Study Of Criminal Courts:

Criminal Courts Craig Hemmens, David C. Brody, Cassia Spohn, 2015-12-18 Written by three nationally recognized experts in the field *Criminal Courts A Contemporary Perspective* explores all conventional topics court structure courtroom actors and the trial and appeals process as well as others seldom covered such as specialty courts and the goals and functions of the law Authors Craig Hemmens David C Brody and Cassia Spohn take a comprehensive and accessible approach which allows instructors to cover all of the standard material and the option to add selections they consider interesting and relevant to their particular course This text will provide students with an understanding of the foundational concepts and enable them to hold a detailed discussion about the criminal courts system and the participants involved Packed with contemporary examples and new pedagogical tools the Third Edition has been thoroughly revised with the most up to date content and resources to give students a more comprehensive understanding of the criminal courts system Additional instructor resources and study tools can be found online at www.sagepub.com/hemmens2e

The Study of Criminal Courts Peter F. Nardulli, 1979

American Criminal Courts Casey Welch, John Randolph Fuller, 2013-02-19 *American Criminal Courts Legal Process and Social Context* is an introductory level text that offers a comprehensive study of the legal processes that guide criminal courts and the social contexts that introduce variations in the activities of actors inside and outside the court Specifically the text focuses upon Legal Processes U S criminal courts are constrained by several legal processes and organizational structures that determine how the courts operate and how laws are applied This book explores how democratic processes develop the criminal law in the United States the documents that define law federal and state constitutions legal codes administrative policies the organizational structure of courts at the federal and state levels the overlapping authority of the appeals process and the effect of legal processes such as precedent jurisdiction and the underlying legal philosophies of various types of courts Although most texts on criminal courts do a credible job of describing legal processes this text looks more deeply into the origins of criminal law historic turning points in the criminal law conditions that affect the decision making of criminal justice practitioners and the contentious political process that affects how criminal laws are considered Social Contexts The criminal courts are staffed by people who represent different perspectives occupational pressures and organizational goals The text includes chapters on actors in the traditional courtroom workgroup judges prosecutors and defense attorneys as well as those outside the court who seek to influence it including advocacy groups media and politicians It is the interplay between the court legal processes and the social actors in the courtroom that makes the application of the criminal laws so fascinating By focusing on the tension between the law legal processes and the actors inside and outside the courts system social contexts this text demonstrates how the courts are a product of law in action and it presents the course content in a way that enables students to understand not only the how of the U S criminal court system but also the why

Criminal Courts Aaron Kupchik,2019-01-15 The social organization of criminal courts is the theme of this collection of articles The volume provides contributions to three levels of social organization in criminal courts 1 the macro level involving external economic political and social forces Joachim J Savelsberg Raymond Michalowski Mary E Vogel John Hagan and Ron Levi 2 the meso level consisting of formal structures informal cultural norms and supporting agencies in an interlocking organizational network Malcolm M Feeley Lawrence Mohr Jo Dixon Jeffrey T Ulmer and John H Kramer and 3 the micro level consisting of interactional orders that emerge from the social discourses and categorizations in multiple layers of bargaining and negotiation processes Lisa Frohmann Aaron Kupchik Michael McConville and Chester Mirsky Bankole A Cole An editorial introduction ties these levels together relating them to a Weberian sociology of law

Courts Cassia Spohn,Craig Hemmens,2009 Courts A Text Reader provides the best of both worlds authored text Sections with carefully selected accompanying Readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century The articles from leading journals in criminology and criminal justice reflect both classic studies of the criminal court system and state of the art research and often have a policy perspective that makes them more applied less theoretical and more interesting to both undergraduate and graduate students This unique Text Reader is primarily intended for undergraduate and graduate courses on the criminal court system and or judicial processes

BOOK JACKET **Research Handbook on Law and Courts** Susan M. Sterett, Lee Demetrius Walker,2019 The Research

Handbook on Law and Courts provides a systematic analysis of new work on courts as governing institutions Authors consider how courts have taken on regulating fundamental categories of inclusion and exclusion including citizenship rights Courts centrality to governance is addressed in sections on judicial processes sub national courts and political accountability all analyzed in multiple legal political systems Other chapters turn to analyzing the worldwide push for diversity in staffing courts Finally the digitization of records changes both court processes and studying courts Authors included in the Handbook discuss theoretical empirical and methodological approaches to studying courts as governing institutions They also identify promising areas of future research

Crime File Study Guide , Research Handbook on Law and Psychology Rebecca Hollander-Blumoff,2024-08-06 This Research Handbook presents a kaleidoscopic view of law and psychology as a multidisciplinary field of study and explores major themes at the intersection of these two scholarly traditions Adopting an expansive approach it examines important topics including theories of justice morality and legitimacy social norms system justification theory and the role of emotion within law

Juvenile Offenders and Victims ,1995 **Excel HSC Legal Studies** Belinda Brassil,2004 **A Fair Hearing?** Stephen Shute,Roger Hood,Florence Seemungal,2013-06-17 This book reports on research which investigates the perceptions of ethnic minorities concerning their treatment in the criminal courts It examines the extent to which ethnic minority defendants and witnesses in both the Crown Court and the magistrates courts perceived their treatment to have been unfair whether they believed any unfairness to have been the result of ethnic bias and whether this had affected their confidence in the criminal courts The study carried out by the Oxford Centre for Criminological Research in association with the University of Birmingham for the Lord Chancellor s Department involved observations of cases and interviews with more than a thousand people defendants witnesses barristers solicitors judges magistrates and others and focused on courts in Manchester Birmingham and London A Fair Hearing Ethnic minorities in the criminal courts begins by showing how widely held the belief has been that ethnic minorities are discriminated against by the courts and by other agencies in the criminal justice system It discusses the factors that contributed to this belief including the findings of the Macpherson Report and the notion of institutional racism The main part of the book then looks at the institutional setting in which the research took place the experience of defendants and witnesses their views about how they were treated by the criminal courts and the views of others involved in the court process Final chapters in the book address the issue of sensitivity to ethnicity on the part of judges magistrates and lawyers It shows that attitudes and practices are perceived to have changed for the better and examines what more needs to be done to increase the confidence that members of ethnic minorities have in the fairness of the criminal courts

Global Governance, Conflict and China Matthias Vanhullebusch,2018-01-03 Global Governance Conflict and China sheds a unique perspective on China s normative behaviour in the realm of collective security peacekeeping arms control the war on terror and post conflict justice This analysis engages with an Asian epistemological framework whose relational thought borrows from the context space and time alike that

informs China's principle driven conduct on the international plane Through the lens of relational governance this work develops a new theory on the relational normativity of international law TORNIL that identifies the interdependent sources that underpin China's international legal argument i.e norms values and relationships Without a fertile soil in which those conflicting relationships between share and stakeholders can be rebuilt international laws governing post conflict violence cannot restore and maintain peace humanity and accountability
