The Historic Return Of Jesus Christ And Coming Jud:

Jesus and His Promised Second Coming Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus s second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus s second coming was invented by his zealous early followers In *Jesus and His Promised Second Coming* Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus s own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute *Jesus and His Promised Second Coming* breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument

their churches who were spreading a gospel that was contrary to the one proclaimed by Jesus. The situation was so distressing to John that he wrote a series of letters to call them to remember that Jesus' greatest command was for them to love God and to love one another. Similarly, Jude called on believers to remember the truth of the gospel and persevere in the face of these attacks from false teachers. Each of this study's twelve lessons is clearly organized to include: Getting Started, An opening question to introduce you to the lesson, Setting the Stage, A short reflection to explain the context of the study, Exploring the Text, The Scripture reading for the lesson with related study questions, Reviewing the Story, Questions to help you identify key points in the reading, Applying the Message, Questions to help you apply the key ideas to their lives, Reflecting on the Meaning, A closing reflection on the key teachings in the lesson. ABOUT THE SERIES: The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. In each study, you'll gain insights into the text, identify key stories and themes, and be challenged to apply the truths you uncover to your life. By the end of each study, you'll come away with a clear and memorable understanding of that Bible book. Each study also contains a Leader's Guide. Fire Bible-NIV-Student, Donald Stamps, 2009-10. The Fire Bible's notes and commentary will show you how the spiritual empowerment that began at Pentecost is available today and is a gift to modern followers of Christ. **2 Peter and**

Towner read 2 Peter and Jude, keeping in mind the profound experience of forgiveness in Simon Peter's past. Now in paper. *The Book of Jude Study Guide*, Rick Renner, 2024-09-23. A Critical Message for the End Times. The book of Jude is one of the most ignored books of the New Testament, yet it is filled with vital information for these late hours of the age. Packed with hidden truths, the book of Jude tells us many will become apostate in the end times and shares with us what to expect in these last days. But how do we make sure we are never counted among those who become apostate? And how do we build up our most holy faith? In this 20-part series, Rick will share with you what it means to earnestly contend for the faith. How apostasy will reveal itself today. Examples of divine judgment. How to guard yourself against end-time apostasy. How to build up your most holy faith. A description on the keeping power of Jesus. If your desire is to stay on track with God, to stay rooted in His Word, to resist end-time apostasy, and to stir up the fire of God inside of you, then this series is just what you need to prepare you for the end of the age. Join Rick as he unpacks this short but powerful book of the Bible, the book of Jude. **Historical Theology for the Church**, Jason G. Duesing, Nathan A. Finn, 2021-02-15.
