Thomas L. Pangle

Studies In Platonic Political Philosophy

Hannes Kerber, Svetozar Y. Minkov

Studies In Platonic Political Philosophy:

Studies in Platonic Political Philosophy Leo Strauss, 1983 One of the outstanding thinkers of our time offers in this book his final words to posterity Studies in Platonic Political Philosophy was well underway at the time of Leo Strauss's death in 1973 Having chosen the title for the book he selected the most important writings of his later years and arranged them to clarify the issues in political philosophy that occupied his attention throughout his life As his choice of title indicates the heart of Strauss's work is Platonism a Platonism that is altogether unorthodox and highly controversial These essays consider among others Heidegger Husserl Nietzsche Marx Moses Maimonides Machiavelli and of course Plato himself to test the Platonic understanding of the conflict between philosophy and political society Strauss argues that an awesome spiritual impoverishment has engulfed modernity because of our dimming awareness of that conflict Thomas Pangle's Introduction places the work within the context of the entire Straussian corpus and focuses especially on Strauss's late Socratic writings as a key to his mature thought For those already familiar with Strauss Pangle's essay will provoke thought and debate for beginning readers of Strauss it provides a fine introduction A complete bibliography of Strauss's writings is included **The Rebirth of Classical Political Rationalism** Leo Strauss, 1989-01-15 This concise and accessible introduction to Strauss's thought provides for wider audience a bridge to his more complex theoretical work Editor Pangle has gathered five of Strauss's previously unpublished lectures and five hard to find published writings and has arranged them so as to demonstrate the systematic progression of the major themes that underlay Strauss's mature work These essays display the incomparable insight and remarkable range of knowledge that set Strauss's works apart from any other twentieth century philosopher's Charles R Kesler National Review **After Leo Strauss** Tucker Landy, 2014-05-29 Proposes a post Straussian reading of Plato to advance a reconciliation of ancient and modern theories of natural right Few thinkers of the twentieth century studied the fundamental questions of ethics and politics or penetrated further into the philosophical sources of the moral relativism of our times more deeply than Leo Strauss **After Leo Strauss** is not yet another attempt to explicate critique or defend Strauss Instead it encourages us to look in new directions and to escape certain aspects of Strauss's powerful influence in order to revisit classic texts and make our own judgments about what those texts might mean Tucker Landy proposes a post Straussian reading of the Platonic dialogues that is non esoteric yet respectful of their subtle dramatic pedagogic form and urges us in a spirit of Socratic humility to reexamine ancient and modern theories of natural right to seek possible grounds for reconciliation between them Landy puts forth a Socratic theory of democratic liberalism as an example of such reconciliation This book is a breath of fresh air for people like me who were influenced by Strauss early in their philosophic careers but who refuse to dismiss metaphysics and cosmology who are wary of the potentially narrowing effects of political philosophy and who are open in their philosophical eros to the possible truth of revelation and the wisdom of the poets Tucker Landy gives us a new beginning a Socrates made young and beautiful Peter Kalkavage author of *The*

Logic of Desire An Introduction to Hegel's Phenomenology of Spirit

Socratic and Platonic Political Philosophy

Christopher P. Long, 2014-11-28 In the *Gorgias* Socrates claims to practice the true art of politics but the peculiar politics he practices involves cultivating in each individual he encounters an erotic desire to live a life animated by the ideals of justice beauty and the good Socratic and Platonic Political Philosophy demonstrates that what Socrates sought to do with those he encountered Platonic writing attempts to do with readers Christopher P Long's attentive readings of the *Protagoras Gorgias Phaedo Apology* and *Phaedrus* invite us to cultivate the habits of thinking and responding that mark the practices of both Socratic and Platonic politics Platonic political writing is here experienced in a new way as the contours of a politics of reading emerges in which the community of readers is called to consider how a commitment to speaking the truth and acting toward justice can enrich our lives together *Research Handbook on the History of Political Thought* Cary J.

