Shaffer,1982-11-11 Addresses literary theory and criticism comparative studies in terms of theme genre movement and influence and interdisciplinary perspectives 1997 Massimo Mastrogregori,2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors *Studies in Historical and Political Science* Johns Hopkins University,1920 *'Eugénie et Mathilde, ou Mémoires de la famille du Comte de Revel', by Madame de Souza* Kirsty Carpenter,2014-06-25 Madame de Souza was an eighteenth century political journalist of undisputed talent She did

not fear to accuse religion of falsely justifying intolerant political attitudes or using indoctrination for little human gain She dared to show that this achieved immediate social dislocation and in the long term grief and financial dysfunction Eugenie Mathilde which documents revolutionary decisions made in Emigration and the irrevocable futility of losing family home rank and property in war fully reflects her approach It is a complex and compelling story of one family and its experience of 1789-1797 the years of exile during the French Revolution Heart rending decisions forced departures capital punishment and death of loved ones make the novel as topical now as it was on the eve of Napoleon's Russian Campaign Souza's plea for tolerance fraternity and compromise on the part of the State and its enemies has a relevance that stretches out to the 21st Century her message to include women in politics and not to make them suffer the unnecessary death of fathers husbands children and friends is even more current This edition lifts the veil on a literary form of anti sentimental romance or the art of making historically accurate accounts masquerade as fiction That more than anything else was Madame de Souza's forte

**The Politics of Appearances** Richard Wrigley, 2002-10 Drawing on a wide range of documentary and visual sources this book offers a vivid picture of the highly charged politics of Revolutionary appearances La museología y la historia del arte Cristóbal Belda Navarro, María Teresa Marín Torres, 2006 Este libro incluye las conferencias de los II Encuentros de Museología celebrados en marzo de 2003 *The Children's Crusade* G. Dickson, 2007-11-08 The Children's Crusade was possibly the most extraordinary event in the history of the crusades The first modern study in English of this popular crusade sheds new light on its history and offers new perspectives on its supposedly dismal outcome Its richly reimagined history and mythistory is explored from the thirteenth century to present day **Science, History and Social Activism** Garland E. Allen, Roy M. MacLeod, 2013-03-14 To earn a degree every doctoral candidate should go out to Harvard Square find an audience and explain his or her dissertation Everett Mendelsohn's worldly advice to successive generations of students whether apocryphal or real has for over forty years spoken both to the essence of his scholarship and to the role of the scholar Possibly no one has done more to establish the history of the life sciences as a recognized university discipline in the United States and to inspire a critical concern for the ways in which science and technology operate as central features of Western society This book is both an act of homage and of commemoration to Professor Mendelsohn on his 70th birthday As befits its subject the work it presents is original comparative wide ranging and new Since 1960 Everett Mendelsohn has been identified with Harvard University and with its Department of the History of Science Those that know him as a teacher will also know him as a scholar In 1968 he began and after 30 years has just bequeathed to others the editorship of the Journal of the History of Biology among the earliest and one of the most important publications in its field At the same time he has been a pioneer in the social history and sociology of science He has formed particularly close working relationships with colleagues in Sweden and Germany as witnessed by his editorial presence in the Sociology of Science Yearbook
