Bible Study Romans 6

EXEGESIS:

ROMANS 6: A REVIEW

In the first half of this chapter (vv. 1-11) Paul established that with our baptism we became new creatures – we died with Christ and were resurrected to a new life with him. Therefore, we must consider ourselves “dead to sin, but alive to God in Christ Jesus our Lord” (v. 11).

In the rest of this chapter (vv. 12-23), Paul specifies the theological implications of our new birth. We must act according to this new nature. It is not appropriate for us to give dominion over our lives to sin – to become slaves to it – now that we have been resurrected with Christ. Instead, we need to give dominion to God – become slaves of God. Paul does not imply that we are free in the sense of having no master. We serve sin or God. No choice.

Paul often makes paired contrasts to demonstrate this point. “In this lectionary, there are three pairs that come into play: Sin versus justice (or sin versus God), freedom versus slavery, and wages versus gift” (Gaventa, 384).

ROMANS 6:12-14: THEREFORE, DO NOT SIN REIGN

12 Let not sin therefore reign in your mortal body, so that you obey it in its lusts (Greek: epithumiais – passions or lust); 13 Nor present your members to sin as an instrument (Greek: hopla – weapons, tools) of iniquity; but present yourselves to God as living from the dead, and your members to God as instruments (hopla) of righteousness. 14 For sin will not have dominion over you; for you are not under the law, but under grace.

“...well...” (v. 12) joins what follows with what Paul has previously said. He has established that we are new people in Christ (vv. 1-11). Now, state what this means regarding our conduct (vv. 12-23).

“Let no sin reign in your mortal body” (v. 12). “The pleasures of sin take place in a body that, even at its best, remains mortal and fleeting, but Paul is talking about a life in Christ that brings eternal joy. It is absurd to let what is going to die have supreme position” (Morris, 257). “The battle is spiritual and is fought, lost, or won with the believer’s daily decisions regarding how to use his or her body” (Moo, 383).

Romans: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 1996 ROMANS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

The Knowledge of Christ Jesus My Lord Veronica Koperski, 1996 Employing the traditional tools of historical critical methodology as well as a selected mix of techniques from newer literary criticism this book provides a close analysis of the syntactic and semantic content of Phil 3 7 11 in its immediate and broader context concluding that this passage represents a very high christological statement on the part of Paul and discusses some of the implications of these findings in regard to the interpretation of Phil 2 5 11 the wisdom ambience of the letters of Paul and relevance for modern christologies In Philippians 3 7 11 Paul makes a very strong statement about how much Christ Jesus means to him This study seeks to demonstrate how the passage within its context gives expression to a high christological statement which is frequently disregarded in treatments of Pauline christology Chapter One presents a concise summary of the history of exegesis of Phil 3 7 11 and identifies the elements present within that history which indicated the desirability of a more in depth treatment Chapter Two focuses on the entire letter to the Philippians as the context of interpretation of Phil 3 7 11 beginning with a discussion of the methodology employed in the remainder of the work Chapter Three focuses on Phil 3 7 11 first considering the textual variants within these verses then

describing in detail the relation of the complex sentence consisting of vv 8 11 Chapters Four and Five deal with those issues of semantics in vv 8 11 which require more extensive treatment Chapter Six returns to a consideration of the meaning of knowledge of Christ concluding with a consideration of the results of this study for current discussions of New Testament Christology An Index to Periodical Literature on the Apostle Paul Mills,2019-07-01 The volume updates an important earlier work by Bruce M Metzger Index to Periodical Literature on the Apostle Paul first published in 1960 which undertook to list periodical materials available before 1960 This volume was the first book in the New Testament Tools and Studies series published by Brill As with Metzger s volume this new work lists periodicals in a wide spectrum of languages including English and Russian This volume adds considerably to the 3 013 entries of Metzger s original work To facilitate use the original classification and numbering scheme developed by Metzger is retained in the new references as well as in a few from a second edition by Metzger 1970 They are inserted in their proper classification by subject and date and are indicated by the original number with an alpha extension In a few instances new classifications are offered e g structuralism The Journal of Roman Studies ,1915 Includes Proceedings of the society report of the council lists of members etc *Teachings and Studies by Topic of the New Testament* Miguel Moreno,2023-01-05 When I first became a Christian and for the first twenty two years of my life with Christ I didn t know that I didn t know that I wasn t a mature Christian I was not taught how to and what it took to grow spiritually and become a spiritually mature Christian But even so I still thought that I was a mature Christian After all in all those years I had come to know and learned a lot of things about the Bible God s Word and about God I even served Him What I didn t know was that my growth was merely intellectual but not spiritual It wasn t until after twenty two years that God in His love through His Word and with the help of His Holy Spirit taught me what it really took for me to grow spiritually He taught me the things I needed to go through in order to understand what it takes to become a spiritual mature Christian as well as a true servant of God Now He is using me to share His studies in this book so He can help many Christians understand the importance and what it takes to start growing spiritually not just intellectually from the moment they believe and receive Jesus as their Savior and Lord as well as the dangers of becoming stagnant or allowing the enemy to take them to a state of conformism in their own spiritual growth According to Ephesians 4 13 15 God wants us to get all the way to the measure of the stature of the fullness of Christ that we all may grow up in all things into Him who is the head Christ So I pray that as you read and study this book with the help of the Holy Spirit and God s Word God will show you and help you understand what it takes for you to grow spiritually until you become spiritually mature and until you get to the fullness of Christ so you can become everything that He wants you to become **Authenticate Your Faith** James M.