Nederman, Guillaume Bogiaris, 2024-06-05 This insightful Handbook reviews the key frameworks guiding political scientists and historians of political thought Comprehensive in scope it covers historical methodology traditions epochs and classic authors and texts spanning from ancient Greece until the nineteenth century

Leo Strauss and the Crisis of Rationalism Corine Pelluchon, 2014-02-01 Examines the German and Jewish sources of Strauss's thought and the extent to which his philosophy can shed light on the crisis of liberal democracy How can Leo Strauss's critique of modernity and his return to tradition especially Maimonides help us to save democracy from its inner dangers In this book Corine Pelluchon examines Strauss's provocative claim that the conception of man and reason in the thought of the Enlightenment is self destructive and leads to a new tyranny Writing in a direct and lucid style Pelluchon avoids the polemics that have characterized recent debates concerning the links between Strauss and neoconservatives particularly concerns over Strauss's relation to the extreme right in Germany Instead she aims to demystify the origins of Strauss's thought and present his relationship to German and Jewish thought in the early twentieth century in a manner accessible not just to the small circles devoted to the study of Strauss but to a larger public Strauss's critique of modernity is she argues constructive he neither condemns modernity as a whole nor does he desire a retreat back to the Ancients where slaves existed and women were not considered citizens The question is to know whether we can learn something from the Ancients and from Maimonides and not merely about them

Leo Strauss, Education, and Political Thought J. G. York, Michael A. Peters, 2011-04-22 This collection by some of the leading scholars of Strauss work is the first devoted to Strauss thought regarding education It seeks to address his conception of education as it applies to a range of his most important concepts such as his views on the importance of revelation his critique of modern democracy and the importance of modern classical education This book attempts to maintain traditional scholarly standards in the hope of approaching both Strauss and his work in a dispassionate and objective manner It contains both biographical as well as scholarly chapters aimed first and foremost at understanding the corpus of Strauss work and also his significance as an educational thinker

Leo Strauss and His Catholic Readers

Geoffrey M. Vaughan, 2018-05-11 This book looks at the work and influence of Leo Strauss in a variety of ways that will be of interest to readers of political philosophy. It will be of particular interest to Catholics and scholars of other religious traditions. Strauss had a great deal of interaction with his contemporary Catholic scholars and many of his students or their students teach or have taught at Catholic colleges and universities in America. *Leo Strauss and His Catholic Readers* brings together work by scholars from two continents, some of whom knew Strauss, one of whom was his student at the University of Chicago. The first section of essays considers Catholic responses to Strauss's project of recovering Classical natural right as against modern individual rights. Some of the authors suggest that his approach can be a fruitful corrective to an uncritical reception of modern ideas. Nevertheless, most point out that the Catholic cannot accept all of Strauss's project. The second section deals with areas of overlap between Strauss and Catholics. Some of the chapters explore encounters with his contemporary scholars, while others turn to more current concerns. The final section approaches the theological-political question itself, a question central to both Strauss's work and that of the Catholic intellectual tradition. This section of the book considers the relationship of Strauss's work to Christianity and Christian commitments at a broader level. Because Christianity does not have an explicit political doctrine, Christians have found themselves as rulers, subjects, and citizens in a variety of political regimes. Leo Strauss's return to Platonic political philosophy can provide a useful lens through which his Catholic readers can assess what it means for there to be a best regime.

Leo Strauss and Islamic Political Thought Rasoul

Namazi, 2022-07-07 In this book Rasoul Namazi offers the first in-depth study of Leo Strauss's writings on Islamic political thought, a topic that interested Strauss over the course of his career. Namazi's volume focuses on several important studies by Strauss on Islamic thought. He critically analyzes Strauss's notes on Averroes's commentary on Plato's *Republic* and also proposes an interpretation of Strauss's theologico-political notes on the *Arabian Nights*. Namazi also interprets Strauss's essay on Alfarabi's enigmatic treatise *The Philosophy of Plato* and provides a detailed commentary on his complex essay devoted to Alfarabi's summary of Plato's *Laws*. Based on previously unpublished material from Strauss's papers, Namazi's volume provides new insights into Strauss's reflections on religion, philosophy, and politics and their relationship to wisdom, persecution, divine law, and unbelief in the works of key Muslim thinkers. His work presents Strauss as one of the most innovative historians and scholars of Islamic thought of all time.

Leo Strauss and His Legacy John Albert Murley, 2005-01-01

With over 10,000 entries identifying work of hundreds of Strauss's students and their students, this bibliography is the most, indeed the only, comprehensive guide to published writing in the tradition of Leo Strauss. Murley includes Strauss's own complete bibliography and that of one of his most revered students, George Anastaplo.

