Chesnut, 2001-09-14 Please use the cover you've already designed *The Higher Power of the Twelve-Step Program* Glenn Chesnut, 2001 Please use the cover you've already designed [Seeking a Higher Power](#) Michael Cowl Gordon, 2025-02-25 Alcoholics Anonymous and other twelve step programs have had great success in restoring the lives of millions of people. However, millions more fail to grasp the program successfully. The biggest obstacle appears to be the requirement of reliance on a higher power. Many people are turned off by the frequent mention of God in the meetings and the literature. This book offers the reader ways to approach the idea of a higher power and of how to rethink the idea of God that hopefully will overcome prejudice that has built up in the minds of prospective members. Gordon has written a collection of 38 essays on topics such as love, spirituality, Buddhism, Native American spirituality, and compassion, and offers an extensive bibliography and suggested reading list. This book will be a valuable resource for people trying to negotiate their recovery journey. [The St. Louis Gambler and the Railroad Man](#) Glenn C., 2005-04 William E. Correll, Life Treatment Center. This book describes the way alcoholics actually think better than anything I have ever read. The world of the good old timers of the early Alcoholics Anonymous movement comes alive in this book. It tells the interlocking stories of seven people from diverse backgrounds: men, women, black, white, wealthy, poor, who lived and taught the A.A. program with such clarity and spiritual depth that people came from miles away to sit at their feet and be taught by them. This account was originally written for the local intergroups to tell how A.A. began during the 1940s and 50s in the cities and towns along the St. Joseph river as it wound its way through Indiana and Michigan to empty into the Great Lakes. But then all across the country, people struggling with alcoholism and addiction began asking for copies, and psychotherapists and counselors too. It spoke to the heart; they said, "It made the twelve step program come alive and showed how it really worked." And above all, they reported, they had found that the words of these men and women were filled with a kind of spiritual wisdom and deep compassion which had the power to heal the soul. So this new edition of *The Factory Owner the Convict* has now been prepared with the last half now printed as a separate volume entitled *The St. Louis Gambler the Railroad Man*. *Changed by Grace* Glenn Chesnut, 2006-08 Victor C. Kitchen was a New York City advertising executive who wrote one of the Oxford Group's most important books. He also went to the same Oxford Group meetings as Bill Wilson, who later became the co-founder of Alcoholics Anonymous. This is a book about A.A.'s roots in the Oxford Group as seen through the pages of Kitchen's work. It explains how the key ideas which the two movements shared arose out of the evolution of the modern evangelical movement. The author begins with John Wesley's Aldersgate experience in 1738 and traces this understanding of the healing power of grace down to Kitchen's and Bill W.'s time traversing en route the world of nineteenth century revivalism, the Keswick holiness movement, and the early twentieth century foreign missionary effort. The great theme around which all of this is centered is that of God's grace as the power to change human character itself. This book shows

what faith and grace are really about It shows how even faith mixed with doubt can lead us into true spiritual awakening and it explains the basic nuts and bolts required to obtain a constant conscious contact with a God of our understanding Each century produces a small handful of great spiritual books I believe strongly that *Changed by Grace* is going to prove one of the greatest of our present century The best way to describe it is to say that it does for us today what William James Varieties of Religious Experience did for the world of a hundred years ago John Barleycorn in *The Waynedale News*     On the Military Firing Line in the Alcoholism Treatment Program Bill S, Sgt. Bill S., 2003-07 An insightful very readable book The father of military alcoholism treatment tells about his own life and recovery from alcoholism and describes how he set up the first officially sanctioned military treatment programs for alcoholics in the 1940s and 50s when the Alcoholics Anonymous movement was first spreading across the United States A survivor of the attack on Pearl Harbor he almost died after the war from his own out of control drinking Using his own recovery as a guide he persuaded the Air Force to appoint him full time to working with other alcoholics The success story which he and psychiatrist Dr Louis Jolyon West related in the American Journal of Psychiatry in 1956 was distributed all across the country by the National Council on Alcoholism If you think that you may have a problem with alcohol or drugs yourself this book can save your life The author describes in simple terms the processes which drive people to drink and use drugs and the route to recovery He talks about genetics physical addiction and the social and psychological pressures which produce subconscious conflicts and massive guilt in alcohol and drug abusers For mental health professionals he discusses the relationship between the twelve step program and basic psychiatric principles and shows how the professionals and the A A and N A groups can work together to produce impressive recovery rates This A A old timer fifty five years sober also talks about his early mentor Mrs Marty Mann the first woman to gain long term sobriety in A A He describes his conversations with Sister Ignatia and the good old timers in Akron Ohio his work with the noted alcohol researcher E M Jellinek at the Yale School of Alcohol Studies and the way early A A meetings were organized and conducted His book is a lasting monument to those early years when it was first discovered that alcoholics could be saved     *The Psychology of Alcoholism* William E. Swegan, Glenn F. Chesnut, 2011-11 William E Swegan Sgt Bill was the major spokesman for the psychological wing of early Alcoholics Anonymous that group within the newborn A A movement of the 1930 s 40 s and 50 s which stressed the psychotherapeutic side of the twelve step program instead of the spiritual side This book is Swegan s major work in which he lays out the psychiatric theories which formed the foundation of that variety of A A thought He also talks about his association with Mrs Marty Mann Yev Gardner E M Jellinek at the Yale School of Alcohol Studies Bill Dotson A A No 3 and Searcy Whaley in addition to recording his memories of the year he spent observing Sister Ignatia at work at St Thomas Hospital in Akron In 1953 Sgt Bill teamed up with famous American psychiatrist Louis Jolyon Jolly West at Lackland Air Force Base in San Antonio Texas to develop a method of alcoholism treatment given further development in the mid 1960s by Dr Joseph J Zuska and Dick Jewell at Long Beach Naval Station

called the Lackland Long Beach Model It became one of the three basic types of A A oriented alcoholism treatment program along with the Minnesota Model and Sister Ignatia s more spiritually oriented approach Sgt Bill does not just talk psychiatric theories in this book He uses his own life story to show how traumatic loss poverty inadequate selfesteem envy self pity and rage can drive children and youths into isolationism rebellion self sabotage and ultimately the descent into uncontrollable alcoholism or drug addiction But in his humanistic understanding of the twelve step program he also shows us how to make use of the healing power of the spirit of Love and Service to our fellow human beings to restore ourselves to new life
