Fulton recounts Moore's childhood education and medical training in Glasgow and abroad discusses his marriage family and friendships particularly with Tobias Smollett and depicts his professional practice in the north The narrative uncovers Moore's transformative experience accompanying a young nobleman on the Grand Tour through Europe and provides a detailed account of the journey's highlights and difficulties When Moore returns he moves his family to London to begin a second career in literature and to acquire patronage for his sons professions In this biography Fulton covers not only Moore's publications but also discusses his circle of friends among nobility politicians artists and others Also discussed is Moore's involvement in the French Revolution his correspondence with Robert Burns and his strained family relationships Additionally presented here is new information regarding Moore's finances drawn from archival records in Glasgow and Edinburgh and his bank ledgers in London CURRENT CONTENTS: Arts & Humanities -- Volume 15, Number 6, March 15, 1993, 1993 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries James VI and I Jenny Wormald, 2021-10-21 The renowned historian Jenny Wormald was a ground breaking expert on early modern Scottish history especially Stewart kingship noble power and wider society She was most controversial in her book length critique of Mary Queen of Scots Unfortunately Jenny never got round to producing a similar monograph on a monarch she was infinitely more fond of King James VI and I before her untimely death in 2015 In the absence of such a book this volume brings together all the major essays by Jenny on James She wrote on almost every aspect and every major event of James reign from the famous Gunpowder Plot the Plantation of Ulster the Gowrie Conspiracy to the witchcraft panics as well as James extensive writings She wrote extensively on James Scottish rule but she was also keenly interested in James as the first king of all of Britain and many of her essays unpick the issues surrounding the Union of the Crowns and James rule over all three of his kingdoms This book is an invaluable resource for any scholar on this crucial time in the history of the British Isles **Catalogue of books**