Nietzsche and the Modern Crisis of the Humanities Peter Levine, 1995-01-01

This is a critique of Nietzsche's theory of culture that proposes an alternative paradigm allowing a defense of the humanities against such Nietzscheans as Leo Strauss and Derrida.

Leo Strauss on

Maimonides Leo Strauss, 2013-04-23 Leo Strauss is widely recognized as one of the foremost interpreters of Maimonides.

His studies of the medieval Jewish philosopher led to his rediscovery of esotericism and deepened his sense that the tension between reason and revelation was central to modern political thought His writings throughout the twentieth century were chiefly responsible for restoring Maimonides as a philosophical thinker of the first rank Yet to appreciate the extent of Strauss's contribution to the scholarship on Maimonides one has traditionally had to seek out essays he published separately spanning almost fifty years With *Leo Strauss on Maimonides* Kenneth Hart Green presents for the first time a comprehensive annotated collection of Strauss's writings on Maimonides comprising sixteen essays three of which appear in English for the first time Green has also provided careful translations of materials that had originally been quoted in Hebrew Arabic Latin German and French written an informative introduction highlighting the original contributions found in each essay and brought references to out of print editions fully up to date The result will become the standard edition of Strauss's writings on Maimonides

Leo Strauss on Plato's Euthyphro Hannes Kerber, Svetozar Y. Minkov, 2024-04-04 Leo Strauss famously asserted that the fundamental defining debate within Western civilization is that between Jerusalem and Athens piety and philosophy the Bible and Plato And yet surprisingly Strauss never published any of his thoughts on Plato's dialogue on piety the *Euthyphro* This volume presents for the first time Strauss's 1948 notebook on the dialogue written in preparation for a class at the New School for Social Research Featuring close analysis and line by line commentary the notebook opens a window onto a philosophic mind in action as Strauss asks questions of the classic text jots down observations and formulations and analyzes very specific terms and arguments but also steps back reviews the overall movement of the dialogue and reconsiders previous conclusions Beyond the notebook the volume also brings together all the known materials that lay out Strauss's thoughts on the *Euthyphro* This includes newly transcribed and edited public lectures illuminating appendixes critical essays by volume editors Hannes Kerber and Svetozar Y. Minkov and scholar Wayne Ambler an account of Strauss's public lecture and a new English translation of Plato's *Euthyphro* by Seth Benardete a classicist and one of Strauss's students Engaging and inspiring *Leo Strauss on Plato's Euthyphro* is a vital resource for scholars and students of political theory readers interested in the intersection of philosophy and religion and a must have for anyone who studies Strauss

Handbook of Political Theory Gerald F. Gaus, Chandran Kukathas, 2004-07-15 This volume combines remarkable coverage and distinguished contributors The inclusion of thematic conceptual and historical chapters will make it a valuable resource for scholars as well as students Professor George Klosko Department of Politics University of Virginia This major new Handbook provides a definitive state of the art review to political theory past and present It offers a complete guide to all the main areas and fields of political and philosophical inquiry today by the world's leading theorists The Handbook is divided into five parts which together serve to illustrate the diversity of political theorizing the substantive theories that provide an overarching analysis of the nature or justification of the state and political life the political theories that have been either formulated or resurgent in recent years the current state of the central debates within contemporary political theory

the history of western political thought and its interpretations traditions in political thought outside a western perspective The Handbook of Political Theory marks a benchmark publication at the cutting edge of its field It is essential reading for all students and academics of political theory and political philosophy around the world **The Quest for Jewish**

Assimilation in Modern Social Science Amos Morris-Reich,2008-01-15 The transformation of the human sciences into the social sciences in the third part of the 19th century was closely related to attempts to develop and implement methods for dealing with social tensions and the rationalization of society This book studies the connections between academic disciplines and notions of Jewish assimilation and integration and demonstrates that the quest for Jewish assimilation is linked to and built into the conceptual foundations of modern social science disciplines Focusing on two influential assimilated Jewish authors anthropologist Franz Boas and sociologist Georg Simmel this study shows that epistemological considerations underlie the authors respective evaluations of the Jews assimilation in German and American societies as a form of group extinction or as a form of social identity This conceptual model gives a new key to understanding pivotal issues in recent Jewish history and in the history of the social sciences The Political Ideas of Leo Strauss, Updated Edition S.

