The Story of the Torah Beryl Lavender, 2024-03-28 Who authored the most ancient segments of the Bible? What is their age and how have they endured through the ages? This book delves into the reasons why dictators, tyrants, and powerful factions have harbored such fear and loathing towards these texts, leading to relentless suppression and censorship. Even now, possession of these writings can result in dire consequences. These pivotal questions are explored in *The Story of the Torah*, the inaugural volume of the *Is the Bible a Dangerous Book* series of commentaries.

I Promise David Martin, 2007-11 Somewhere beneath the triumphs, tribulations, successes, disappointments, hopes, and hurts of marriage lies the promise we made to our spouse. We promised love, fidelity, respect through sickness and in health. This book is about one average guy of average means who has struggled to keep those promises and failed on many occasions. It's a glimpse into the heart of a Christian soldier who fights for his marriage with no basic training. To be sure, the battle is not flesh and blood but against powers and principalities of a world set against God's purpose for marriage. This book is a journey of self-discovery and a transparent model of what he faces everyday as a husband. Read closely and honestly and perhaps discover that this book is about you. David Martin attended Rochester Institute of Technology where he studied technical communications. He now works as an independent computer consultant for small businesses. He has been married for 8.5 years to his wife, Darie Martin. He is a father to Daniel Zachary Martin, 3.5 years old, and Danaye Nicolette Martin, 1 year old. During the past 6 years, he and his wife have served as Vice President of Development for The Marriage Mentoring Network, a non-profit organization that holds monthly events such as workshops with the goal of strengthening the quality of marriage relationships.
