenswerten politischen und sozialen Stabilitt in Salem So ist dieses kleine Territorium ein Beispiel dafr wie ein erfolgreiches Gemeinwesen vorgeht wie es stndig neue Ziele entwickelt und sich dabei selbst erholt Durch diese Forschungsarbeit ber Salem werden die Potenziale und Grenzen der Staatsbildung im Reich grundlegend beleuchtet sie zeigt auf wie die Beziehungen zwischen Herren und Untertanen in der Frhen Neuzeit miteinander verflochten waren

The Holy Roman Empire Brian A. Pavlac, Elizabeth S. Lott, 2019-06-01 Reference entries overview essays and primary source document excerpts survey the history and unveil the successes and failures of the longest lasting European empire The Holy Roman Empire endured for ten centuries This book surveys the history of the empire from the formation of a Frankish Kingdom in the sixth century through the efforts of Charlemagne to unify the West around A D 800 the conflicts between emperors and popes in the High Middle Ages and the Reformation and the Wars of Religion in the Early Modern period to the empire s collapse under Napoleonic rule A historical overview and timeline are followed by sections on government and politics organization and administration individuals groups and organizations key events the military objects and artifacts and key places Each of these topical sections begins with an overview essay which is followed by alphabetically arranged reference entries on significant topics The book includes a selection of primary source documents each of which is introduced by a contextualizing headnote and closes with a selected general bibliography