Drury,2006-07-10 Now in paperback this book explores the political thought of Leo Strauss a philosopher most noted for playing a key role in neoconservative thought in America Drury explores Strauss s thought and its role in American politics exposing what she argues are the elitist nearly authoritarian strains within it and those who follow it **Leo Strauss and Anglo-American Democracy** Grant N. Havers,2013-10-15 Leo Strauss and Anglo American Democracy critically interprets Strauss s political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In Leo Strauss and Anglo American Democracy Havers contends that the most troubling implication of Straussianism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated **Political Thinking, Political Theory, and Civil Society**

Steven M. DeLue,Timothy M. Dale,2016-07-01 This comprehensive overview of the Western tradition of political thought approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society what is the nature of a civil society why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil

society DeLue and Dale contend that a civil society is important for securing the way of life that most of us value and want to preserve a way of life that allows people to live freely and place significance on their own lives New to the Fourth Edition Connects traditional political theory to contemporary challenges to civil society including new coverage of US electoral politics the Black Lives Matter movement Citizens United and Robert Putnam's view of the decline of social support systems Updates the coverage of feminism and feminist thinkers including coverage of gay marriage in the context of civil society Expands coverage of global civil society especially in terms of contemporary challenges posed by ISIS the failure of the Arab Spring and ongoing humanitarian crises in Syria Iran and beyond

NeoConservatism C. Bradley Thompson, 2015-11-17 An obituary so soon Surely the reports of neoconservatism's death are greatly exaggerated C Bradley Thompson has written with Yaron Brook the most comprehensive and original analysis of neoconservatism yet published and in the process has dealt it a mortal blow Neoconservatism An Obituary for an Idea reveals publicly for the first time what the neocons call their philosophy of governance their plan for governing America This book explicates the deepest philosophic principles of neoconservatism traces the intellectual relationship between the political philosopher Leo Strauss and contemporary neoconservative political actors and provides a trenchant critique of neoconservatism from the perspective of America's founding principles The theme of this timely book neoconservatism as a species of anti Americanism will shake up the intellectual salons of both the Left and Right What makes this book so compelling is that Thompson actually lived for many years in the Straussian neoconservative intellectual world Neoconservatism therefore fits into the breaking ranks tradition of scholarly criticism and breaks the mold when it comes to informed incisive nonpartisan critique of neoconservative thought and action

Leo Strauss and the Theologico-Political Problem Heinrich Meier, 2006-12-25 This book by one of the most prominent interpreters of Leo Strauss's thought was the first to address the problem that Leo Strauss himself said was the theme of his studies the theologico political problem or the confrontation with the theological and the political alternative to philosophy as a way of life In his theologico political treatise which comprises four parts and an appendix Heinrich Meier clarifies the distinction between political theology and political philosophy and reappraises the unifying center of Strauss's philosophical enterprise The book is the culmination of Meier's work on the theologico political problem It will interest anyone who seeks to understand both the problem caused by revelation for philosophy and the challenge posed by political religious radicalism The appendix makes available for the first time two lectures by Strauss that are immediately relevant to the subject of this book and that will open the way for future research and debate on the legacy of Strauss

Yeah, reviewing a books **Studies In Platonic Political Philosophy** could ensue your close contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have fabulous points.

Studies In Platonic Political Philosophy Introduction

Studies In Platonic Political Philosophy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Studies In Platonic Political Philosophy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Studies In Platonic Political Philosophy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Studies In Platonic Political Philosophy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Studies In Platonic Political Philosophy Offers a diverse range of free eBooks across various genres. Studies In Platonic Political Philosophy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Studies In Platonic Political Philosophy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Studies In Platonic Political Philosophy, especially related to Studies In Platonic Political Philosophy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Studies In Platonic Political Philosophy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Studies In Platonic Political Philosophy books or magazines might include. Look for these in online stores or libraries. Remember that while Studies In Platonic Political Philosophy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Studies In Platonic Political Philosophy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Studies In Platonic Political Philosophy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Studies In Platonic Political Philosophy eBooks, including some popular titles.

FAQs About Studies In Platonic Political Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Studies In Platonic Political Philosophy is one of the best book in our library for free trial. We provide copy of Studies In Platonic Political Philosophy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Studies In Platonic Political Philosophy. Where to download Studies In Platonic Political Philosophy online for free? Are you looking for Studies In Platonic Political Philosophy PDF? This is definitely going to save you time and cash in something you should think about.
