The Hirsch Psalms:

The Psalms Bible. O. T. Psalms. Hebrew, 1978 סמסון ראפאל הירש, 2014-01-01 *Samson Raphael Hirsch's Religious Universalism and the German-Jewish Quest for Emancipation* Moshe Y. Miller, 2024-02-20 In Samson Raphael Hirsch's *Religious Universalism and the German Jewish Quest for Emancipation* Moshe Miller argues that nineteenth century German Jews of all persuasions actively sought acceptance within German society and aspired to achieve full emancipation from the many legal strictures on their status as citizens and residents But where non Orthodox Jews sought a large measure of cultural assimilation Orthodox Jews were content with more delimited acculturation However they were no less enthusiastic about achieving emancipation and acceptance in German society There was one issue though which was seen by non Jewish critics of emancipation as a barrier to granting civic rights to Jews namely the alleged tribalism of the Jewish ethic and the supposedly Orthodox notion of Jews as the Chosen People These charges could not go unanswered and in the writings of Rabbi Samson Raphael Hirsch 1808 1888 a leading thinker of the Orthodox camp they did not Hirsch stressed the universalism of the Jewish ethic and the humanistic concern for the welfare of all mankind which he believed was one of the core teachings of Judaism His colleagues in the German Orthodox rabbinate largely concurred with Hirsch's assessment This account places Hirsch's views in their historical context and provides a detailed account of his attitude toward non Jews and the Christianity practiced by the vast majority of nineteenth century Europeans **The Psalms**, 1960

The Psalms, 1978 **Psalms** Samuel Edward Tesh, Walter D. Zorn, 1999 *The Psalms* Samson Raphael Hirsch, 1976

The Psalms. Translation and Commentary by Rabbi Samson Raphael Hirsch. (Rendered Into English by Gertrude Hirschler.) Heb. & Eng, 1960 *The Glory of Kings* Peter J. Leithart, John Barach, 2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan's friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions *The Glory of Kings* aims to bring Jordan's work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day **The Jewish Reformation** Michah Gottlieb, 2021 In the century and a half beginning with Moses Mendelssohn's pioneering translation and the final one by Martin Buber and Franz Rosenzweig German Jews produced sixteen different translations of at least the Pentateuch Exploring translations by Moses Mendelssohn Leopold Zunz and Samson Raphael Hirsch Michah Gottlieb argues that each articulated a middle class Judaism that was aligned with bourgeois Protestantism seeing middle class values as the best means to serve God and the authentic actualization of Jewish tradition **The Psalms** Samson Raphael Hirsch, 1978 *The Psalms*, 1972 *The Psalms*, 1960 *The Oxford Handbook of the Psalms* William P. Brown, 2014-05 An indispensable

resource for students and scholars The Oxford Handbook of the Psalms features a diverse array of essays that treat the Psalms from a variety of perspectives Classical scholarship and approaches as well as contextual interpretations and practices are well represented The coverage is uniquely wide ranging The Shape and Shaping of the Book of Psalms Nancy L. deClaissé-Walford, 2014-09-08 A new and innovative way to approach the Psalter that moves beyond form and cult functional criticism Drawing inspiration from Gerald H Wilson's The Editing of the Hebrew Psalter this volume explores questions of the formation of the Psalter from the perspective of canonical criticism Though called canonical criticism the study actually employs a number of historically traditional and nontraditional approaches to reading the text including form criticism historical criticism of individual psalms as well as of the whole Psalter and redaction criticism Features Exploration of collections of psalms theological viewpoints sovereignty and the shape and shaping of Psalms Examination of the impact of canonical criticism on the study of the Psalter Sixteen essays from the Book of Psalms Consultation group and invited scholars

The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker, 2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i.e. from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations Wisdom Intoned Simon Chi-Chung Cheung, 2015-11-19 It has been hard to categorise and identify the Wisdom psalms within the Psalter Interpreters have produced different lists of wisdom psalms of greatly varying lengths and individual scholars often change their choices over time Cheung re-examines the issues at stake in identifying this group of psalms in order to better describe the configuration of this psalmic genre Past scholarship has failed to settle this issue because of the use of unfit criteria and an ill understood concept of genre With the aid of the concepts of family resemblance and prototypes this book proposes to define wisdom psalms as a psalm family which is characterised by a wisdom oriented constellation of its generic features Three such features are identified after a fresh assessment of the most typical characteristics of wisdom literature This proposed method is put to test in the extensive study of seven psalms 37 49 73 128 32 39 and 19 and the three criteria are verified to be suitable descriptors of the wisdom psalm family Cheung also explores questions related to the wisdom cult disparity Joban parallels as wisdom indicators and the wisdom orientation of torah psalms The Revolt of the Palestinian

Jews Anthony Cardinale,2024-06-25 The Revolt of the Palestinian Jews describes Israeli Prime Minister Benjamin Netanyahu's campaign to enhance the rights of Palestinian Jews at the expense of Palestinian Arabs Bibi on trial for corruption could return to office in late 2022 only by aligning with rabid far right religious parties that were intent on driving Palestinian Arabs out of the so called occupied territories Hoping to get the Knesset to legalize the crimes for which he was on trial Bibi proposed a judicial reform plan to neuter the power of the Supreme Court to annul such a law Soon thousands of Israelis were demonstrating for and against the reform even coming to blows prompting President Isaac Herzog to warn of impending civil war Seeing Israelis bitterly divided Hamas exploited this weakness with a surprise all out attack on October 7 2023 Israel is now fighting back But will the tens of thousands of civilian casualties in Gaza someday prompt the nations to attack Israel as prophesied in the Bible While Netanyahu exploited divisions in Israeli society increasing the ungodly polarization this book predicts that God will employ a godly polarization between religious and secular Jews forcing them to take a stand in the coming final days The Substance of Psalm 24 Philip Sumpter,2015-02-26 This book contributes to the theory and practice of Biblical interpretation by engaging in an interpretation of Psalm 24 inspired by a particular understanding of Brevard Childs canonical approach an understanding centred on the concept of theological substance Sumpter shows how the literary historical and theological dimensions of Psalm 24 cohere into a single vision by reading the text according to the previously discussed dialectic An initial synchronic analysis of the psalm's poetic structure related to a diachronic reconstruction of the tradition history that lead to the final form The question is then posed concerning the primary forces at work in this history of composition a question which leads to reflection on the Trinity first in se and then pro nobis This latter dimension takes us back to the text as its Davidic nature is further analysed in relation to the books of Samuel the Psalter and Isaiah Finally Patristic exegesis is turned to for further stimulation concerning the mysterious subject matter of the text Who Wrought the Bible? Yair Mazar,2009-01-20 Approaching the Hebrew Bible as a work of literary art Yair Mazar examines its many genres including historical narratives poetic narratives poetry psalms and songs Line drawings from a late nineteenth century Bible illustrate many of the most famous scenes in scripture suggesting another aesthetic layer of the text By breaking the Bible into constituent parts Mazar traces the range of its writing styles reconfiguring the work as a literary collage and an artistic masterpiece He shows how the aesthetics of the texts that comprise the Bible serve its over arching message and he develops a literary portrait of its authors by decoding their cryptic aesthetic devices
