Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses Fire & Flood Study Guide Lynnette Field,Dawn Morris,2022-11-15 Two young women encounter God in pivotal historical moments one in the beginning at the time of the Great Flood and another at the end during the Great Tribulation and draw closer to Him as they watch prophecy unfold Fire Flood by Dawn Morris is a fictional historical and futuristic story that challenges readers to discuss and research the many biblical topics it addresses from interpreting biblical eschatology and prophecy and seeking peace in troubled times to finding salvation from sin and moving beyond the betrayal of false teachers to investing in community outreach and trusting God s sovereignty and purpose Dawn Morris and Lynnette Field compiled Fire Flood Study Guide Digging for Truth

in an Age of Deception to facilitate discussion within prayer groups and Bible studies for today's seekers or believers. A perfect companion to Morris' novel, this guide shows readers how to sort fact from fiction, how to find hope in God's promises, and how to apply biblical principles to everyday life. Commonweal, 1927 *The Layman's Manual on Christian Apologetics* Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors, bloggers, and stars from the entertainment industry. The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith. But how does one respond to these objections? For the laity of the church, this is especially difficult as many are left without the proper training to know how to answer these objections. In *The Layman's Manual on Christian Apologetics*, the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary. In this book, three major areas of apologetics are covered. The first unit engages the nature of truth and what can be known. The second unit deals with the existence of God and issues involving God's existence. The last unit tackles historical objections to the resurrection of Jesus and early Christianity. *The Layman's Manual on Christian Apologetics* delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable. Apologetics in 3D Peter S. Williams, 2021-09-03 This collection of papers and other materials from English philosopher Peter S. Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality. Grounded in two decades of practical experience, here is a vision of apologetics that is interested in communicating through beauty and goodness as well as logic and arguments. TPT The Book of Genesis - Part 1 Brian Simmons, 2021-11-02 The book of Genesis shares the origin of all things, including the cosmic order of the universe and the covenant relationship between God and his people. It showcases God's redemptive heart toward the world, a theme that can be traced throughout the rest of the Hebrew Scriptures. This 12-lesson study guide on the first eleven chapters of Genesis provides a unique and welcoming opportunity to immerse yourself in God's precious Word as expressed in The Passion Translation. Begin your journey with a thorough introduction that details the authorship of Genesis, date of composition, first recipients, setting, purpose, central message, and key themes. Each lesson then walks you through a portion from the book and includes features such as notable verses, historical and cultural background information, definitions of words and language, cross-references to other books of the Bible, maps, and character portraits of figures from the Bible and church history. Enrich your biblical understanding of the book of Genesis, experience God's love for you, and share his heart with others. *DRS: An Intellectual Approach To Bible Study II* Dr. Shi-Brone (Jake) Jacobs, 2016-12-14 Dr. Jacobs' book provides a series of methods by which to objectively approach difficult Biblical topics. Additionally, it offers readers a perspective view held by many non-Christians so that appropriate apologetic stances can be developed. **The Bible For Beginners And The Rest of Us** Arlington McRae, The Holy Spirit, 2016-06-17 In this new series BIBLE THREADS, Keys to

Understanding the Bible Arlington McRae offers us a fresh new 21st century paradigm for how we approach the Bible and understand its essential message The Bible presents us with a series of stories and related events The question becomes How are these stories and events connected And what are we to do with them The answer is found in understanding Bible Threads A Bible thread is the link or bridge that connects the stories and books A Bible thread is what each story and or book has in common with other books or stories from Genesis to Revelation This series addresses the indispensable threads to prepare you to read your Bible enthusiastically with great understanding and to allow you the joy of discovering other threads for yourself through your own daily Bible study This volume offers a power packed Jesus inspired potentially life changing resource as it presents the Bible to us in its simplest form Starting at the beginning the author walks us through a new perspective and a new context for how we understand and interpret what we read It is designed for a those of us new to the Bible and b those who never received a comprehensive overview of the Bible that makes sense to them In this volume the author lays out the structure and the over all story the big picture of the Bible This presentation is designed to broaden the context for how we interpret and unify the various books and stories At the completion of this volume you will be encouraged to read your Bible and to study it more intelligently with much more confidence and with a satisfying sense of accomplishment

The Lazy Approach to Evangelism Eric Hernandez, 2023-07-17 Unfortunately the biblical command of apologetics in evangelism is often neglected and misunderstood within our churches today Some think it s optional others assume it s merely arguing with nonbelievers while others outright deny its pragmatic not to mention biblical application As a result the church has become a largely irrelevant ignorable institution within the public sphere of ideas But this need not be the case Rather than learn new gospel presentations we must learn how to have gospel conversations Evangelism doesn t have to be intimidating or difficult but in a growing culture of doubt it must be effective That is the aim of this book To equip you with the tools necessary for initiating and navigating fruitful conversations with nonbelievers in a secular society This is the role of apologetics in evangelism This is an act of worship as disciples of Jesus This is spiritual warfare This is **The Lazy Approach to Evangelism**

Redeeming Philosophy Vern S. Poythress, 2014-10-31 Who am I Why am I here Where do I find meaning Life is full of big questions The study of philosophy seeks answers to such questions In his latest book prolific author Vern Poythress investigates the foundations and limitations of Western philosophy sketching a distinctly Christian approach to answering basic questions about the nature of humanity the existence of God the search for meaning and the basis for morality For Christians eager to engage with the timeless philosophical issues that have perplexed men and women for millennia this is the place to begin
