has always fascinated me My first interest was reading as a child about Merlin the Magician who was also a Druid Then I learned they were the ancient priests of the Celts and had a deep history in the British Isles My family is also from Scotland and Northern Ireland so it makes me wonder if I have some Druidic ancestry too Recently I wrote a book about the Mythical people of Ireland and it also included materials about the Tuatha Da Dannan who in many mythical histories were also forerunners of the Druids Druids were also well known for their mystical prophecy and healing abilities Being a student of the Paranormal and Spiritual this also holds a serious interest for me In this book we will go through my research on Druid history festivals rituals herbs alphabets magic and much more Some Druidic rituals and exercises are also included In fact Druidism seems to be the source of many modern approaches to witchcraft and magic
